Garrison served murder warrant

CORINTH, Miss. — Alcorn County Sheriff, Ralph Lambert, served Dr. Norman Garrison with a Dunklin County, Missouri murder warrant at 9:15 a.m. today. The warrant charged Dr. Garrison with first degree murder Sept. 8 in the death of his ex-wife, Lee Ann Garrison.

Dr. Garrison appeared before justice of the peace Jerry Moore and posted $10,000 bond at 9:25 a.m.

John Hopkins, attorney for Dr. Garrison, said Sheriff Lambert would return the warrant to Dunklin County sheriff Raymond Scott today.

"We have heard nothing," Attorney Hopkins said when asked about the extradition hearings.

The warrant was not served last week when Sheriff Scott and Missouri State Highway Patrol Sgt. Don Shelton were in Corinth as part of their investigation into the murder.

Stoddard candidates file expense reports

BLOOMFIELD — Campaign expenses of $1,906.45 were reported by Stoddard County Democratic primary election candidates, and a $25 filing fee was expended by one Republican candidate, according to reports filed in the office of Ethel Crites, Stoddard County recorder of deeds.

Expenses reported by challenged candidates include:

Freida Lee of Dexter, $556.95, candidate for recorder of deeds. Her opponent, Murlin Phillips of Bloomfield, had not filed an affidavit as of Friday.

Ermer Garner of Bloomfield, candidate for presiding judge, $329.10. His opponent, Bob Blair of Gray Ridge, has not filed his expenses.

Darrel Roberts of Bloomfield, $399, and Jack Ward of Avert, $267, candidates for associate judge of the first district. A third candidate, Charles M. Jones of Puxico, has not filed his expenses.

Darla J. Grossman of Dexter, $99.11, and Harold E. Snider of Pyle, $119.96, candidates for second district associate judge.

Unopposed candidates and expenditures reported include:

Jimmie B. Trammell of Dexter, candidate for probate- magistrate judge, none; Gary Dowedy of Dexter, candidate for surveyor, $25 filing fee; John Marvin Capps of Dexter, candidate for county clerk, $25; filing fee; and Charles R. Corbin of Dexter, candidate for clerk of the Circuit Court, $35.10.

The only Republican candidate filing a report on campaign expenditures is Koss W. Blomeyer, candidate for probate- magistrate judge, $25 filing fee.

Jerry T. Howard of Dexter, Democratic candidate for state representative from the 157th District, reported an expenditure of $700.40, and a committee, Missourians for Howard, reported expenses of $1,160.

Pat O'Brien of Bloomfield, Democratic candidate for U. S. senator, reported expenses of $3,595.86.

Verlan Beacham of Bernie, Republican candidate for state representative from the 157th District, reported an expensiture of $592.89.

Citizens band radios stolen

NEW MADRID — Two citizens band radios were reported stolen sometime Saturday night, according to City Marshal Virgil "Flip" Dees, who said one radio was taken from a truck belonging to Hal E. "Buck" Hunter III while it was parked at his home on Sycamore Street. The other was removed from a vehicle owned by Sam L. Hunter Jr. while parked at his home at 951 Scott St.

Football injury fatal to youth

CHAFFEE — Mark Ronnie Whitaker, 16, a Chaffee High School football player, died at 8 p.m. Sunday in Baptist Memorial Hospital at Memphis, Tenn., after being knocked unconscious in the school's season-opening football game Friday night.

Whitaker, a junior tailback, suffered a massive blood clot at the base of his brain early in the fourth quarter of the game won by St. Vincent of Perryville, 27-21.

He was the son of Mr. and Mrs. George R. Whitaker of Chaffee.

Chaffee Coach Charles Vickery said young Whitaker suffered the injury while he was tackled while carrying the ball on an option sweep around right end. According to Vickery, Whitaker was unconscious when he went onto the field to his aid and did not regain consciousness.

Whitaker was first taken to Chaffee General Hospital and later transferred to Memphis at 2 a.m. Saturday.

Because of his condition doctors at Memphis were

Ford proclaims amnesty policy

WASHINGTON (AP) — President Ford proclaimed a clemency program today for thousands of Vietnam war deserters and draft resisters "in furtherance of our national commitment to justice and mercy."

A key feature of the program would require deserters and draft evaders to spend up to 24 months in low-paying jobs judged to promote the "national health, safety or interest." There would be no minimum time period for "alternate service jobs" and reductions from the 24 months service period would be dependent on military service records and "other mitigating factors."

All those wanting to accept the amnesty opportunity would have to turn themselves in before Jan. 31. Draft evaders would report to the United States attorney where an offense was committed and deserters would report to appropriate military commanders.

Ford also set up a nine-member Presidential Clemency Board to handle the cases of those already convicted of draft evasion or absence from military service.

"The board has been instructed to give priority consideration to individuals currently confined," the White House press office said in a fact sheet. "The President also has asked that their confinement be suspended as soon as possible, pending the board's review."

Ford briefed Republican and Democratic leaders of Congress before making details of the clemency program public.

"It is not amnesty," House Republican Leader John Rhodes said after the briefing. "It sets forth a mechanism under which these young men can rehabilitate themselves ..."

Senate Republican Whip Robert Griffin of Michigan said most participants in the briefing were pleased with the make-up of the clemency board.

However, both Rhodes

Police report four robberies over weekend

Police today are investigating four thefts which occurred over the weekend.

Dale Keith, Box 163, Vanduser told police Saturday that while he was at King Arthur's Lounge, 207 E. Center late Friday night, someone broke into his car.

He said high standard .22 caliber revolver, valued at $58, and a brown and white plaid, size 40 coat, value at $25, were stolen.

He said when he arrived at King Arthur's he parked his car by another car, which was some distance from any other vehicles. When he returned the other car was gone.

A stereo player and speakers valued at $90 and a tape valued at $6 were taken from the Dog House at Sikeston High School football field sometime Friday night.

Police said entrance was gained through a west window, which had been broken out that leads to the storage room. A window in a dressing room was also broken.

Another burglary occurred after 8 p.m. Sunday at Lindsey's Service Station, 808 W. Malone.

Taken in the theft were 19 cartons of assorted cigarettes, $1.50 in pennies, a rain coat and a poncho.

Entrance was gained by breaking out a window.

The robbery was discovered this morning when Grover Lindsey, the owner, opened the station for business.

Money and food were taken during a robbery at the Cream Castle, 801 W. Malone, which occurred sometime Sunday night.

Entrance was gained through the rear door.

The burglary was discovered by an employe this morning when she opened for business.

Stoddard fair opens tonight in Dexter

DEXTER — The Dexter Jaycee Stoddard County fair will begin tonight and continue through Saturday at the fairgrounds east of the city on Highway 114.

This week's schedule of events:

Monday, opening day; Check in hogs until 7 p.m. 6 p.m., parade down Stoddard Street. Prizes for floats will be first place, $100, second, $50 and third, $25. 7 p.m. grand opening with Rose City Rides on the Midway.

Tuesday, Merchants Day, 11 a.m. to 5 p.m., home economics and 4-H entries will be accepted (except for prepared foods, and fresh flowers which should be entered on Wednesday), 7:30 p.m. Garden Tractor Pull.

Wednesday, 7 p.m. tractor pull; 8:30 a.m., field crop entries accepted, judging of all home economics exhibits, (4-H open class and homemaking girls); 11 a.m. to 3 p.m., entries made for prepared foods and fresh flowers.

Thursday, 9 a.m. 4-H Home Economics and Art Exhibits open for public viewing; 10 a.m., closing time for all field crop.

Saturday, Dexter Homecoming Day, check out cattle until 7 p.m.; 9 a.m. all exhibits open to the public and last day to see the livestock and home economics exhibits. 2 p.m., checking out of field crop entries (not responsible for entries left after 4 p.m.); 2 p.m. to 4 p.m., check out of home economics; and 7:30 p.m. State Pony Pull.

Evans named manager of new Charleston industry

Lewis M. Evans has been appointed manager of the MidContinent U.S. operation of Argo International Corporation which opened today with headquarters in Charleston, company president James Forte announced.

Evans moved to Charleston from New Jersey in March 1974.

He has a degree in electrical engineering from Cooper Union Institute of Technology in New York and is licensed to practice engineering in New York, New Jersey and Missouri.

He is a member of the American Society of Mechanical Engineers, the National Society of Professional Engineers and the Institute of Electrical and Electronic Engineers.

Lewis M. Evans

Evans has been employed by Worthington Co., a subsidiary of Argo International Corp., for many years where he has served as foreman of the Diesel engine testing department, served in the general sales department and was manager of the engineering contracting and marketing development for the Pioneer Products Division.

He served in the Corps of Engineers during World War II and is co- inventor of the Worthington Jet Drive Catamaran vessel "Mop-cat."

Argo International is a world wide supplier of industrial and marine products with its main headquarters located at 140 Franklin St. in Manhattan, N.Y.

Open house held at plant

EAST PARIRIE — Open house at the city's new water treatment facility, located near the end of Cutliph Street, was held Saturday from 10 a.m. to 3 p.m. City officials, the plant operators and C. R. "Bud" Waters of Sikeston, engineer of the project, were present to show visitors through the plant and to answer questions.

The plant, completed in February, at a cost of $266,455 is part of the city's complete water, sanitary sewer and storm sewer project. Cowen Construction Co. of Sikeston built the concrete block structure, and Bridger Plumbing and Heating of Sikeston did the pipe work. Engineer for the entire project is Waters and Associates of Sikeston.

The treatment plant, operated on two 10- hour shifts by Darrell Williams and Roy Howeltt, is semi-automatic and capable of filtering over one million gallons of water every 24 hours.

The process of filtration, controlled by a push- button control panel, consists of adding chlorine, potassium permangenate and caustic soda to the water to clean out all iron and manganese. More chlorine is then added to the filtered water at the end of the process.

The largest amount of water used by residents since the plant was put into operation was on July 21 when a total of 1,154,000 gallons was consumed. In February, shortly after the plant opened, the maximum use was 351,000 gallons.

Total cost of the entire water improvement project was $818,875. A bond issue for $425,000 was approved

Stoddard royalty chosen

DEXTER — Both the Little Miss and Miss Stoddard County titles were captured by Richland royalty Saturday night, when Rhonda Peters, 16- year - old daughter of Mr. and Mrs. Pearl Peters of Gray Ridge won the title of Miss Stoddard County and Kerri Gisi, five year old daughter of Mr. and Mrs. Larry Gisi of Essex, captured the crown of Little Miss Stoddard County.

Rhonda is the 1974 Miss Richland and Kerri is an attendant to Little Miss Richland.

First attendant to Miss Stoddard County was Patty Hodge, 16- year - old daughter of Mr. and Mrs. J. D. Hodge and an attendant to Miss Puxico. Jamie Walker, 16, daughter of Mr. and Mrs. James Walker won second attendant. Jamie is the 1974 Miss Bloomfield.

Attendants to Little Miss Stoddard County were, Little Miss Richland attendant Machelle Reinhart, three-year - old daughter of Mr. and Mrs. Max Reinhart and Cheryl Ann Lowery, 5, daughter of Mr. and Mrs. Leo Lowery, and an attendant to Little Miss Puxico.

The contest was sponsored by the Dexter Jaycee Wives. The new Stoddard County royalty will reign over the Stoddard County Fair, scheduled for Sept. 16- 21.

Miss Stoddard County

Rhonda Peters, center, 16- year - old daughter of Mr. and Mrs. Pearl Peters of Gray Ridge, won the title of Miss Stoddard County in the annual contest held Saturday night in the Dexter High School auditorium. Patty Hodge, left, 16- year - old daughter of Mr. and Mrs. J. D. Hodge of Puxico, was named first attendant Jamie Walker, 16- year - old daughter of Mr. and Mrs. James Walker of Bloomfield is second attendant. (Daily Standard photo)

Sikeston man killed in accident

An elderly Sikeston man and a Braggadocio woman were killed and eight persons were injured in three area accidents over the weekend, the highway patrol announced today.

Loy N. Roberts, 73, of 411 Kendall St. was killed at 4:15 p.m. Saturday in a two-car accident on Highway 60 three miles west of Sikeston.

The highway patrol said the accident occurred when the Roberts car, headed north on Brown Spur Road (Route FF) failed to yield the right of way and was struck by a car driven east on Highway 60 by Katherine May Whitehead, 23, of Cape Girardeau.

The patrol reported that Roberts was thrown from his car by the impact.

Born Feb. 10, 1901 in Polk County, Ill., he was the son of the late William N. Roberts Sr. and Cerilda Gullett Roberts.

He owned and operated Roberts Grocery for many years in Sikeston and later owned Roberts Nursery until his retirement in 1963.

Loy Roberts

Surviving are one son, Gary L. Roberts of Ft. Lauderdale, Fla.; one daughter, Mrs. Betty Jo Ryan of Homestead, Fla.; one sister, Mrs. Vera Roberts Kochel of Canalou; and seven grandchildren.

Services were conducted at 2 p.m. today in Bill O'Guinn Funeral Home by the Rev. Fred Ritter, pastor of the Canalou Baptist Church.

Burial followed in Matthews Cemetery.

Six passengers in the Whitehead car, Nancy Whitehead, 15, Virgie Whitehead, 13, David Whitehead, 8, Natalie Whitehead, 6, and Jonathon Whitehead, 4, of Bernie, and Deanna Whitehead, 11, of Bertrand, received minor injuries and were taken to Missouri Delta Community Hospital.

Carol Sue Machneia, 27, of Braggadocio died at 2:30 p.m. Sunday in Pemiscot County Memorial at Hayti from injuries received in a one- car accident which occurred a few hours earlier.

The highway patrol said the accident occurred at 12:30 p.m. Sunday on Route Z in Pemiscot County .5 mile south of Highway 84 when she lost control of her car which ran off the road at a high rate of speed.

Her body was taken to John German Funeral Home in Hayti.

Two persons received minor injuries in the only other area traffic accident reported over the weekend.

The accident occurred at 5:20 p.m. Saturday on Highway 61 three miles south of Hayti when a southbound car driven by Joshua Williams Jr., 62, of Maywood, Ill., attempted to pass another car and collided head on with a northbound pickup truck driven by Willis Smith, 40, of Hayti.

Smith and a passenger, Monica Smith, 10, of Hayti, received minor injuries and were taken to Pemiscot County Memorial Hospital.

POOR CHARLIE SAYS!

People admire a healthy woman more than a pretty one.

* * *

NOT MUCH TO CELEBRATE

Thirty years ago — from August 21 to October 7, 1944 — the foundations of an international organization to become known as the "United Nations" were laid at the Dumbarton Oaks Conference between the United States, the United Kingdom, the Soviet Union, and the Republic of China. Soon thereafter, France was to become one of the "five permanent members" of the central body of the United Nations known as the Security Council.

Born with high hopes that the UN would serve as an effective instrument for the maintenance of world peace and justice, the passage of three decades has brought disappointment and disillusionment. Once touted as a great landmark in the advance of human freedom, the Charter of the United Nations has become so meaningless that the World Almanac, for example, does not even waste paper to print it; readers are advised that one may obtain a copy by writing away for it.

And, should the curious take the time to obtain a copy, the words of the Charter are found to have no connection whatsoever with reality. For example, the Preamble of the UN Charter declares that one of the purposes is to "reaffirm faith in fundamental human rights, in the dignity and worth of the human person, in the equal right of men and women and of nations large and small." Of course, we now know — through such victims as Aleksandr I. Solzhenitsyn and literally thousands of other witnesses — that the Soviet Union, following the signing of the Charter, was to embark upon an intensified campaign of persecution of the peoples behind the Iron Curtain, including the Russian people which, in terms of inhumanity and depravity, far exceeds anything known in the history of despotism. To this very day the dread Soviet Secret Police operates openly at the very doors of the American embassy in Moscow, where the arrest of new victims is a common occurrence.

Chapter II of the UN Charter declares that "Membership in the United Nations is open to all other peace- loving states which accept the obligations contained in the present charter ..." Yet, as pointed out in a recent booklet (The United Nations: Myth vs. Reality, an America's Future pamphlet) it is noted that in 1971, free China — one of the original founders and a "permanent member" of the UN — was "ignominiously kicked out of the UN (and) its seat was assumed by the blood- stained Chinese Communist regime of Mao-Tse-tung ... to stretch (Chapter II) to include Communist China just about has destroyed whatever small amount of revelance the UN Charter may still have had."

In a book just published "United Nations Journal" by William F. Buckley, Jr., who served for one year as a member of the United States delegation to the United Nations is the most concentrated assault on moral reality in the history of free institutions."

Unfortunately, if the United Nations is in fact a "myth," the more than four billion dollars poured into the UN coffers by the people of the United States is a hard reality. After a 30- year record of frustrating nothingness, and at a time of great economic stress for the people of our country, would it not be wise to consider whether the money now going to the UN might not be better invested in some other endeavor?

* * *

A Sikeston man was so accommodating that people called him "Willinglegs."

Separate your household trash. Smash cans and put in one box; bottles in another; papers in another. Take them to the nearest recycling center.

* * *

You know we were kinda half-way proud of the combination of President Ford and the man who he has suggested being the Vice President, Nelson Rockefeller, but his coming out granting amnesty to the boys who did not decide to fight when their country needed them, I believe that what he has done is made it so that if we ever get into a war and have to have the draft act again, we just as well forget about having an army and let our enemies do whatever they want to.

Then he follows it up with granting a full pardon to Richard Nixon. Now you know we don't know what it is that President Ford should weigh President Nixon's on law and order statements including "law and order are code words for goodness and decency in America." In opposing amnesty for draft evaders, President Nixon called for them to "pay the price." He said: "The price is a criminal penalty for disobeying the law of the U.S." These are Mr. Nixon's own words.

One satisfaction is, President Ford has in my opinion made it mighty easy for the Democrats to fill the Senate seats and the Congress seats and also to turn the Presidents office over to the Democrats in 1976. I guess maybe that when he said he didn't want to be President, that he really meant it and is doing everything to prove that he is not going to be.

A substantial decrease in the Missouri pedestrian fatality toll was recorded for the first eight months of this year as compared to the same period in 1973.

The Missouri State Highway Patrol reported today that 76 persons lost their lives while walking on the State's streets and highways from January through August of this year. This is 49 fewer pedestrian fatalities than were recorded during the first eight months of 1973 (125).

In a study of pedestrian deaths from January through August of this year, the Highway Patrol found that 45 persons lost their lives in the urban areas of the State — 24 less than were recorded for the same period last year. Thirty-one pedestrians died in rural traffic during the first eight months of this year — 25 fewer than in 1973.

A breakdown of pedestrian deaths for the studied period this year showed the following: May had the most pedestrian deaths, 19. The month of June recorded 11; March, 10; January and August each had eight persons killed while walking in traffic; February and April each had seven and July recorded six pedestrian deaths in Missouri.

ALL SHARE BLAME FOR ENERGY CRISIS, OIL EXECUTIVE SAYS

All segments of U.S. society have contributed to current energy shortages, and all must cooperate to work out a solution, according to John Swearingen, chairman of the board, Standard Oil Co. o Indiana.

"For generations, unlimited supplies of low- cost energy have been taken for granted in this country ... the whole economy has been geared to provide ever- larger and more luxurious vehicles, more heat in the winter and more air-conditioning in the summer, and a range of power-consuming appliances that staggers even sophisticated Europeans," the Standard Oil executive told a Congressional committee.

He emphasized the oil shortage is real "for both the short and long term" and warned, "ex post facto attempts to assign culpability for what has happened will do nothing to get the nation back on the track."

Veterans have been returning to civilian life at the rate of 600,000 a year during the last two years according to the President's Committee on Employment of the Handicapped.

* * *

Two young men, Top and Pete, had gone through high school and college together. Both had good jobs. One morning, Tom called Pete and said, "They've got me."

"Who's got you?"

"The draft board. But I am going to fool them. I once had a hernia, and I am going to wear my truss." So Tom, earing his truss, went down to the draft board. Three doctors examined him, took out his draft card and put down "M.E." Tom said, "What's that?" They said, "Medically Exempt."

Four weeks later bright and early in the morning, Pete called Tom and said "They've got me."

"Haven't you got something wrong, flat feet, back ache, ulcers?"

"No, I am in perfect health, as you know."

"Well, then, I'll lend you a truss and you go down and make the usual complaints that you can't lift things, you have intermittent pains, and they'll let you off for having a hernia."

Pet went to the draft board. The same three doctors examined him and then took out his draft card and put down, "M.E."

"Medically Exempt?" Pete inquired.

"Nope" replied the doctors. "Middle East. Anyone who can wear a truss upside down can certainly ride a camel!"

ENVIRONMENTAL REACTION

A grim preview of the backlash that can be aroused by environmental extremism has been on display in Michigan. It took the form of a billboard 10 feet high and 20 feet wide purporting to grant a license to a local power company for the construction of a nuclear power plant by the citizens of Midland, Michigan. The billboard contained the signatures of 15,000 persons who fear that their community will lose jobs if the power plant is not built.

According to a news release, construction stopped over a year ago - stalled by the protests of environmentalists. It appears that unless the plant is built, local industry and local employment will be hard hit. The press report states: "The Midland case is an unusual instance of a massive public effort to fight the antinuclear power movement." Nuclear power and other technological advances in pollution control provide the only answers to the seeming incompatibility of a rising population and inexorable environmental pressures. If extremism sets out to defeat these answers, the threat of unemployment and hardship will bring a spreading reaction such as that seen in Midland, Michigan.

A Jackson, Michigan, newspaper asks: "Do people who oppose nuclear plants really know what they oppose? . . . Do they ever stop to think of the many factories that are now polluting air and water with their old methods. . . . and are waiting for more electric power to improve and eliminate those sources of pollution?. . . . the future cannot lie in postponing progrogress."

THE DELEMMA IN PANAMA

The Kansas City Star

Panama will vote Aug. 6 in a rether confusing election that the Panamanians themselves aren't too claer about. The country is ruled by Brig. Gen. Omar Torrijos who seized power three years ago amidst a welter of coups. The voting in August is at the local level to elect a national assembly.

On ce elected, that assembly is expected to re-draft a constitution now being constructed by a 25-man commission. After acting on the constitution, the assembly is supposed to elect a president — under the terms of the constitution which presumably will say that the assembly can elect the president. Around Latin America it is assumed that all this is an elaborate procedure to legitimize the government.

In comparision to many of Panama's rulers, Torijos has been a good one. He comes from the lower middle class and knows how to talk to the people. He get mud on his feet in the country. The peasants and urban workers like him. He understands them.

Torrijos occasionally denounces the United States, partly to put pressure on this country in regard to the canal and partly out of the spirit of the time. No Latin American politician ever lost votes by denouncing the U.S. Yet Torrijos is a military man and has maintained reasonably good relations with the American military which is such a large presence in his country.

The canal, of course, is the central presence. It is the reason for Panama's existence and why Amiercan troops and civilians are so numerous in a country with a population about the same as Greater Kansas City's. Until canal treaties can be agreed. upon, relations between the U.S. and Panama will be skittish and the threat of uproar will always be near. Growth in agriculture and industry are important. The country has become a banking center . Foreign investment continues to rise and the U.S. id program is big on a per capita basis.

But all this is peripheral to the issue of the canal. Panamanians regard it as their primary resource—which it is—and the United States regards it as a fundamental of American security—which it is. The anwer will not come easily, for it involves two definitions of sovereignty. But it is an answer that must be found in the interests of both countries.

H.L. Hunt

NO RECOGNITION FOR CUBA

Speculation in diplomatic circles in Washington and elsewhere is to the effect that the U. S. will resume diplomatic relations with the Castro government of Cuba. This would not serve the cause of freedom and would bring further outrage from Cuban-Americans, many of whom fled the tyranny of communist-dominated Havana. The military threat of Cuba may have diminished but its sinister influence over the Latin world to the south of the U.S. remains a thorn in our side.

The sympathies of the American people remain with the great majority of Cubans who have felt the hard boot of the dictator as heavily as any peoples in recent times. The ascension of Fidel Castro to the summit was a fraud from the beginning, his movement being disguised as agrarian reform. Many citizens in the U.S. were duped into believing the story. Castro's true colors were not long in showing once he had the ultimate power and he was quick to unleash his communist agents in the fields of espionage and subversion.

Castro has proved a heavy drag on the Russians. The Soviets have poured billions of dollars into a Cuban economy that never seems to get off the ground. Castro and his henchmen would like to see trade dollars come in from another source. We should let our leaders know that we do not want to supply that money, either through loans or trade. Castro still hates the U.S. Encouragement of the Cuban masses through freedom broadcasts from the mainland should, for the time being, be the extent of our relations with our once friendly neighbor to the south. Spies Pouring In: Soviet Undercover Action in U.S. Sharply Increased Since 'Detente'

NEW YORK -- The Soviets, with atavistic Stalinist cynicism, are on as much a spying spree in the U.S. as they are on a buying binge, according to the highest counterintelligence and security circles. The sources and authority for this conclusion are unimpeachable.

Further, National Security Council insiders have reported that government failure, especially by the Commerce Department, to control the flow of strategic military-associated products to the Union of Soviet Socialist Republics "verges on a scandal."

American equipment sold to Moscow's "scientific research" and "industrial" trade trusts, for example, include a 7600-type computer used in U.S. ballistic missile- site defenses.

"There is a much larger flow of military- related technology to the Soviets than the government had previously suspected," says a Council source, "... our system of control is full of loopholes and can be and has been easily evaded and Soviet military capabilities have already profited extensively."

Other sources disclose that the inflow of Soviet espionage agents since "detente" has increased "overwhelmingly and dramatically." There has been "an unprecedented jump" in the number of Soviet commercial missions and exchange students. The latter are of the "graduate" type, mostly in their early 30s, mature and hardly the sort of young scholars expected.

The commercial commissions are believed to be "loaded" with Red intelligence agents. There is positive evidence of this. Nor is this uncharacteristic of the Soviets. They have, for example, according to the record, used their official 50- year- old foreign commercial organization, the Amtorg Trading Corporation, as a source for spies and recruiters of agents in the U.S.

Amtorg, created in May 1924, shortly after V. I. Lenin's death when most of the world sympathized with the millions of starving Russians, is alive, flourishing and is being hailed as a fine contribution to international trade and understanding.

It has vast office space on the 86th floor of the World Trade Center here. According to FBI records, an Amtorg employe, Semen Semenov, recruited at least one atomic spy, the late Harry Gold, for espionage in the U.S. Years later Igor Ivanov, an Amtorg official, was charged with obtaining information from an engineer who operated computers for the Strategic Air Command. Ivanov was permitted to leave the U.S.

Now federal officials, eager to do business with the Soviets, hope that the KGB, the Soviet secret police and espionage agency, just doesn't attempt to use Amtorg again. They hope.

What disturbs American counterintelligence officers is the head- to- head dealings of Soviet commercial mission members with American corporate executives here. The Soviets' desperate need for American computer, industrial, electronic and aerospace expertise is insatiable. There is little doubt that the Soviet industrial "plant" as well as its agricultural and food distributive systems are collapsing.

The picture is not as grim today for the U.S.S.R. as it was in 1923 when Lenin mockingly began dealing with American capitalists and was supported by at least one powerful American labor chief now dead. (But there is definite word that the Soviets are urging their people to save bread crumbs to keep from going hungry.) Then, Lenin sent his commercial agents to deal with capitalist businessmen and his underground revolutionists to stir revolt against the very same commercial interests and nations from whom he sought extensive credits.

History reveals that first Lenin, and then Stalin, saved the Soviet Union with capitalist credits and then turned on international democracy and capitalism. Now history is repeating itself. With an additional starter. In the '20s America saved 11 million Russians from dying of starvation. But we sent no military equipment. Today we are.

Early this year it appeared that Boeing, Lockheed and McDonnell Douglas aerospace companies would form a consortium to accede to the Soviets' request to construct a huge aerospace factory in Russia. This would eventually whip out 100 wide- bodied commercial jets a year.

In effect, the Russians wanted the deal on long- term credits at low interest rates (6 per cent or so) which would be repaid out of sales of the jet products back to us -- or repaid by cash made by driving our aerospace industry out of some markets. The deal didn't materialize. But always the technique is the same. And always, there are American industrialists who believethey can count on the good faith of the Soviets. They'll learn.

American naivete -- which eventually will cost the U.S. considerable money and jobs -- is matched by that in Italy, Germany and Britain into which the Soviets also are pouring a goodly quota of spies. Even the Chinese Communists are outraged by Soviet espionage. The Peking publication Hsinhua in an edition I picked up in Europe recently denounced: "The Dirty and Ugly Espionage Activities of the Soviet Revisionists," and then followed with, "Soviet spies under the cloak of 'diplomats,' 'journalists,' 'merchants,' 'seamen,' and 'technicians' ran amuck everywhere, collecting intelligence and carrying out sabotage activities with most despicable means." It takes one to know one.

And should the U.S.S.R. obrain most- favored- nation low tariff status here, we will have embraced a totalitarianism which negates our national outcry for morality and justice.

There is no detente. It is only Lenin's 1923 "New Economic Policy" revisited. It's a golden shot in their shaky outstretched arm.

Washington-Merry-Go-Round
by Jack Anderson

JACK ANDERSON SAYS: The 'Hired Gun'

WASHINGTON — The Nixon tapes, which have been withheld from the public for use in the Watergate trials, portray John Ehrlichman as a patsy.

Sources who have listened to the tapes say that ex-President Richard Nixon would discuss strategy with his top aide, H. R. Haldeman. Then they would call in Ehrlichman and go through the same discussion again, thus giving him the impression that he was a full participant in the decision- making.

But invariably, they would adopt the strategy that Nixon and Haldeman had already agreed upon and the unsuspecting Ehrlichman would wind up doing the dirty work. As one source put it, "Nixon and Haldeman used Ehrlichman as their hired gun."

They sent Ehrlichman, for example, to try to persuade CIA Deputy Director Vernon Walters to head off the FBI's investigation into the plumbers' operations. Ehrlichman was also assigned to approach ex-Atty. Gen. John Mitchell and to ask the unwilling Mitchell to take the rap for the Watergate fiasco.

Sources close to Special Prosecutor Leon Jaworski say that Ehrlichman is now aware how Nixon and Haldeman used him. "That's why Ehrlichman has called the former President as a witness," said one source.

"It is clear," agreed another, "that Ehrlichman has gone off the reservation." In other words, he no longer will try to protect Nixon and Haldeman.

The view of Ehrlichman as a puppet, manipulated by Nixon and Haldeman, comes from a cumultive study of the secret tapes, say our sources.

ROCKEFELLER INVESTIGATION: A painstaking but preliminary FBI investigation of Nelson Rockefeller has produced no information that should prevent his confirmation as Vice President.

Agents are still digging, however, into rumors that a Rockefeller - financed operation in Latin America was infiltrated by Communist sympathizers.

The investigation is centering on the American Association for Economic and Social Development, which received grants for 14 years from the Rockefeller Brothers Foundation to bring rural reform and better schools to South America. "The main thing we don't know," confided an FBI source, "is how they spent the money."

Another Rockefeller enterprise under investigation by the FBI is the International Basic Economy Corporation, founded by Nelson Rockefeller to operate supermarkets, poultry firms and machinery equipment facilities in some 20 countries, mainly in Latin America.

The FBI is also examining more closely the Commission on Critical Choices, which conducted studies of world problems for Rockefeller. It has been suggested this was set up to groom him for the White House.

Our FBI sources stress that Rockefeller isn't suspected of any subversive or shady dealings. But the FBI wants to be able to answer any questions that may be raised by Rockefeller's most extreme critics.

Agents have questioned just about everyone who has had any dealings with Rockefeller from doctors and clergymen to sheriffs and political figures.

A picture has emerged of a Rockefeller who has managed to keep above the hurly- burly. He has insulated himself from any questionable activities, the FBI has found, by a layer of attorneys, financial advisers and political associates.

"The rough and- tumble stuff was handled by his associates," said a source.

FBI agents have been running up to Capitol Hill almost daily with huge Rockefeller dossiers, which they have shown to key members of Congress.

"Rocky looks awfully good," said a source with access to the dossiers.

NAVAL SUPERIORITY: Intelligence reports confirm the conclusion of the authoritative British publication, "Jane's Fighting Ships," that the Soviet Navy had surpassed the U.S. fleet in fighting power. Here's a rundown:

-- In submarines, the Soviet Union has deployed a fleet of 67 ballistic missile submarines, many of them nuclear powered. This compares to 41 American missile subs. States one NATO document: "The Soviet submarine force is now more capable and has outbuilt NATO in nuclear- powered submarines."

-- In surface ships, the newest Soviet vessels "carry more elaborate and more sophisticated electronic systems. One Soviet surface vessel, according to NATO intelligence, is "ton for ton, the most powerful warship ever built."

According to another confidential document, "the sophisticated missile systems of its advanced surface ships gives the Soviet Union a powerful ship- to- ship capability and a considerable superiority in missile units over NATO."

NATO commanders are deeply concerned over the deployment of Soviet ships in the Indian Ocean. Concludes another NATO report: Russia's "power to rapidly switch ships from the Mediterranean to the Indian Ocean, once the Suez Canal is reopened, will considerably increase her presence and influence in an area which six years ago was a Western lake."

'Little' Vanduser royalty

Carol Johnson, 4, daughter of Mr. and Mrs. Jimmie Johnson, was named Little Miss Vanduser, and Frankie Brown, 5, son of Mr. and Mrs. Robert Brown, was crowned Little Mister Vanduser Saturday during the annual Vanduser Fall Festival. Susan Shirkey, left, 4-year-old daughter of Mr. and Mrs. Harvey Shirkey, and Clay Graviett, right, 3-year-old son of Mr. and Mrs. Harold Graviett were first runners-up. (Daily Standard photo)

Delta Fair opens Tuesday

KENNETT — The annual Delta Fair will open Tuesday with several name acts as grandstand attractions.

The schedule will be as follows:

Tuesday — Stax recording star Karen Casey and her rock group, "Function." Kennett's own Karen Casey has appeared in major night clubs throughout the country and is a dynamic vocalist. Her seven-piece group, "Function", is one of the best in the business. This attraction will start at 8 p.m.

Wednesday — Jack Campbell and the Ambassadors of Gideon, the most popular gospel group in this area presenting the best in gospel music to its many fans at 8 p.m.

Thursday — For the third year in a row, the all-time record crowd pleaser, the official tractor pulling contest. Sanctioned by the Tractor Pullers of Missouri and staged by Obion County Sled Association, Inc. This event, which drew thousands last year, starts at 7 p.m.

Friday — Quarter horse racing, by popular demand, is repeated at the Delta Fair, and there will be more horses and a longer track. It will be more exciting than ever. Quarter horse racing is a new feature at the Delta Fair at 7 p.m.

Saturday at 7 p.m. — The Death Riders Motorcycle Thrill Show. For thyfirst time at the Delta Fair, direct from the Oklahoma State Fair, this sensational show features 15 daredevils on motorcycles doing all kinds of stunts. The Death Riders have played all the major fairs in the country and this is their first Delta Fair appearance at 8 p.m.

The big Delta Fair parade will be held Tuesday at 6:30 p.m. On thymidway will be the B. E. Miller Shows. Also, $100 cash will be given away each night to someone present.

Ribbon cut at treatment plant

Ribbon - cutting ceremonies were held Saturday at the open house for East Prairie's water treatement facility. Shown participating, from left, are C. R. "Bud" Waters, engineer for the project; City Manager Bob Kakac; Mayor LaWanda Douglas; Darrell Williams, plant operator; Charlie Thornton, street commissioner; City Clerk Webb DeField; and Roy Howlett, plant operator.

Basic training set for new Girl Scout leaders

Basic training for new Girl Scout leaders in the Cotton Boll Girl Scout Council is planned this week at different locations.

The sessions are scheduled from 10 a.m. to 2:30 p.m. on the following days: Tuesday, at First Christian Church in Sikeston; Wednesday, First Christian Church in Kennett; and Thursday, First Christian Church in Poplar Bluff. All new leaders in the Girl Scout program are especially urged to attend one of the sessions.

Basic training for new leaders and also for experienced leaders who are changing age levels will also be held three days in three locations during the last week in September and first week in October. Session will again run from 10 a.m. to 2:30 p.m. Dates and locations are: Sept. 24, First Christian Church in Sikeston; Sept. 26, First Christian Church in Poplar Bluff; and Oct. 2, First Christian Church in Kennett.

Oct. 8 has been set aside for any leaders who would like to visit Camp Latonka and learn basic outdoor skills. A session the same day can be offered in advanced outdoor skills upon written request to the Girl Scout office in Sikeston.

All new leaders and leaders changing age levels are asked to attend at least one of the basic training sessions.

Jodi Bacher, Melms united in marriage

PORT HURON, Mich. — Jodi Bacher and Roy Melms exchanged wedding vows Aug. 17 in the Reorganized Church of Jesus Christ of the Latter Day Saints.

The bride is the daughter of Mr. and Mrs. Joe E. Bacher of Marysville, Mich. Bacher is formerly of Sikeston, Mo. Paternal grandparents of the bride are Mrs. Lynn Price of 312 Missouri St., Sikeston, Mo., and Joe Earl Bacher of Florida. Her maternal grandparents were the late Mr. and Mrs. Stewart S. Heddle of Marysville. The bride's paternal great-grandfather is William "Poppy" Hendley of Sikeston, Mo.

The groom is the son of Mr. and Mrs. William F. Melms of Marysville.

The bride chose a formal-length A-line gown of bridal satin. The gown featured a Victorian neckline accented with a cameo pin and sheer yoke, surrounded by flowered lace. The lace also adorned the cuffs and neckline. The low sheer sleeves were gathered at the wrists.

The bride carried a bouquet of miniature roses surrounded by baby's breath and greenery. Her long veil of English illusion was enhanced with lace embroidered in a tri-leaf design. It was held secure with a Camelot cap of seed pearls and lace.

Cheryl Wilson of Charlotte, N.C., was maid of honor. Bridesmaids were Betty Baker, Sharon Neumann and Sharon Morgan of Marysville and Marilyn Martin of St. Clair. Flower girl was Rebekah Heddle of Marysville. The attendants wore floor-length pastel-colored gowns.

Mrs. Roy Melms

Ronald Marks of Marysville was best man. Attendants were Rick Hillock of Marysville, Ron Lukasak of St. Clair and Gerry Sheffer and Craig Herbert of Marysville. Ushers were Brian Russell of St. Clair and Robert Henry of Marysville. Anthony Berger of Mt. Clemons was ringbearer.

Following the ceremony, a reception was held in St. Stephen's Parish Center.

The couple lives in Marysville.

At Wit's End

By Erma Bombeck

A prominent psychologist recently announced that due to the economy, the emphasis on overpopulation, and working mothers, there has been a cutback of children and we are entering the era of the Only Child.

Do you have any idea what the impact of that statement is? It means there has been a breakthrough in Sibling Rivalry. That's right. Someone has finally come up with a cure for it -- the one-child family. It don't know why our generation never thought of it.

Imagine. No more having to cut a maraschino cherry into four equal pieces. No more trying to convince your younger son that hand-me-down boots are neither male nor female. No more taking a number at mealtime to talk.

With each addition to our family, we tried to explain how wonderful a brother or sister would be, but they never bought it. Few children do. We used to have a neighbor child who treated his smaller sister like chopped spinach. His disgust for her culminated when he dragged her to school one day for Show and Tell, shoved her before his classmates and said, "This is my sister. I told you she was dumb."

All three of my children pretend to be an only child. Their hostility often isn't even subtle. One used to set the table for four and when I'd ask where the other plate was she'd say, "Is HE still here?" (referring to small brother).

"Yes, why?"

"How long is he going to stay?"

"Through dinner or until I can get his plumbing on automatic -- whichever comes first."

Somehow, I can't imagine what it would be like to sit down at the dinner table and not have the rivalry, the competition, the clashing of the three of them over what my husband and I refer to as the War of the Catsup.

"Look at him. He's using all the catsup."

"You'll have your turn, so bug off."

"Hah! There won't be a 'turn' after you're finished. Mom! He's wasting it."

"I couldn't help it. It came out all at once."

"Mom! Why do you let him pour catsup in his lap and play in it?"

"He's the baby, haven't you heard?"

"So get another bottle."

"There isn't any more. You are a hog."

"Mom! Make him put some back in the bottle."

"MOM! MOM!"

I wonder how you raise a child with his own bottle of catsup without spoiling him.

Meetings

MONDAY
Junior Woman's Club orientation is scheduled at 7 p.m. at Security National Bank.

TUESDAY
Morehouse Order of the Eastern Star Chapter No. 4050 will meet at 7:30 p.m. in the Masonic Hall.

TUESDAY
New leaders in the Girl Scout program will meet from 10 a.m. to 2:30 p.m. at First Christian Church.

TUESDAY
Delta Gamma Chapter of Beta Sigma Phi will meet at 7:30 p.m. at the home of Linda Darter, 402 Illinois Ave.

TUESDAY
Delta Community Diabetes Association will meet at 7:30 p.m. at the Heritage House. The meeting is open to the public.

THURSDAY
Anyone interested in church league volleyball should meet at 7:30 p.m. at 504 N. Ranney St.

THURSDAY
American Legion Auxiliary will meet at the Heritage House at 6:30 p.m. for a potluck supper.

Miss Haubold is Woman of Year

NEW MADRID — Miss Jeanette Haubold of Marston has been selected Woman of the Year by the New Madrid Business and Professional Women's Club. The citation was given in recognition of the active role that Miss Haubold has taken in her local club, community, church and professional organizations.

Miss Haubold is a member of the faculty of the New Madrid unit of New Madrid County R-1 Enlarged School District. She has worked as an elementary teacher, art teacher and special education teacher in the areas of learning disability and mental retardation.

Prior to her present position she served as educational specialist at the Title III Learning Center for the school district.

Active in numerous civic and professional organizations, Miss Haubold is currently serving as president of the New Madrid B&PW Club. She is a member of the executive committee of the Southeast Missouri District Teachers Association and is active in youth work of the New Madrid Baptist Church where she serves in many other capacities.

From time to time she has served as volunteer campaign leader for numerous fund drives.

Special interests of Miss Haubold include needlework, crocheting and other handicrafts.

Of particular note is the extensive work she has done in the field of recreation with youth. She has served as program coordinator and directed numerous schools for training recreational leaders in New Madrid County. For several years she did considerable work with youth in summer camp programs in this area.

Prior to the formation of the New Madrid B&PW Club, Miss Haubold assisted in the organization of the Portageville B&PW Club, where she served as vice president and program leader.

Miss Haubold is a graduate of the University of Missouri, where she received bachelor of science and master of education degrees. In addition, she has completed further graduate study at Southern Illinois University in Carbondale, Ill., Southeast Missouri State University at Cape Girardeau and Arkansas State University in Jonesboro, Ark.

In selecting Miss Haubold as Woman of the Year, the B&PW Club recognized her as "an involved citizen with patience and love who finds the challenges of the classroom both fascinating and rewarding."

Jeannette Haubold

COOL FOR LESS CASH

If a house is to be air conditioned, adding insulation first usually will allow smaller air-conditioning equipment to be used. The dollar savings from smaller equipment may be more than the cost of the insulation, says the NAHB Research Foundation, a subsidiary of the National Association of Home Builders.

Readers say doctors make the most passes

Dear Readers: I am back from China but my head is still in Peking. I awakened this morning, made myself a cup of tea and started to do my own laundry.

But now I must address myself to the enormous mountain of mail that has accumulated in my absence. And the first business at hand is to let you know the results of the poll: Question -- "Who make the most passes -- doctors, lawyers or clergymen?"

It all started when I printed a letter from a woman who said she had read several letters in my column over the past years from women who claimed their doctors tried to get intimate. The writer declared,"I never had trouble with a doctor, but the lawyer who handled my divorce case propositioned me and I was so eager to get out of a lousy marriage, I agreed to 'cooperate' -- right in his office, on the leather couch." She signed herself "Dumb Dora."

I told Dora: "Poor judgment and weak character don't belong exclusively to any single profession -- there are bound to be a few rotten apples in every barrel," etc.

I was promptly inundated with blasts and bouquets for both lawyers and doctors, but was astonished by the number of women who wrote to say they never had any trouble with either and that the one to keep an eye on was the clergyman.

When I printed that letter, several readers suggested I take a poll. So I asked for one- word postcards in response to the question: "Have you ever had a pass from a doctor, a lawyer or a clergyman? If so, which one?"

The results were staggering. It was a dead heat between the doctors and the clergymen, with the doctors edging out the clergymen by a small margin.

I was surprised to learn that dentists beat out lawyers by approximately 50 votes. (Many specified DIVORCE laywer.)

Here are some responses I found interesting:

From Atlanta; "Bosses are the worst. No doctor, lawyer, or clergymen ever got out of line with me but I had to quit three jobs because of lecherous bosses."

From New Orleans: "College professors lead the pack. I'm ashamed to say I gave in to two of them. It was that or flunk."

From Chicago: "You are a female chauvinist sow. I am a male who has been propositioned by four girls who work in this office and I'm not even the big enchilada. I'm only the office manager. When are you going to accept the fact that women are as aggressive, sexually, as men?"

Canton, Ohio: "I am 75 years old and have been propositioned ten times: two physicians, two bosses, one national evangelist, three traveling salesmen, one plumber and the mortician who buried my husband."

Memphis: "The most brazen proposition I ever received came from an estimator for a termite control company. Sign me -- Bugged in Tennessee."

I received hundreds of cards from women, who expressed this sentiment (this one is from Davenport, Iowa): "I am 44 years old, a former beauty queen, and have been considered good- looking and well- stacked all my life. I've had seven marriage proposals (accepted a Navy officer 21 years ago) but never a single proposition. Why? Because I've always conducted myself like a lady. Whenever I saw a pass coming, I knew how to head it off in a humorous, but emphatic manner. I never lost my cool and I never lost a friend."

Don't flunk your chemistry test. Love is more than one set of glands calling to another. If you have trouble making a distinction you need Ann's booklet, "Love or Sex and How To Tell the Difference." Send a long, self- addressed, stamped envelope with your request and 35 cents in coin to Ann Landers, P. O. Box 3346, Chicago, Ill. 60654..

Renovation of home discussed

Mrs. W. W. Goodpasture, president of the Sikeston Woman's Club, explained to club members Tuesday how she had renovated and supervised an addition to her country home, known as Plumb Grove, on Route One, where the meeting was held.

The brick home was built in 1922 with handmade bricks hauled from Jackson by mules and wagons, Mrs. Goodpasture told the group.

Thirty-five members and two visitors attended the meeting, for which a noon meal was served.

Coffer family gathers

KENNETT — The Coffer family held a joint birthday - reunion celebration Sept. 8 at the Kennett City Park.

Attending were:

Mr. and Mrs. Bob Coffer and children, Mrs. Betty Austin and Jason, Mrs. Lillie Coffer, Mr. and Mrs. G. H. Coffer and children and Mr. and Mrs. Mike Coffer of Risco; Mrs. Charlene Solomon and children of St. Louis.

Mr. and Mrs. Floyd Coffer and children, Mr. and Mrs. Robert Brand and family, Mr. and Mrs. Wilburn Jackson and family and Mr. and Mrs. G. W. Brand of Kennett; Mr. and Mrs. Jim Coffer and children of Little Rock, Ark.; and Mr. and Mrs. J. W. White of Steele; and Mrs. George Sides of Gobler and daughter Alta Mae and children of Kennett.

The group visited with Mrs. Mary Coffer of Kennett during the afternoon.

Volleyball set

Women interested in playing volleyball may do so from 7 to 9 p.m. on Mondays and Thursdays at the Sikeston High School girls gymnasium.

The program was begun as part of the Sikeston High School adult education program.

For further information, phone 471-2013 or 471-4090.

94th birthday celebrated

William "Poppy" Henley observed his 94th birthday Aug. 17 at the home of his daughter and son-in-law, Mr. and Mrs. Woodrow Hawkins, 1503 Matthews Ave., with whom he lives. Seven of his 10 children, along with some grandchildren, great-grandchildren and one great- great- grandchild also attended. Cake, punch and mints were served to friends and neighbors who called with cards, gifts and best wishes.

Miss McGee heads unit

HAYTI — Miss Teresa McGee, daughter of Mr. and Mrs. R. T. McGee of Risco, began work Sept. 9 as head of the obstetrics department at Pemiscot County Memorial Hospital in Hayti.

Miss McGee is a 1972 graduate of Risco High School and received her nurse's training in Springfield.

SeMo home economists install officers

Martha Steger, left, of Farmington was installed Saturday as president of District C of the Missouri Home Economics Association. Other new officers, from left, are Katherine Hill of Caruthersville, president- elect; Katherine Nebling of Farmington, vice president; Pat Renard of Cape Girardeau, treasurer; and Virginia Walker of Cape Girardeau, secretary. The Southeast Missouri district home economists gathered Saturday in the Security Federal Savings and Loan Association community room. (Daily Standard photo)

SeMo home economists meet

Communication difficult

Communicating is probably more difficult today than in the past because of many changes within the country and today's continual questioning of authority, the Rev. Richard Eissfeldt of Cape Girardeau told about 45 Southeast Missouri home economists Saturday.

The Rev. Mr. Eissfeldt, director of the Lutheran Family and Children's Services for the Southeast Missouri area, discussed family communications during a Missouri Home Economics Association District meeting held Saturday in the community room of Security Federal Savings and Loan Association.

"Communications seem to be a lot of trouble for a lot of people," the Rev. Mr. Eissfeldt told the group, adding that many problems develop because of lack of communication.

The Rev. Mr. Eissfeldt involved the group in his discussion in an effort to demonstrate first hand the problems in communication. As they paired off for the exercise, home economists were given a chance to see how a person's response to a problem can affect communication between two people.

"Most of us are programmed to do how we were done to," the Rev. Mr. Eissfeldt explained. He encouraged the home economists to analyze their methods of teaching to see that they are effective.

The Rev. Mr. Eissfeldt then discussed Thomas Gordon's three- pronged approach to communications (Gordon is author of a book, "Parent Effectiveness Training".)

The first step in this approach is active listening. The Rev. Mr. Eissfeldt explained that in active listening the receiver of a message sends back to the sender what that receiver is really feeling. "It takes work to actively listen," the Rev. Mrs. Eissfeldt said.

To get a person to assume responsibility for his behavior and problem, the other person must actively listen. If a person can express "what is going on inside himself," he is better able to solve his own problems, the Rev. Mr. Eissfeldt explained.

The second prong in this approach is the "I messages." This is another way to get people to listen to you, the director said. "Your messages are mostly putdowns," he added.

With an I message the person communicating must assume responsibility for what he is feeling. "Most people try to lay their feelings on others," the Rev. Mr. Eissfeldt explained. "Nobody has any power over you that you don't want them to have."

I messages are much more honest than you messages, he added, and "with I messages you are giving the person an opportunity to modify his behavior."

It is very important to identify who "owns" the problem, the Rev. Mr. Eissfeldt explained, because the approach to the problem will be different depending on the ownership.

The third approach is called Method Three. This includes three ways in relating to other people, especially children.

The first method is the authority approach, which works well with young children but will be questioned by older youth.

Submissive approach is the next method of relating. "People often become submissive when authority doesn't work," the Rev. Mr. Eissfeldt explained. To use this approach with a child is to say, "I don't care about you," he added.

The third approach is the "no-lose relationship".

"In the other two, someone always loses, he said. With this method mutual respect between two people develops and active listening plays an important part, as the two people solve the problem together.

Solving problems effectively requires six steps, according to the Rev. Mr. Eissfeldt. They are: defining the problem, generating possible solutions, evaluating each solution, deciding on mutually acceptable solution or solutions, implementing the solution specifically and evaluating whether the solution is working.

The main emphasis in parent effectiveness training, the Rev. Mr. Eissfeldt explained, is to "assist people in becoming responsible for themselves "because a person will have a lot fewer problems than if he expects other people to solve his problems or if he blames others for a problem."

The Rev. Mr. Eissfeldt also discussed stroking, which can be complimenting people or putting down people. "No body likes not to be acknowledged," he said. Stroking is very important, he added, because of that fact.

During the business portion of the meeting, Martha Steger of Farmington was installed as president of the district. Other new officers are Katherine Hill of Caruthersville, president-elect; Katherine Nebling of Farmington, vice president; Pat Renard of Cape Girardeau, treasurer, and Virginia Walker of Cape Girardeau, secretary.

Edith Lusk of Perryville, retiring president of the district, presided over the meeting.

Dorothy James of Sikeston was chairman of the local arrangements committee for the meeting.

District C of the MHEA includes the counties of Washington, St. Francois, Ste. Genevieve, Perry, Reynolds, Madison, Bollinger, Cape Girardeau, Carter, Scott, Stoddard, Ripley, Butler, Mississippi, Wayne, Iron, New Madrid Pemiscot and Dunklin.

Responsibility stressed

People must become responsible for their own problems and behavior, the Rev. Richard Eissfeldt of Cape Girardeau stressed as he spoke to 45 Southeast Missouri home economists Saturday during a Missouri Home Economics Association district meeting. The Rev. Mr. Eissfeldt explained that people will have fewer problems if they learn not to expect other people to solve their problems for them and if they can stop blaming others for their problems. (Daily Standard photo)

Births

BYRUM — Mr. and Mrs. Joseph R. Byrum, 833 Stanford Drive, are parents of their second child, first daughter, who was born at 6:50 a.m. Sept. 1 in Southeast Missouri Hospital. The girl weighed eight pounds 12½ ounces and has been named Susan Amy.

Mrs. Byrum is the former Barbara Marshall, daughter of Robert Marshall of East Prairie and the late Mrs. Marshall. Byrum, a switchman for Southwestern Bell Telephone Co., is the son of Mr. and Mrs. E. R. Byrum of Bertrand.

BIG K

By The Associated Press
HITTING—Jimmy Wynn, Dodgers, belted a grand-slam homer in the seventh inning to lead Los Angeles to a 7-1 victory over Cincinnati.

1- point losses mount for SHS Bulldogs

The Sikeston Bulldogs, who have had much more than their share of bad luck the last two years, dropped their third consecutive one- point decision Saturday night, 14-13, to the Irish of Lillis High School. The loss, coming in the 1974 season's first home game, dropped the SHS season record to 0-2 with the Dogs first conference contest coming up Friday evening at Perryville.

All week the Bulldog coaches had stressed the David and Goliath theme to their players, emphasizing the need of hard work and execution to overcome a big size deficit. And, when you sum up the night's work, head coach Terry Smith and his staff got the former (the work), but were beaten in the end by the latter. Six turnovers by the Bulldogs set the tempo for the error-plagued game and overshadowed some excellent defensive work by the Sikeston line.

While the contest was not basically good, it was ex citing. Both teams threw a bit and all four scores came through the air routes. As a matter of a fact, an errant handoff on a 2-point conversion try was all that cost SHS the victory. However, the visitors, themselves, had a 25-yard aerial strike called back in the fourth period.

With a good defensive charge, especially in the second half when Lillis was held to a minus- five rushing yardage, Sikeston was able to halt the Irish ground game. But , a 6-foot-8 inch receiver wearing a big numeral 89 on his jersey, proved to have too much reach for the SHS defensive backs. Michael Trigg caught only three balls on the night, but two went for scoring strikes of 54 and 44 yards from his quarterback Mike Friday.

On the other hand the Sikeston ground game was a bit more successful, but not much more consistent. Led by tailback Tom DeRoush's 73 yards, Sikeston ran for 156, but lost the pigskin four times on fumbles. And, for Sikeston as well, it was the passing game that provided the scores. Second- string (at least before the game) quarterback Ron Friday found split- end Joey Williams for t-d's of 18 and 14 yards, despite the fact that the Bulldog split end is a foot shorter and some 60 pounds lighter than Trigg.

A sadly disappointed coach Smith after the contest shook his head and said his team needed a winning attitude.

"We've got to regroup," he remarked, "... get our pride built up."

The three consecutive loss included a season- ending 27-26 loss to Union City, Tennessee last year and a 7-6 loss in the opener to Farmington this year. It's a trend that the Sikeston faithful hope doesn't continue.

There were some bright spots in the loss ...

"I thought Joey Williams caught the ball well, and Ron Friday threw the ball well. Friday played a good game at Quarterback" Coach Smith said.

Realizing that he was sounding depressed, the coach changed his tone, but not just for the reporter. There was undercurrent of determination in his voice when he said, "... but we're going to improve ... we're going to improve."

With added emphasis — "They're Sikeston Bulldogs and I'm a Sikeston Bulldog and we're gonna go out next week and try to beat Perryville!"

If, in the next five days, coach Smith does get through to his underexperienced, but plenty enthusiastic, players and they can eliminate the mental blunders, they could give a very tough Perryville Pirate team a good a game --- a real good game.

New Way Found To Stop Hair Loss, Grow More Hair

HOUSTON, Texas — If you don't suffer from male pattern baldness, you can now stop your hair loss . . . and grow more hair.

For years "they said it couldn't be done". But now a firm of laboratory consultants has developed a treatment for both men and women, that is not only stopping hair loss . . . but is really growing hair!

They don't even ask you to take their word for it. They invite you to try the treatment for 32 days, at their risk, and see for yourself!

Naturally, they would not offer this opportunity unless the treatment worked. However, it is impossible to help everyone.

The great majority of cases of excessive hair fall and baldness are the beginning and more fully developed stages of male pattern baldness and cannot be helped.

But, if you are not already slick bald, how can you be sure what is actually causing your hair loss? Even if baldness may seem to "run in your family," this is certainly no proof of the cause of YOUR hair loss.

Hair loss caused by sebum can also run in your family, and many other conditions can cause hair loss. No matter which one is causing your hair loss, if you wait until you are slick bald and your hair roots are dead, you are beyond help. So, if you still have any hair on top of your head, and would like to stop your hair loss and grow more hair . . . now is the time to do something about it before it's too late.

Loesch Laboratory Consultants, Inc., will supply you with treatment for 32 days, at their risk, if they believe the treatment will help you. Just send them the information listed below. All inquiries are answered confidentially, by mail and without obligation. Adv.

NO OBLIGATION COUPON

Cards increase lead

PHILADELPHIA (AP) — The National League East Championship apparently is going to be decided in the bullpen where the leading St. Louis Cardinals have a decided advantage over the runnerup Pittsburgh Pirates.

The point was driven home again Sunday as the Cardinals, with reliever Al Hrabosky rescuing them in the ninth, beat the Philadelphia Phillies 3-1. The Pirates, without the services of ace saver Dave Giusti, lost to Montreal 5-4.

The 25-year-old Hrabosky got the call with none out, Phillies at first and third, one run home and the Cards holding a precarious 3-1 lead. He bailed the Cards out by striking out Willie Montanez, Greg Luzinski and pinch-hitter Tony Taylor.

As a result, the Cardinals headed for Pittsburgh for a three-game series, 1 1/2 games ahead of the fading Pirates and six games in front of the allbut-mathematically dead Phillies.

Hrabosky was asked what he was thinking about when he replaced Mike Garman in the sticky ninth-inning situation.

"I thought to myself, 'I've got to get them out,'" Hrabosky recalled in the hilarity of the St. Louis dressing room. "If I blow it we're back in second. If I get 'em out the pressure is on them (the Pirates)."

Hrabosky had read the scoreboard, noting that Pittsburgh was leading Montreal at the time.

Pirates romp, 19- 7

STE. GENEVIEVE

Perryville traveled to Ste. Genevieve and came home a victor by the 19-7 winner over the weekend. The Pirates scored twice in the first quarter and once in the fourth. Darrell Niswonger scored on a six yard run in the first quarter and Bob Cissell scored on an 80 yard run. Perryville led 13-0 at the half.

Ste. Genevieve's Dave Armbuster scored on a one yard plunge in the fourth and Niswonger again scored for Perryville on a one yard play.

Mules kick hosts, 20-15

SPRINGFIELD — Coach Bob Price's Springfield-Glendale Falcons fell to the Poplar Bluff Mules 20-15 Friday night in their opening game of the season.

The Falcons Butch Caldwell busted over the one yard line early in the first qaurter for a six point lead. David Nevill kicked the extra point for a first quarter score of 7-0.

The only action in the second quarter was a fumble by Mike Moss for Poplar Bluff on the one yard line.

The Mule's Moss redeemed himself in the top of the third quarter with a one yard plunge. The kick following was missed. Springfield followed with a 22 yard run by Caldwell for a touchdown. Bob Talgge ran off tackle for the two point conversion.

Bluff quarterback John Casey shot for one yard and the third Mule touchdown during the second half. Casey passed to Jeff Jones for the two point conversion. With 15 seconds left in the fourth quarter

Casey ran a one yard off-tackle play for a 20-15 win for thee Mules.

The Mules are now 1-1 for the season with a loss going to Fox of Arnold last week.

Rebels blank Mizzou

JACKSON, Miss. (AP) — The Mississippi Rebels made southern hospitality a lethan weapon when they staged "Show Me" night for the Missouri football team.

The Rebels revealed almost everything a coach could want as they upset 18th-ranked Missouri 10-0 Saturday night.

Oft-injured quarterback Kenny Lyons was in his best form since 1971 as Ole Miss struck for a third period touchdown and a fourth period field goal.

Punter Greg Breland boomed them out at will, giving the Rebels a monopoly on field position and his mates showed aggressive play which produced two scoring pushes while throttling the Tiger offense.

"That was the cleanest opening game I have ever been associated with," said Ole Miss Coach Ken Cooper, frankly jubilant about winning in his debut as a head coach. "The entire team played super football."

The first half was a battle of defenses, with Ole Miss getting to the Missouri 30 in its deepest penetration and Missouri got to the Reb 39.

"I was a little concerned at the half that we kept on having good field position, but couldn't do anything about it," Cooper said. "Our halftime adjustments enabled us to have a more effective offense. That's the name of the game: being able to adjust."

"There's no question that we played against a fired-up Mississippi team," said Missouri Coach Al Onofrio. "Their kicking game kept us pretty well backed up all night."

Cooper agreed, "Greg Breland saved us. His punting was just a tremendous factor."

When the offense began clicking, it made up for lost time.

Lyons marched the Rebs 71 yards in 18 plays to score just before the final quarter bagan. He hit on four passes for 28 yards, including a fourth-andthree toss to flanker Rick Kimbrough on the Tiger 28. Lyons added three yards on three runs, one of them for a first down, and one for the touchdown.

The field goal came on a 21yard boot by Steve Lavinghouze after Ole Miss marched 45 yards to the Missouri 4. Lyons ran three times for 17 yards during the drive.

The Tigers kept the ball only six minutes 17 seconds in the second half and made only two first downs. Over-all, Ole Miss led 17-7 in first downs and 199118 in rushing yardage. In passing, Missouri completed four of 12 for 58 yards, with two interceptions, and Ole Miss completed six of 13 for 44 yards, with one interception.

Tiger tailback Bill Zeigler led runners with 76 yards on 15 tries while fullback Paul Hofer got 64 on 15 for Ole Miss.

Lyons did all the Rebel passing while Ray Smith and Steve Pisarkiewicz handled the chore for Missouri. Smith completed three of six for 49 yards with one interception.

Surprises in NFL

By THE ASSOCIATED PRESS

You can grade the National Football League's opening day D for defense.

Don't feel too sorry for the Miami Dolphins, 34-24 upset losers to the New England Patriots in their NFL opener Sunday. After all, the defending world champions did score three touchdowns and a field goal, and that's considerable more than some clubs managed on a day of defense-dominated openers.

Baltimore was shut out by Pittsburgh 30-0 and Atlanta was blanked by Dallas 24-0. St. Louis managed only one touchdown, but that was enough to whip Philadelphia, which managed only one field goal, 7-3. Four other clubs scored 10 points or less.

Cincinnati ripped Cleveland 33-7, Washington tagged the New York Giants 13-10, Chicago topped Detroit 17-9, Los Angeles beat Denver 17-10, Minnesota whipped Green Bay 3217, Houston downed San Diego 21-14, San Francisco shaded New Orleans 17-13 and Kansas City stopped the New York Jets 24-16.

The NFL's opening weekend concludes tonight with Buffalo facing Oakland in a nationallytelevised game.

Patriots 34, Dolphins 24

While the defenses ruled other games, Miami's didn't seem ready. Jim Plunkett picked the Dolphins apart for 177 yards and running backs Mack Herron and Sam Cunningham gained 88 and 87 respectively as the Patriots sprung their surprise on the Super Bowl champs. The 34 points were the most allowed by the Dolphins since 1971.

New England ran up a 31-10 margin and then held off a late Miami comeback. Larry Csonka scored two TDs for the Dolphins.

Cardinals 7, Eagles 3

Jim Hart's four-yard scoring pitch to Donny Anderson produced the game's lone touchdown as St. Louis defeated Philadelphia.

Redskins 13, Giants 10

Mike Bass returned an interception for one touchdown and then recovered a fumble to set up another in Washington's victory over the New York Giants.

49ers 17, Saints 13

New Orleans was leading 1310 with less than two minutes to play but punter Donnie Gibbs fumbled a snap and was swarmed under by five San Francisco defenders, turning the ball over to the 49ers.

On the next play, Sammy Johnson went nine yards for the winning touchdown.

Steelers 30, Colts 0

Pittsburgh fans were hooting quarterback Joe Gilliam during the first period when the Steelers' new signal caller managed only two completions for 12 yards.

But Gilliam erased the boos with two touchdown passes, gaining 257 yards through the air to lead Pittsburgh to its romp over Baltimore.

Cowboys 24, Falcons 0

Roger Staubach, returning to action from cracked ribs, passed for one touchdown and ran for another in Dallas' victory over Atlanta.

Chiefs 24, Jets 16

Kansas City intercepted Joe Namath four times with Marvin Upshaw and Emmett Thomas returning two of the thefts for touchdowns.

Rams 17, Broncos 10

Cullen Bryant returned a Denver kickoff 84 yards for a rally-killing touchdown that helped Los Angeles past the Broncos.

Oilers 21, Chargers 14

Houston won its first opener since 1970 and its first home game since 1972, beating San Diego on three touchdowns by George Amundson.

Vikings 32, Packers 17

Green Bay stayed with Minnesota for a while but turnovers eventually caught up with the Packers. The Vikings forced Green Bay to cough up the football four times and scored after three of the turnovers.

Charleston forms Little League

The Charleston Little League Football Program is currently engaged in a fund-raising drive to raise money for equipment and uniforms.

Boys participating in the program are selling decorative candles door to door in an attempt to raise $1,800 to cover the rest of the cost of the equipment. The four team sponsors; Jaycees, VFW, French Implement Co., and State Farm Insurance have each donated $300 dollars. The total cost of the equipment is $3000. The VFW has announced plans for a benefit Fish Fry to be at the Post home on Friday, Sept. 20.

Enough equipment has been purchased to equip 100 boys. At present 84 boys have signed up leaving space for another 16. If parents are interested in having their fifth and sixth graders participate in the program, they should call Herbert Marshall. Boys over 12 years of age are not eligible to join, redardless of their grade in school.

The league will start action Sept. 28 with two games each weekend. The first game will begin at 9 a.m. Saturday.

The second game will follow the first at 10:30 a.m.

Admission will be 50 cents for adults and 25 cents for children.

Central upended in opener

ST. LOUIS — Parkway West broke open a 7-7 deadlock with a pair of third quarter touchdowns and defeated Cape Girardeau Central 21-13 Saturday night.

Jim Heineman put the ST. Louis power on the board in the first quarter with a two yard plunge and Bob Schlegge kicked the extra point for a 7-0 lead.

The Southeast Missouri Tigers charged back with a second quarter seven point performance to send the game into a tie at half. David Gross hauled in a Eric Lee pass and sprinted 50 yeads for the score with Bob Gessert kicking the extra point.

Larry Doehle put Parkway West in the lead when he picked up a fumble and returned it 35 yards for a TD. Schlegge kicked the extra point for a 14-7 advantage. Ted Burns put the game out of reach with a 29 yard pass combination with Matt Harloe. Schlegge kicked the extra point.

Cape's final score came in the fourth period when Gross carried a Lee pass six yards. A two point conversion run failed.

Razorbacks shock Southern Cal.

"It was just like 1971," crowed fullback John Moran after the seventh-ranked Nebraska Cornhuskers flattened Oregon 61-7 Saturday.

"I'd like to think we could have a chance to be No. 1 just like Southern Cal did after they beat us in 1972," said Arkansas Coach Frank Broyles after his young Razorbacks shocked Southern Cal 22-7.

For those with short memories, Nebraska stomped Oregon 34-7 to start the 1971 campaign and went on to a second consecutive national championship. In the 1972 opener, Southern Cal trimmed Arkansas 31-10 and went on to win national honors. But for the Trojans, No. 5 in the latest Associated Press poll, the first weekend of 1974 was anything but similar to 1972.

Oregon boasted eight returning starters from the No. 2 defense in the Pacific 8 Conference last fall, but Nebraska exploded for 333 yards on the ground and 139 more through the air. Dave Humm accounted for all the passing yardage by completing eight of 12.

Meanwhile, Nebraska's famed "Black Shirt" defense limited Oregon to 191 yards over-all, held the Ducks without a first down until late in the second period and shut them out until the game's final four minutes.

The rest of the Top Ten teams all survived their openers, but for some it was rather hairy.

No. 1-ranked Oklahoma needed three touchdowns in the fourth quarter to dispose of Baylor 28-11, third-ranked Alabama stormed to a 14-0 lead and held off No. 14 Maryland 21-16, fourth-ranked Ohio State turned back Minnesota 34-19, No. 6 Michigan defeated Iowa 24-7 without quarterback Dennis Franklin, No. 8 Penn State used a late touchdown to beat Stanford 24-20, No. 9 Louisiana State crushed Colorado 42-14 and 10th-ranked Texas buried gBoston College 42-19.

Second-ranked Notre Dame opened last Monday night with a 31—triumph over Georgia Tech.

It was the first time the Trojans' offense had failed to score since 1967. Anthony Davis got their touchdown—and a temporary 7-7 deadlock in the first period—with a 100-yard kickoff return.

Arkansas' defense, led by linebacker Dennis Winston and safety Floyd Hogan, stifled Southern Cal's high-powered offense. Hogan set up 10 points with two interceptions and Winston dogged Davis' footsteps as the flashy tailback was held to 74 yards in 20 carries.

Oklahoma needed a 438-yard rushing effort, 156 in 17 carries by Joe Washington, to overcome four lost fumbles and eight penalties against stubborn Baylor.

Scoring jaunts of seven and 73 yards by Calvin Culliver gave Alabama its two-touchdown lead over Maryland but the Crimson Tide needed a fake punt and two fourth-period turnovers—a fumbled punt and a deflected interception—to hold off rugged Maryland.

Ohio State's Archie Griffin rushed for 133 yards against Minnesota and set a school record of 2,577. Quarterback Cornelius Greene, who ran and passed for 213 yards, sealed the triumph with a 57-yard gallop in the fourth quarter.

With Michigan's Franklin out with a virus, untested Mark Elzinga scored one touchdown and passed to Gil Chapman for another.

Heisman Trophy winner John Cappelletti wasn't around to barrel through opposing defenses, Penn State turned to new formations—Wing-T, Double Wing and a bunch of flanker reverses—to go with Coach Joe Patrno's standard I.

The Nittany Lions, however, did not overtake Stanford until a late 80-yard drive, climaxed by Woody Petchel's one-yard plunge with 2:19 left.

Texas quarterback Marty Akins was shaken up early against Boston College but Mike Presley stepped in and led the Longhorns to a 21-3 halftime lead by scoring at the end of a 95-yard march and setting up two other touchdowns.

Big Red defense shines

ST. LOUIS (AP) — The St. Louis Cardinals thought they'd seen the script before, but it had a different ending Sunday.

The National Football League club, beaten at the final gun by the Philadelphia Eagles in a 1973 meeting, turned the tables and held on to beat them 7-3.

"I don't how many times we've come down to the final minutes and wound up with nothing," remarked Cardinals quarterback Jim Hart, who threw a four-yard touchdown pass.

"It's good to do it to somebody else for a change," he noted. "We have to give all the credit today to the defense."

Penned up for three quarters, the favored Eagles set out as if to make final amends on a drive from their own 21 in the game'sfinal two minutes.

And, with Roman Gabriel's passes and Po James' runs heading the attack, they glided quickly to a first down at the St. Louis 9.

There, however, a Gabriel pass sailed into the hands of wide receiver Harold Carmichael in the corner of the end zone ly to be ruled out of bounds.

Gabiel on second down missed an aerial intended for Tom Sullivan and on third down was unable to hit Don Zimmerman beyond the goal.

On fourth down Gabriel again went to the 6-foot-8 Carmichael for what looked like the winning score, but cornberback Norm Thompson reached in to bat the ball away.

"Those passes drove me nuts," acknowledged Cardinals Coach Don Coryell, who had watched a final-second Gabriel peg to Zimmerman beat his team 27-24 last year.

'And we'd just missed a touchdown and a field goal," Coryell added. "Then they darn near drove all the way."

Manufacturing the Cardinal triumph was an 80-yard surge in the second quarter ignited by Hart after Tom Dempsey's early 44-yard field goal lifted the Eagles on top 3-0.

Hart whipped a 20-yard pass to fleet Mel Gray, Ken Willard twice ran for 11-yard gains and Donny Anderson hauled in a flat pass to cap an 80-yard drive.

Hart completed 13 of 27 passes for 192 yards.

The Cardinal defense nullified Gabriel's 23-for-39 passing by sacking him five times.

'Any time you can keep an NFL team from scoring a touchdown it's something," Hart noted appreciatively, "But when it's against someone like Gabriel it's extra."

"The game ball goes to the defense as a whole," Coryell said. "we're going to buy a trophy case somewhere and put it in there."

PHILADELPHIA (AP) — The Philadelphia 76ers announced Sunday they signed Walt Wesley, an eight-year veteran of the National Basketball Association who played last season with the Capital Bullets of Washington.

With the 29-year-old Wesley aboard, the 76ers now have 28 players on their roster. Seventeen will report to camp Monday for the season's opening training session at Ursinus College, with veterans coming Thursday.

Wesley, 6-foot-11, has a career total of 4,898 points in the NBA.

Today in U. S. History

By THE ASSOCIATED PRESS

By The Associated Press Today is Monday, Sept. 16, the 259th day of 1974. There are 106 days left in the year.

Today's highlight in history:

On this date in 1940, President Franklin Roosevelt signed the Selective Service Act, setting up the first peacetime military draft in U.S. history.

On this date —

In 1630, the village of Shawmut, Mass., changed its name to Boston.

In 1638, the future French king, Louis XIV, was born.

In 1850, slave trading was forbidden in the District of Columbia.

In 1862, the Civil War Battle of Antietam began in Maryland.

In 1945, after World War II, Japan surrendered Hong Kong to the British, and the Union Jack was raised over Government House in the crown colony.

Ten years ago: It was announced that a cease-fire had gone into effect in Yemen, endin a two-year civil war that had involved opposing forces from the United Arab Republic and Saudi Arabia.

Five years ago: Miss Angie Brooks of Liberia was overwhelmingly elected president of the 24th General Assembly of the United Nations.

One year ago: Democratic Senator William Mondale of Minnesota urged Congress to create a study commission to recommend methods to insure that the White House would be accountable to the American people and the Congress.

Today's birthdays: Actor Peter Falk is 47. Guitarist Charlie Byrd is 49.

Thought for today: Think wrongly, if you please; but in all cases think for yourself — Gotthold Lessing, German dramatist and critic, 1729-1781.

Principals to meet in Cape

Prayer for today

from the Upper Room

"Behold, how good and pleasant it is when brothers dwell in unity!" (Psalm 133:1)

PRAYER: Lord, when we start to go our own way, protecting ourselves from being hurt, help us to admit we need You and the fellowship of other believers. Amen.

CAPE GIRARDEAU — The President of the Missouri School Board Association and a prominent professor of education at St. Louis University will speak Wednesday at the ninth annual fall conference of the Southeast Missouri Secondary School Principal's Association at the Holiday Inn here.

Theme of the conference will be "Bridging the Communication Gap in the School Community."

Both the school board association president, Norman E. Wolff of Florissant, and the professor, Dr. Adolph Unruh, will focus on the relationship between the secondary school principal and the school board.

The meeting is jointly sponsored by the principals' group and the Division of Education and Psychology at Southeast Missouri State University. About 125 principals, supervisors, and directors of secondary education usually attend the conference, according to Dr. Willard J. Morgan, professor of education at Southeast Missouri State and advisor to the principals association.

Attendance could be larger this fall, however, because members of the association have been asked to invite their superintendents and school board members to the meeting.

The conference will begin with registration and a coffee hour from 9-10 a.m. At 10 Dr. Bill W. Stacy, associate professor of speech at Southeast Missouri State, will extend greetings from the university. A short business meeting will follow.

Wolff and Dr. Unruh will speak between 10:40 and 11:40 a.m. Following a luncheon, there will be small group discussions. Adjournment is expected about 2:15 p.m.

Richard A. Simpson, principal of Fox C-6 High School in Arnold, is president of the principal's association. Other officers are Clarence Wessel, principal of R-II Chaffee High School, vice president, and Lanny W. Barnes, principal of Central Junior High School in Cape Girardeau, secretary- treasurer.

Apples, Apples

In late April and early May a large, mature apple tree will produce between 50,000 and 100,000 blossoms, in clusters of five or six. If all the blossoms were to set fruit, the tree would produce as many as 800 bushels of small apples. Usually a mere 2 to 5 per cent of the apple blossoms set fruit that develops into maturity, yielding 15 to 30 bushels of apples.

Club members work for community

Members of the Marston Civic Improvement Club and Senior Citizens Club, who worked to secure funds for carpeting of the newly completed annex to the C. M. Barnes Community Center by cooking and selling tickets for a ham and bean dinner and supper served to 225 persons Thursday, from left, are Mrs. Mabel Denison, cook; Mrs. Rosa Fausett, second highest ticket seller; and Mrs. Gena Lee Tims and Mrs. Alma Mahar, cooks. Mrs. Inez Baldwin sold the most tickets, 47, and Mrs. Bobbie Williams also was a cook.

Barnes Community Center open house, dedication set

MARSTON — Dedication and open house programs Oct. 13 for the C. M. Barnes Community Center will highlight a successful cooperative improvement and expansion project spearheaded by the Marston Civic Improvement Club, Senior Citizens Club and city officials.

The newly completed expansion is an annex connecting the city hall and the community building. Both buildings were given to the city by the late C. M. Barnes, a prominent landowner whose family was among the early settlers in the city.

The city hall building has been in use for several years, but until city officials agreed to let the Civic Improvement Club use the community building, it had remained vacant and in disrepair.

A clean-up, fix-up campaign was initiated by the CIC. About that time the Senior Citizens Club was formed, and since many of the women are members in both organizations, the groups joined forces to renovate the buildings.

Walls were painted, kitchen facilities were installed and lineoleum floor covering laid. Increased membership and activities in both groups prompted action to enlarge and improve the facilities.

Funding of the expansion project has been 50 per cent by the city and 25 per cent by the CIC and Senior Citizens Club.

The new 60- foot by 20-foot air conditioned annex, which will be used as a meeting room for service clubs and organizations and the city council, features paneled walls, red velveteen draperies and will soon be fully carpeted.

A ham and bean dinner and supper Thursday sponsored by the CIC and Senior Citizens Club assured funds for this finishing touch.

The dedication program and open house for the public to view the new facility will follow a noon carry-in covered-dish dinner.

Madrid floodway report expected within a month

WASHINGTON, D. C. — A review of plans for the St. John's Bayou- New Madrid Floodway project is expected to be completed within a month.

Sen. Stuart Symington (D-MO) was advised of the decision by the Office of the Chief of Army Engineers, which is currently reviewing a district report on the project.

The plan, recommended by the district and division offices of the U. S. Army Corps of Engineers at Memphis and Vicksburg would include channel improvements, pumping stations and water control structures in Scott, Mississippi and New Madrid counties to provide needed flood control for 124,400 acres and fish and wildlife protection. The area that would be protected is some of the most productive farmland in America.

The total estimated cost of this project is $21,966,000 and is anticipated to return $2.20 in benefits for each dollar invested.

After review by the chief of engineers, the plan would be sent to the Secretary of the Army and the Office of Management and Budget for approval before being forwarded to the Congress for authorization and funding.

The study of the problems in the St. John's Bayou- New Madrid Floodway area was authorized by a resolution sponsored by Senator Symington and approved by the Senate Public Works Committee. The original report was prepared by the Memphis District office of the Corps of Engineers.

Car stolen; suspect held

NEW MADRID — A car belonging to City Marshal Virgil "Flip" Dees, which was stolen early Sunday morning from the driveway at his home on Highway 61 South, has been recovered and a 15- year-old Marston boy suspected of the theft is in custody.

Recovery of the car and the arrest by the highway patrol followed a high speed chase reportedly nearing 100 miles per hour on Interstate 55 in Pemiscot County. The driver lost control of the vehicle which ran off the road, across a ditch and stopped in a field.

Dees said the car was not damaged and that he was unaware that it had been stolen until he was notified by the patrol.

Some African tribes believe that magic can be worked against them if their footprints fall into the wrong hands.

Looking back

Water tower to be torn down

50 years ago
September 16, 1924

Mr. and Mrs. John Davis and son, Paul, of East St. Louis, arrived Saturday for a visit with the E. J. Malone family.

Mr. and Mrs. C. L. Malone were visitors in St. Louis several days of last week.

The following enjoyed the weekend camping at Wahite: Misses Myra and Burnice Tanner, Ruby Evans, Marjorie Smith, Shy, Helen Grojean, Caldwell, Lois McCord, and Coach Lingle, A. C. Barrett, Jean Hirschberg, Dr. McClure, Butler, Harmon, Byron Bowman, Roger Bailey, Mr. and Mrs. Ernest Arterburn, and Dr. and Mrs. W. A. Anthony.

Mr. and Mrs. Scott Alexander of Charleston were over Saturday and Sunday for a visit with their daughter, Mrs. Jos. L. Matthews, and family.

40 years ago
September 16, 1934

P. D. Malone left Monday and David Keasler on Sunday, both for Cape Girardeau, where they enrolled as students at Southeast Missouri State Teachers College.

Mrs. Elodie Sheppard entertained with a dinner Sunday complimenting Miss Lavinia Moll, who on Monday celebrated her birth anniversary.

Z. W. Killgore and Charles Allen Cook left Saturday for Fayette, where they will attend Central College this winter

Ed Grooms of Bertrand died Sunday of injuries which he sustained when the Ford roadster he was driving ran into a small concrete bridge, three miles west of Charleston late that same afternoon.

30 years ago
September 16, 1944

Lt. Allan L. Swaim, after 22 months of overseas duty in North Africa and Italy, is back home on leave. He is the son of A. L. Swaim of Sikeston.

Miss Betty Ann Northington, daughter of Mr. and Mrs. Wm. Northington, left Wednesday for Athens, Ga., where she will stay with her aunt, Mrs. Ruth Welman, and attend school.

Bill Wagner, son of Mr. and Mrs. R. H. Wagner, left Monday for St. Louis, where he will take his physical examination for the Navy.

Mrs. Oren Nix and daughter, Jane, left Tuesday for Brady, Tex., where they will join their husband and father, Capt. Oren Nix, who was transferred there several months ago.

20 years ago
September 16, 1954

Word has been received here from the University of Missouri, that Fielding Potashnick, son of Mr. and Mrs. Gene Potashnick, 107 W. Gladys street, has assumed the duties of president of the Student Government Association at the University, succeeding Jerald Lee "Jerry" Reeves, the elected president, who has been called for induction into the armed forces this fall.

Charleston -- James H. Cogdill, 68, of Deventer, died at his home Tuesday, following an illness of a few days caused by a stroke and heart ailment.

Charleston-- James Hardin Hill, 85, a resident of Hornersville since 1938, died Monday in St. Mary's Hospital, Cairo, where he had been a patient for more than three years. His death was caused by a stroke.

Another link with the past and days when trains belched dense clouds of smoke as the straining engines hauled their long lines of cars through the city is giving way to progress. The watertank that was erected way back in the days when the old Cairo, Arkansas and Texas Railroad came through town to later become the Missouri Pacific Lines, is being torn down. For years it has been standing at the edge of Malone avenue, across from the present Kroger store, but of late months its only usefulness seems to have been to drip water onto the pavement and serve as a reminder of days that have gone. It was built immediately after the Civil War, almost 90 years ago.

Mrs. Frank Miller has assumed duties as a member of the faculty of the Jackson schools, which her son, Bryan, will also attend. Mrs. Miller plans to keep her residence in Sikeston however, and will spend weekends here.

We wish to announce that Mr. P. J. Ponder, jr., who for the past nine years was manager of the J. F. Cox Motor Co., is now associated with our company in the new and used car and truck sales department. Mitchell- Sharp Chevrolet Co.

MINEOLA, N.Y. (AP) — A study by the Nassau County Department of Public Works indicates that traffic lights are no guarantee against accidents.

Comparing accident rates at 26 intersections before and after installation of traffic lights, the researchers discovered there had been 154 accidents in a two to three year period before, and 157 after. Injuries increased from 83 to 95 and fatalities dropped from three to two.

NOTICE OF
TRUSTEE'S SALE

For default in the payment of interest and principal now due as provided by the note secured by the deed of trust, executed by Luther J. McClure and Pauline M. McClure, his wife, dated July 24, 1972, recorded in Book 182, Page 405, in the Office of the Recorder of Deeds of Scott County, Missouri, at Benton, conveying to Dwight Crader, Trustee for Schumacher Mortgage Company, Inc. of Memphis. Tennessee, A part of Lot Numbered Six (6) of Lillian A. Smith Addition East of Sikeston as shown in Plat Book 6 at page 5A in the Recorder's Office of Scott County, Missouri and described by metes and bounds as follows: Commencing at the Northwest Corner of said Lot Numbered Six (6), thence South on and along the West line of said Lot Numbered Six (6) a distance of 85.7 feet to the point of beginning; thence continue South on and along the said West line of said Lot Numbered Six (6) a distance of 94.3 feet to a point; thence in an Easterly direction along a line parallel with the North line of said Lot a distance of 232.7 feet to a point on the East line of said Lot Numbered Six (6), thence North on and along the East line of said Lot a distance of 94.3 feet; thence West along a line parallel with the North line of said Lot a distance of 232.7 feet to the poin of beginning, the entire unpaid debt secured by said deed of trust having been declared due by the holder thereof; and whereas, said deed of trust provides for the removal of said trustee and the appointment in writing of a successor trustee; and whereas, said trustee has been removed and Kenneth L. Dement has been appointed in writing as successor trustee; the said successor trustee will at the request of the legal holder of said note, on Monday, September 23, 1974, between the hours of 9:00 o'clock A.M. and 5:00 o'clock P.M. at the East front door of the Scott County Courthouse in Benton, Missouri, sell said real estate at public vendue to the highest bidder for cash, to satisfy said debt and costs.

TRUSTEE'S SALE

WHEREAS, Willie R. Staggs, a single person and Betty S. Staggs, a single person, by a certain Deed of Trust dated the 5th day of January, 1974, and recorded in the office of the Recorder of Deeds for the County of Scott and the State of Missouri, in Book 192, Page 567, conveyed to the undersigned Trustee the following described real estate situated in the County of Scott and State of Missouri, to wit:

All of Lot Numbered Eight (8) in Block Numbered One (1) of McClure's Sub- Division as Re-Plated, in Sikeston, Scott County, Missouri, as shown in Plat Book Number Eight (8) at Page Number Fourteen (14) thereof, in the office of the Recorder of Deeds of said Scott County, Missouri.

Reference is also given for Deed of Trust recorded in Book 192 at Page 191.

Which conveyance was made to the undersigned in trust to secure the payment of a certain Promissory Note in said Deed specified; and

WHEREAS, said note is now past due and remains unpaid default having been made in the payment of said note.

NOW, THEREFORE, at the request of the legal holder of said Note and in pursuance of the conditions of said Deed of Trust, the undersigned Trustee will sell the property above described at public vendue to the highest bidder for cash at the Main front door of the Circuit Court House in the City of Benton, Scott County, Missouri, on October 8, 1974, between the hours of 9:00 A.M., for the purpose of satisfying said indebtedness and the cost of executing this trust.

September 16, 23, 30, and October 7.

Roberts T. Williams
Trustee

Deaths

EURTLE RALPH DUKE

BLOOMFIELD — Services for Eurtle Ralph Duke, 60, who was accidentally killed Friday at the Swift and Co. processing plant in Dexter, were conducted at 2 p.m. Sunday in Chiles- Cooper Funeral Home by the Rev. Elmer Cates.

Burial was in Bernie Cemetery.

He is survived by his widow, Roma White Duke; two sons, Dennis Duke of Torrance, Calif., and John Duke of the home; one daughter, Denola Duke of the home; his mother, Artie Duke of Wichita, Kan.; one brother, Leonard Duke of Clarksville, Ark.; three sisters, Inice Broomfield of Clarksville, Ark., Jean Hunt of Wichita and Pat MacElroy of San Antonio, Tex.; and two grandchildren.

FRANCES M. SLATEN

CAPE GIRARDEAU — Mrs. Frances Marie Slaten, 56, formerly of Sikeston, died at 3 p.m. Sunday in Lucy Lee Hospital at Poplar Bluff.

Born June 26, 1918 at Blytheville, Ark., she was the daughter of the late Vernon and Dora Mullis.

On Oct. 27, 1939, she married Ben Slaten, who survives.

Also surviving are two sons, Max Slaten of Sikeston and Danny Slaten of the home; two daughters, Mrs. Benna Kay Johnson of Caruthersville, Mrs. Jennifer Leah Moseley of Sikeston; one sister, Mrs. Dorothy Gentry of Sikeston; one brother, Juliah Mullis of Caruthersville; and five grandchildren.

Friends may call at Nunnelee Funeral Chapel in Sikeston, where services are scheduled at 2 p.m. Tuesday. Manly Luscombe, minister of Shady Acres Church of Christ, will officiate.

Burial will be in Memorial Park Cemetery.

ARTHUR KNIGHT

ESSEX — Arthur Knight, 70, a retired farmer, died Sunday at Dexter Memorial Hospital.

He was born Aug. 15, 1904 at Gray Ridge to the late Andy and Katherine Knight.

On May 23, 1941, he married Laura Ellen Niederstadt, who preceded him in death Feb. 12, 1962.

Other survivors include one son, Bill Knight of Chester, Ill.; one daughter, Vickie McCollum of Bloomfield, one stepdaughter, Sue Wisemore of Gary, Ind.; two stepsons, Holland Niederstadt of Buckeye, Ark., and Chester Niederstadt of Essex; and nine grandchildren and six great-grandchildren.

Services are scheduled at 1 p.m. Tuesday in Watkins and Sons Funeral Home at Dexter with the Rev. Ray Duffey officiating.

Burial will be in Essex Cemetery.

CHESTER CLARK

ESSEX — Chester Clark, 78, died at 3:40 a.m. Saturday in Missouri Delta Community Hospital at Sikeston.

He was born Dec. 4, 1895 in Greensboro, Ill., to the late Andy and Harriet Wheeler Clark and was a member of the General Baptist Church.

On Sept. 9, 1916, he married Ann Tucker, who survives.

Other survivors include one stepdaughter, Wilma Lemons of Dexter; one half brother, Ernest Wheeler of Gray Ridge; one sister, Mary Clark of Peoria, Ill.; and four grandchildren and 10 great-grandchildren.

Services were conducted at 2 p.m. today in Watkins and Sons Funeral Home in Dexter by the Rev. W. R. Elledge.

Burial was in Essex Cemetery.

JOHN A. HILL

John A. Hill, 89, of 615 Daniel St. died at 6:45 p.m. Saturday at his home.

Born Feb. 15, 1885 in St. Joseph, Tenn., he was the son of the late William and Sally Hill.

On May 6, 1909, he married Etta Wiley, who survives.

Also surviving are two sons, Ira Hill of Sikeston and Jim Hill of Louisville, Ky.; five daughters, Mrs. Amy Vest of New Albany, Miss., Mrs. Wilma Kelley of Jerusalem, Ark., Mrs. Imo Throop and Mrs. Emogene Dollar of Sikeston; and Mrs. Ola Kelley of Gray Ridge; one brother, Luther Hill of Sand Springs, Okla.; one sister, Mrs. Ada Thompson of Weatherford, Okla.; and 26 grandchildren and 25 great-grandchildren.

Services were conducted at 2 p.m. today in Nunnelee Funeral Chapel with Manly Luscombe, minister of Shady Acres Church of Christ, officiating.

Burial was in Memorial Park Cemetery.

Pallbearers were Paul Dollar, David Dollar, Eddie Throop, Mark Throop, John Vest and Jimmy Vest.

ED BRANUM

Ed Branum, 66, of 410 E. Gladys St. died Saturday at 1:30 a.m. in Missouri Delta Community Hospital.

Born Feb. 16, 1908 in the Farrenburg community, he was the son of the late John and Clara Branum and was a retired employe of the Sikeston Board of Municipal Utilities.

He is survived by his widow, Willie Irene Branum; one son, Howard Branum of Jonesboro, Ga.; two daughters, Mrs. Laquitta Denton of Crystal Lake, Ill., and Mrs. Patricia Kelly of Goetpingen, Germany; two sisters, Mrs. Izetta Weeks of Bell City and Mrs. Virginia Ragland of Detroit, Mich.; and five grandchildren.

Services were conducted at 2 p.m. today in First Church of the Nazarene by the Rev. Eldon Russell.

Burial was in the Sikeston City Cemetery with Nunnelee Funeral Chapel in charge of arrangements.

Pallbearers were Eural Hinton, Curtis Cline, Luther Campbell, Bill Blackburn, John Scarbrough and Clyde Launius.

NATHAN BELL

DORENA -- Services for Nathan "Love" Bell, 75, who died Thursday at his home, are scheduled at 1 p.m. Tuesday in Macedonia Baptist Church with the Rev. James Crook, pastor, officiating.

Burial will follow in Oak Grove Cemetery near Charleston.

Friends may call tonight at Sparks Funeral Home in Charleston.

WILLIE KINCADE

CHARLESTON (Special) — Services were conducted at 10 a.m. Friday for Willie Kincade, 39, who died Sept. 9 at Chapel Hill, N.C.

Burial was in Oak Grove Cemetery near Charleston.

CORA BENTHOL

PORTAGEVILLE — Mrs. Cora Benthol, 73, died Sunday in Pemiscot County Memorial Hospital in Hayti.

She was born Feb. 14, 1901 in Leeper, to the late George and Cora Hooten Hesley. In 1945 she was married to Enis Benthol, who died Dec. 5, 1962.

Survivors include two sons, John Driver of St. Joseph, Mich., and Edward Mitchell of Elkhart, Ind.; two daughters, Violet McBride of Flint, Mich., and Mary Blair of Houston, Tex.; two sisters, Viola Beard and Jewell McFaden of Leeper and 22 grandchildren and 13 great grandchildren.

Services are scheduled at 2 p.m. Tuesday in DeLisle Funeral Home with the Reverend Royal Roberts officiating. Burial will be in Portageville Cemetery.

by residents in March 1971, with the remaining cost being funded through the environmental development agency.

In addition to the treatment plant, a 200,000-gallon elevated storage tank was constructed at a cost of $112,800, and $231,083 was spent on the water distribution system.

As part of the distribution system, 2.8 miles of 12, 10, 6 and 4 3/4 inch pipes were laid, along with the installation of 1,177 water meters, additional fire hydrants and other miscellaneous items.

A 500- gallon per minute water supply was driven, to be used with the existing 800- gallon per minute well, at a cost of $13,788.

In the sanitary sewer program, 1.4 miles of eight and six- inch pipes have been installed, along with two lift stations, manholes and service wyes at a cost of $129,218. Also, 1.2 miles of 24, 30 and 36- inch concrete pipes were installed along Shannon, Folk, Ramsey and South Martin streets in the storm sewer project. This cost $65,531, with 50 per cent of the installation being done by the city and the remaining work being contracted.

The City Council has indicated that $27,255 of interest earned on bond issue money will be used to correct problems with the main lift station at the intersection of North and Williams streets.

See pictures on page 3 of today's Daily Standard.

Rock thrown at police car

PORTAGEVILLE — Police officer Roy Hurley reported someone hurled a three- pound rock through the back glass of a police car at 3:40 a.m. Sunday while he was driving south on Interstate 55 just off Highway 162 East. Hurley was not injured.

2 fined $100

EAST PRAIRIE — Two persons were arrested over the weekend on driving while intoxicated charges. Paying fines of $100 each were Virgil Coke of St. Louis and Roy Patrick of East Prairie.

A charge of careless and heedless driving brought a $25 fine to Ernest Christian. Paying $15 fines each on speeding charges were N. B. Key and Dennis Humes. Fines of $10 each were paid by John Ruper, Joe Sorrells, Roger Brooks and Lepha Roberts on speeding charges.

Illegal parking charges brought $2 fines each to H. L. Lewis, J. L. Emory and Herbert Chappell.

Con't from page 1

and Griffin acknowledged that some congressional leaders at the meeting voiced opposition to Ford's action.

The President also provided for a new type of military discharge, a clemency discharge, that would go to military personnel who satisfactorily participated in the clemency plan.

In a proclamation and accompanying the executive order establishing the program, Ford did not specify the precise kinds of alternate service that would be required.

But the White House press office said there would be a ban on jobs "for which there are more numerous qualified applicants than jobs available." The press office also said pay would compare reasonably with that of men or women entering military service.

Young Americans who fled to other countries to avoid military service would be granted a 15-day grace period after re-entering the country before they would have to report appropriate authorities.

All participants in the program would have to acknowledge allegiance to the United States.

Those who shun the program or do not satisfactorily complete their part of the clemency offer would be subject to prosecution.

Ford, in explaining his move, said in the proclamation:

"In furtherance of our national commitment to justice and mercy these young Americans should have the chance to contribute a share to the rebuilding of peace among ourselves and with all nations. They should be allowed the opportunity to earn return to their country, their communities and their families, upon their agreement to a period of alternate service in the national interest, together with an acknowledgement of their allegiance to the country and its Constitution."

Ford described desertion in wartime as a "major, serious offense" and draft evasion as "a serious offense."

"Reconciliation among our people does not require that these acts be condoned," he added. "Yet, reconciliation calls for an act of mercy to bind the nation's wounds and to heal the scars of devisiveness."

Officials said approximately 15,500 draft evaders are potentially eligible for clemency. Of these about 8,700 already have been convicted, an additional 4,350 are under indictment and 2,250 are under investigation.

Of those under indictment, 4,060 are listed as fugitives and an estimated 3,000 of them are in Canada.

Officials said 130 persons are presently serving prison sentences for draft evasion and presumably are eligible for release pending reviews of their cases by the clemency board.

The officials said some 500,000 incidents of desertion falling within the scope of the clemency program were recorded during the Vietnam war. They said approximately 12,500 deserters are still at large with about 1,500 of them in Canada.

About 660 deserters are now serving sentences or are awaiting trial.

The President's proclamation specified that evaders or deserters wanted on charges other than those associated with avoidance of military service might be forced to have the other charges disposed of before clemency would be considered.

For draft evaders, Ford said the 24-month service period "may be reduced by the attorney general because of mitigating circumstances."

unable to run tests on the youth, Coach Vickers said.

He was born Aug. 5, 1958 at Albuquerque, N. M.

He was a member of First United Methodist Church and a president of the Junior class at Chaffee High School.

A member of the Varsity Club, he lettered in football and basketball during 1973. He was also a member of the Order of the Arrow in Boy Scouts, the high school French Club and the 1974 Junior Babe Ruth League state championship team in baseball.

In addition to his parents, he is survived by one brother, Steven Anthony Whitaker of the home; paternal grandmother, Mrs. Mary Whitaker of Chaffee; and maternal grandparents, Mr. and Mrs. I. W. Fuge of Hartville.

Friends may call after 6:30 p.m. today at Amick-Burnett Burnett Funeral Chapel.

Services are scheduled at 10 a.m. Wednesday in First United Methodist Church with the Rev. Richard Combs, pastor, officiating.

Burial will be in the Hartville Cemetery.

Garrison served murder warrant

CORINTH, Miss. — Alcorn County Sheriff, Ralph Lambert, served Dr. Norman Garrison with a Dunklin County, Missouri murder warrant at 9:15 a.m. today. The warrant charged Dr. Garrison with first degree murder Sept. 8 in the death of his ex-wife, Lee Ann Garrison.

Dr. Garrison appeared before justice of the peace Jerry Moore and posted $10,000 bond at 9:25 a.m.

John Hopkins, attorney for Dr. Garrison, said Sheriff Lambert would return the warrant to Dunklin County sheriff Raymond Scott today.

"We have heard nothing," Attorney Hopkins said when asked about the extradition hearings.

The warrant was not served last week when Sheriff Scott and Missouri State Highway Patrol Sgt. Don Shelton were in Corinth as part of their investigation into the murder.

Stoddard candidates file expense reports

BLOOMFIELD — Campaign expenses of $1,906.45 were reported by Stoddard County Democratic primary election candidates, and a $25 filing fee was expended by one Republican candidate, according to reports filed in the office of Ethel Crites, Stoddard County recorder of deeds.

Expenses reported by challenged candidates include:

Freida Lee of Dexter, $556.95, candidate for recorder of deeds. Her opponent, Murlin Phillips of Bloomfield, had not filed an affidavit as of Friday.

Ermer Garner of Bloomfield, candidate for presiding judge, $329.10. His opponent, Bob Blair of Gray Ridge, has not filed his expenses.

Darrel Roberts of Bloomfield, $399, and Jack Ward of Avert, $267, candidates for associate judge of the first district. A third candidate, Charles M. Jones of Puxico, has not filed his expenses.

Darla J. Grossman of Dexter, $99.11, and Harold E. Snider of Pyle, $119.96, candidates for second district associate judge.

Unopposed candidates and expenditures reported include:

Jimmie B. Trammell of Dexter, candidate for probate- magistrate judge, none; Gary Dowedy of Dexter, candidate for surveyor, $25 filing fee; John Marvin Capps of Dexter, candidate for county clerk, $25; filing fee; and Charles R. Corbin of Dexter, candidate for clerk of the Circuit Court, $35.10.

The only Republican candidate filing a report on campaign expenditures is Koss W. Blomeyer, candidate for probate- magistrate judge, $25 filing fee.

Jerry T. Howard of Dexter, Democratic candidate for state representative from the 157th District, reported an expenditure of $700.40, and a committee, Missourians for Howard, reported expenses of $1,160.

Pat O'Brien of Bloomfield, Democratic candidate for U. S. senator, reported expenses of $3,595.86.

Verlan Beacham of Bernie, Republican candidate for state representative from the 157th District, reported an expensiture of $592.89.

Citizens band radios stolen

NEW MADRID — Two citizens band radios were reported stolen sometime Saturday night, according to City Marshal Virgil "Flip" Dees, who said one radio was taken from a truck belonging to Hal E. "Buck" Hunter III while it was parked at his home on Sycamore Street. The other was removed from a vehicle owned by Sam L. Hunter Jr. while parked at his home at 951 Scott St.

Football injury fatal to youth

CHAFFEE — Mark Ronnie Whitaker, 16, a Chaffee High School football player, died at 8 p.m. Sunday in Baptist Memorial Hospital at Memphis, Tenn., after being knocked unconscious in the school's season-opening football game Friday night.

Whitaker, a junior tailback, suffered a massive blood clot at the base of his brain early in the fourth quarter of the game won by St. Vincent of Perryville, 27-21.

He was the son of Mr. and Mrs. George R. Whitaker of Chaffee.

Chaffee Coach Charles Vickery said young Whitaker suffered the injury while he was tackled while carrying the ball on an option sweep around right end. According to Vickery, Whitaker was unconscious when he went onto the field to his aid and did not regain consciousness.

Whitaker was first taken to Chaffee General Hospital and later transferred to Memphis at 2 a.m. Saturday.

Because of his condition doctors at Memphis were

Ford proclaims amnesty policy

WASHINGTON (AP) — President Ford proclaimed a clemency program today for thousands of Vietnam war deserters and draft resisters "in furtherance of our national commitment to justice and mercy."

A key feature of the program would require deserters and draft evaders to spend up to 24 months in low-paying jobs judged to promote the "national health, safety or interest." There would be no minimum time period for "alternate service jobs" and reductions from the 24 months service period would be dependent on military service records and "other mitigating factors."

All those wanting to accept the amnesty opportunity would have to turn themselves in before Jan. 31. Draft evaders would report to the United States attorney where an offense was committed and deserters would report to appropriate military commanders.

Ford also set up a nine-member Presidential Clemency Board to handle the cases of those already convicted of draft evasion or absence from military service.

"The board has been instructed to give priority consideration to individuals currently confined," the White House press office said in a fact sheet. "The President also has asked that their confinement be suspended as soon as possible, pending the board's review."

Ford briefed Republican and Democratic leaders of Congress before making details of the clemency program public.

"It is not amnesty," House Republican Leader John Rhodes said after the briefing. "It sets forth a mechanism under which these young men can rehabilitate themselves ..."

Senate Republican Whip Robert Griffin of Michigan said most participants in the briefing were pleased with the make-up of the clemency board.

However, both Rhodes

See No. 2, page 14

Police report four robberies over weekend

Police today are investigating four thefts which occurred over the weekend.

Dale Keith, Box 163, Vanduser told police Saturday that while he was at King Arthur's Lounge, 207 E. Center late Friday night, someone broke into his car.

He said high standard .22 caliber revolver, valued at $58, and a brown and white plaid, size 40 coat, value at $25, were stolen.

He said when he arrived at King Arthur's he parked his car by another car, which was some distance from any other vehicles. When he returned the other car was gone.

A stereo player and speakers valued at $90 and a tape valued at $6 were taken from the Dog House at Sikeston High School football field sometime Friday night.

Police said entrance was gained through a west window, which had been broken out that leads to the storage room. A window in a dressing room was also broken.

Another burglary occurred after 8 p.m. Sunday at Lindsey's Service Station, 808 W. Malone.

Taken in the theft were 19 cartons of assorted cigarettes, $1.50 in pennies, a rain coat and a poncho.

Entrance was gained by breaking out a window.

The robbery was discovered this morning when Grover Lindsey, the owner, opened the station for business.

Money and food were taken during a robbery at the Cream Castle, 801 W. Malone, which occurred sometime Sunday night.

Entrance was gained through the rear door.

The burglary was discovered by an employe this morning when she opened for business.

Stoddard fair opens tonight in Dexter

DEXTER — The Dexter Jaycee Stoddard County fair will begin tonight and continue through Saturday at the fairgrounds east of the city on Highway 114.

This week's schedule of events:

Monday, opening day; Check in hogs until 7 p.m. 6 p.m., parade down Stoddard Street. Prizes for floats will be first place, $100, second, $50 and third, $25. 7 p.m. grand opening with Rose City Rides on the Midway.

Tuesday, Merchants Day, 11 a.m. to 5 p.m., home economics and 4-H entries will be accepted (except for prepared foods, and fresh flowers which should be entered on Wednesday), 7:30 p.m. Garden Tractor Pull.

Wednesday, 7 p.m. tractor pull; 8:30 a.m., field crop entries accepted, judging of all home economics exhibits, (4-H open class and homemaking girls); 11 a.m. to 3 p.m., entries made for prepared foods and fresh flowers.

Thursday, 9 a.m. 4-H Home Economics and Art Exhibits open for public viewing; 10 a.m., closing time for all field crop.

Saturday, Dexter Homecoming Day, check out cattle until 7 p.m.; 9 a.m. all exhibits open to the public and last day to see the livestock and home economics exhibits. 2 p.m., checking out of field crop entries (not responsible for entries left after 4 p.m.); 2 p.m. to 4 p.m., check out of home economics; and 7:30 p.m. State Pony Pull.

Evans named manager of new Charleston industry

Lewis M. Evans has been appointed manager of the MidContinent U.S. operation of Argo International Corporation which opened today with headquarters in Charleston, company president James Forte announced.

Evans moved to Charleston from New Jersey in March 1974.

He has a degree in electrical engineering from Cooper Union Institute of Technology in New York and is licensed to practice engineering in New York, New Jersey and Missouri.

He is a member of the American Society of Mechanical Engineers, the National Society of Professional Engineers and the Institute of Electrical and Electronic Engineers.

Lewis M. Evans

Evans has been employed by Worthington Co., a subsidiary of Argo International Corp., for many years where he has served as foreman of the Diesel engine testing department, served in the general sales department and was manager of the engineering contracting and marketing development for the Pioneer Products Division.

He served in the Corps of Engineers during World War II and is co- inventor of the Worthington Jet Drive Catamaran vessel "Mop-cat."

Argo International is a world wide supplier of industrial and marine products with its main headquarters located at 140 Franklin St. in Manhattan, N.Y.

Open house held at plant

EAST PARIRIE — Open house at the city's new water treatment facility, located near the end of Cutliph Street, was held Saturday from 10 a.m. to 3 p.m. City officials, the plant operators and C. R. "Bud" Waters of Sikeston, engineer of the project, were present to show visitors through the plant and to answer questions.

The plant, completed in February, at a cost of $266,455 is part of the city's complete water, sanitary sewer and storm sewer project. Cowen Construction Co. of Sikeston built the concrete block structure, and Bridger Plumbing and Heating of Sikeston did the pipe work. Engineer for the entire project is Waters and Associates of Sikeston.

The treatment plant, operated on two 10- hour shifts by Darrell Williams and Roy Howeltt, is semi-automatic and capable of filtering over one million gallons of water every 24 hours.

The process of filtration, controlled by a push- button control panel, consists of adding chlorine, potassium permangenate and caustic soda to the water to clean out all iron and manganese. More chlorine is then added to the filtered water at the end of the process.

The largest amount of water used by residents since the plant was put into operation was on July 21 when a total of 1,154,000 gallons was consumed. In February, shortly after the plant opened, the maximum use was 351,000 gallons.

Total cost of the entire water improvement project was $818,875. A bond issue for $425,000 was approved

Stoddard royalty chosen

DEXTER — Both the Little Miss and Miss Stoddard County titles were captured by Richland royalty Saturday night, when Rhonda Peters, 16- year - old daughter of Mr. and Mrs. Pearl Peters of Gray Ridge won the title of Miss Stoddard County and Kerri Gisi, five year old daughter of Mr. and Mrs. Larry Gisi of Essex, captured the crown of Little Miss Stoddard County.

Rhonda is the 1974 Miss Richland and Kerri is an attendant to Little Miss Richland.

First attendant to Miss Stoddard County was Patty Hodge, 16- year - old daughter of Mr. and Mrs. J. D. Hodge and an attendant to Miss Puxico. Jamie Walker, 16, daughter of Mr. and Mrs. James Walker won second attendant. Jamie is the 1974 Miss Bloomfield.

Attendants to Little Miss Stoddard County were, Little Miss Richland attendant Machelle Reinhart, three-year - old daughter of Mr. and Mrs. Max Reinhart and Cheryl Ann Lowery, 5, daughter of Mr. and Mrs. Leo Lowery, and an attendant to Little Miss Puxico.

The contest was sponsored by the Dexter Jaycee Wives. The new Stoddard County royalty will reign over the Stoddard County Fair, scheduled for Sept. 16- 21.

Miss Stoddard County

Rhonda Peters, center, 16- year - old daughter of Mr. and Mrs. Pearl Peters of Gray Ridge, won the title of Miss Stoddard County in the annual contest held Saturday night in the Dexter High School auditorium. Patty Hodge, left, 16- year - old daughter of Mr. and Mrs. J. D. Hodge of Puxico, was named first attendant Jamie Walker, 16- year - old daughter of Mr. and Mrs. James Walker of Bloomfield is second attendant. (Daily Standard photo)

Sikeston man killed in accident

An elderly Sikeston man and a Braggadocio woman were killed and eight persons were injured in three area accidents over the weekend, the highway patrol announced today.

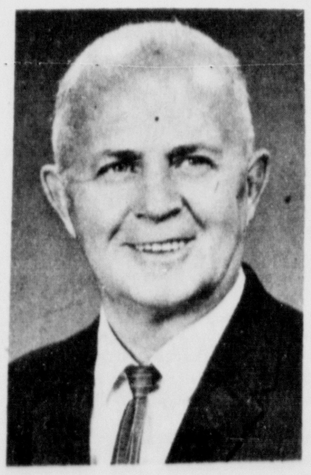
Loy N. Roberts, 73, of 411 Kendall St. was killed at 4:15 p.m. Saturday in a two-car accident on Highway 60 three miles west of Sikeston.

The highway patrol said the accident occurred when the Roberts car, headed north on Brown Spur Road (Route FF) failed to yield the right of way and was struck by a car driven east on Highway 60 by Katherine May Whitehead, 23, of Cape Girardeau.

The patrol reported that Roberts was thrown from his car by the impact.

Born Feb. 10, 1901 in Polk County, Ill., he was the son of the late William N. Roberts Sr. and Cerilda Gullett Roberts.

He owned and operated Roberts Grocery for many years in Sikeston and later owned Roberts Nursery until his retirement in 1963.



Loy Roberts

Surviving are one son, Gary L. Roberts of Ft. Lauderdale, Fla.; one daughter, Mrs. Betty Jo Ryan of Homestead, Fla.; one sister, Mrs. Vera Roberts Kochel of Canalou; and seven grandchildren.

Services were conducted at 2 p.m. today in Bill O'Guinn Funeral Home by the Rev. Fred Ritter, pastor of the Canalou Baptist Church.

Burial followed in Matthews Cemetery.

Six passengers in the Whitehead car, Nancy Whitehead, 15, Virgie Whitehead, 13, David Whitehead, 8, Natalie Whitehead, 6, and Jonathon Whitehead, 4, of Bernie, and Deanna Whitehead, 11, of Bertrand, received minor injuries and were taken to Missouri Delta Community Hospital.

Carol Sue Machneia, 27, of Braggadocio died at 2:30 p.m. Sunday in Pemiscot County Memorial at Hayti from injuries received in a one- car accident which occurred a few hours earlier.

The highway patrol said the accident occurred at 12:30 p.m. Sunday on Route Z in Pemiscot County .5 mile south of Highway 84 when she lost control of her car which ran off the road at a high rate of speed.

Her body was taken to John German Funeral Home in Hayti.

Two persons received minor injuries in the only other area traffic accident reported over the weekend.

The accident occurred at 5:20 p.m. Saturday on Highway 61 three miles south of Hayti when a southbound car driven by Joshua Williams Jr., 62, of Maywood, Ill., attempted to pass another car and collided head on with a northbound pickup truck driven by Willis Smith, 40, of Hayti.

Smith and a passenger, Monica Smith, 10, of Hayti, received minor injuries and were taken to Pemiscot County Memorial Hospital.

POOR CHARLIE SAYS!

People admire a healthy woman more than a pretty one.

* * *

NOT MUCH TO CELEBRATE

Thirty years ago — from August 21 to October 7, 1944 — the foundations of an international organization to become known as the "United Nations" were laid at the Dumbarton Oaks Conference between the United States, the United Kingdom, the Soviet Union, and the Republic of China. Soon thereafter, France was to become one of the "five permanent members" of the central body of the United Nations known as the Security Council.

Born with high hopes that the UN would serve as an effective instrument for the maintenance of world peace and justice, the passage of three decades has brought disappointment and disillusionment. Once touted as a great landmark in the advance of human freedom, the Charter of the United Nations has become so meaningless that the World Almanac, for example, does not even waste paper to print it; readers are advised that one may obtain a copy by writing away for it.

And, should the curious take the time to obtain a copy, the words of the Charter are found to have no connection whatsoever with reality. For example, the Preamble of the UN Charter declares that one of the purposes is to "reaffirm faith in fundamental human rights, in the dignity and worth of the human person, in the equal right of men and women and of nations large and small." Of course, we now know — through such victims as Aleksandr I. Solzhenitsyn and literally thousands of other witnesses — that the Soviet Union, following the signing of the Charter, was to embark upon an intensified campaign of persecution of the peoples behind the Iron Curtain, including the Russian people which, in terms of inhumanity and depravity, far exceeds anything known in the history of despotism. To this very day the dread Soviet Secret Police operates openly at the very doors of the American embassy in Moscow, where the arrest of new victims is a common occurrence.

Chapter II of the UN Charter declares that "Membership in the United Nations is open to all other peace- loving states which accept the obligations contained in the present charter ..." Yet, as pointed out in a recent booklet (The United Nations: Myth vs. Reality, an America's Future pamphlet) it is noted that in 1971, free China — one of the original founders and a "permanent member" of the UN — was "ignominiously kicked out of the UN (and) its seat was assumed by the blood- stained Chinese Communist regime of Mao-Tse-tung ... to stretch (Chapter II) to include Communist China just about has destroyed whatever small amount of revelance the UN Charter may still have had."

In a book just published "United Nations Journal" by William F. Buckley, Jr., who served for one year as a member of the United States delegation to the United Nations is the most concentrated assault on moral reality in the history of free institutions."

Unfortunately, if the United Nations is in fact a "myth," the more than four billion dollars poured into the UN coffers by the people of the United States is a hard reality. After a 30- year record of frustrating nothingness, and at a time of great economic stress for the people of our country, would it not be wise to consider whether the money now going to the UN might not be better invested in some other endeavor?

Separate your household trash. Smash cans and put in one box; bottles in another; papers in another. Take them to the nearest recycling center.

* * *

You know we were kinda half-way proud of the combination of President Ford and the man who he has suggested being the Vice President, Nelson Rockefeller, but his coming out granting amnesty to the boys who did not decide to fight when their country needed them, I believe that what he has done is made it so that if we ever get into a war and have to have the draft act again, we just as well forget about having an army and let our enemies do whatever they want to.

Then he follows it up with granting a full pardon to Richard Nixon. Now you know we don't know what it is that President Ford should weigh President Nixon's on law and order statements including "law and order are code words for goodness and decency in America." In opposing amnesty for draft evaders, President Nixon called for them to "pay the price." He said: "The price is a criminal penalty for disobeying the law of the U.S." These are Mr. Nixon's own words.

One satisfaction is, President Ford has in my opinion made it mighty easy for the Democrats to fill the Senate seats and the Congress seats and also to turn the Presidents office over to the Democrats in 1976. I guess maybe that when he said he didn't want to be President, that he really meant it and is doing everything to prove that he is not going to be.

A substantial decrease in the Missouri pedestrian fatality toll was recorded for the first eight months of this year as compared to the same period in 1973.

The Missouri State Highway Patrol reported today that 76 persons lost their lives while walking on the State's streets and highways from January through August of this year. This is 49 fewer pedestrian fatalities than were recorded during the first eight months of 1973 (125).

In a study of pedestrian deaths from January through August of this year, the Highway Patrol found that 45 persons lost their lives in the urban areas of the State — 24 less than were recorded for the same period last year. Thirty-one pedestrians died in rural traffic during the first eight months of this year — 25 fewer than in 1973.

A breakdown of pedestrian deaths for the studied period this year showed the following: May had the most pedestrian deaths, 19. The month of June recorded 11; March, 10; January and August each had eight persons killed while walking in traffic; February and April each had seven and July recorded six pedestrian deaths in Missouri.

ALL SHARE BLAME FOR ENERGY CRISIS, OIL EXECUTIVE SAYS

All segments of U.S. society have contributed to current energy shortages, and all must cooperate to work out a solution, according to John Swearingen, chairman of the board, Standard Oil Co. of Indiana.

"For generations, unlimited supplies of low- cost energy have been taken for granted in this country ... the whole economy has been geared to provide ever- larger and more luxurious vehicles, more heat in the winter and more air-conditioning in the summer, and a range of power-consuming appliances that staggers even sophisticated Europeans," the Standard Oil executive told a Congressional committee.

He emphasized the oil shortage is real "for both the short and long term" and warned, "ex post facto attempts to assign culpability for what has happened will do nothing to get the nation back on the track."

* * *

Two young men, Top and Pete, had gone through high school and college together. Both had good jobs. One morning, Tom called Pete and said, "They've got me."

"Who's got you?"

"The draft board. But I am going to fool them. I once had a hernia, and I am going to wear my truss." So Tom, earing his truss, went down to the draft board. Three doctors examined him, took out his draft card and put down "M.E." Tom said, "What's that?" They said, "Medically Exempt."

Four weeks later bright and early in the morning, Pete called Tom and said "They've got me."

"Haven't you got something wrong, flat feet, back ache, ulcers?"

"No, I am in perfect health, as you know."

"Well, then, I'll lend you a truss and you go down and make the usual complaints that you can't lift things, you have intermittent pains, and they'll let you off for having a hernia."

Pet went to the draft board. The same three doctors examined him and then took out his draft card and put down, "M.E."

"Medically Exempt?" Pete inquired.

"Nope" replied the doctors. "Middle East. Anyone who can wear a truss upside down can certainly ride a camel!"

ENVIRONMENTAL REACTION

A grim preview of the backlash that can be aroused by environmental extremism has been on display in Michigan. It took the form of a billboard 10 feet high and 20 feet wide purporting to grant a license to a local power company for the construction of a nuclear power plant by the citizens of Midland, Michigan. The billboard contained the signatures of 15,000 persons who fear that their community will lose jobs if the power plant is not built.

According to a news release, construction stopped over a year ago - stalled by the protests of environmentalists. It appears that unless the plant is built, local industry and local employment will be hard hit. The press report states: "The Midland case is an unusual instance of a massive public effort to fight the antinuclear power movement." Nuclear power and other technological advances in pollution control provide the only answers to the seeming incompatibility of a rising population and inexorable environmental pressures. If extremism sets out to defeat these answers, the threat of unemployment and hardship will bring a spreading reaction such as that seen in Midland, Michigan.

A Jackson, Michigan, newspaper asks: "Do people who oppose nuclear plants really know what they oppose? . . . Do they ever stop to think of the many factories that are now polluting air and water with their old methods. . . . and are waiting for more electric power to improve and eliminate those sources of pollution?. . . . the future cannot lie in postponing progrogress."

THE DELEMMA IN PANAMA

The Kansas City Star

Panama will vote Aug. 6 in a rether confusing election that the Panamanians themselves aren't too claer about. The country is ruled by Brig. Gen. Omar Torrijos who seized power three years ago amidst a welter of coups. The voting in August is at the local level to elect a national assembly.

On ce elected, that assembly is expected to re-draft a constitution now being constructed by a 25-man commission. After acting on the constitution, the assembly is supposed to elect a president — under the terms of the constitution which presumably will say that the assembly can elect the president. Around Latin America it is assumed that all this is an elaborate procedure to legitimize the government.

In comparision to many of Panama's rulers, Torijos has been a good one. He comes from the lower middle class and knows how to talk to the people. He get mud on his feet in the country. The peasants and urban workers like him. He understands them.

Torrijos occasionally denounces the United States, partly to put pressure on this country in regard to the canal and partly out of the spirit of the time. No Latin American politician ever lost votes by denouncing the U.S. Yet Torrijos is a military man and has maintained reasonably good relations with the American military which is such a large presence in his country.

The canal, of course, is the central presence. It is the reason for Panama's existence and why Amiercan troops and civilians are so numerous in a country with a population about the same as Greater Kansas City's. Until canal treaties can be agreed. upon, relations between the U.S. and Panama will be skittish and the threat of uproar will always be near. Growth in agriculture and industry are important. The country has become a banking center . Foreign investment continues to rise and the U.S. id program is big on a per capita basis.

But all this is peripheral to the issue of the canal. Panamanians regard it as their primary resource—which it is—and the United States regards it as a fundamental of American security—which it is. The anwer will not come easily, for it involves two definitions of sovereignty. But it is an answer that must be found in the interests of both countries.

H.L. Hunt

NO RECOGNITION FOR CUBA

Speculation in diplomatic circles in Washington and elsewhere is to the effect that the U. S. will resume diplomatic relations with the Castro government of Cuba. This would not serve the cause of freedom and would bring further outrage from Cuban-Americans, many of whom fled the tyranny of communist-dominated Havana. The military threat of Cuba may have diminished but its sinister influence over the Latin world to the south of the U.S. remains a thorn in our side.

The sympathies of the American people remain with the great majority of Cubans who have felt the hard boot of the dictator as heavily as any peoples in recent times. The ascension of Fidel Castro to the summit was a fraud from the beginning, his movement being disguised as agrarian reform. Many citizens in the U.S. were duped into believing the story. Castro's true colors were not long in showing once he had the ultimate power and he was quick to unleash his communist agents in the fields of espionage and subversion.

Castro has proved a heavy drag on the Russians. The Soviets have poured billions of dollars into a Cuban economy that never seems to get off the ground. Castro and his henchmen would like to see trade dollars come in from another source. We should let our leaders know that we do not want to supply that money, either through loans or trade. Castro still hates the U.S. Encouragement of the Cuban masses through freedom broadcasts from the mainland should, for the time being, be the extent of our relations with our once friendly neighbor to the south. Spies Pouring In: Soviet Undercover Action in U.S. Sharply Increased Since 'Detente'

NEW YORK -- The Soviets, with atavistic Stalinist cynicism, are on as much a spying spree in the U.S. as they are on a buying binge, according to the highest counterintelligence and security circles. The sources and authority for this conclusion are unimpeachable.

Further, National Security Council insiders have reported that government failure, especially by the Commerce Department, to control the flow of strategic military-associated products to the Union of Soviet Socialist Republics "verges on a scandal."

American equipment sold to Moscow's "scientific research" and "industrial" trade trusts, for example, include a 7600-type computer used in U.S. ballistic missile- site defenses.

"There is a much larger flow of military- related technology to the Soviets than the government had previously suspected," says a Council source, "... our system of control is full of loopholes and can be and has been easily evaded and Soviet military capabilities have already profited extensively."

Other sources disclose that the inflow of Soviet espionage agents since "detente" has increased "overwhelmingly and dramatically." There has been "an unprecedented jump" in the number of Soviet commercial missions and exchange students. The latter are of the "graduate" type, mostly in their early 30s, mature and hardly the sort of young scholars expected.

The commercial commissions are believed to be "loaded" with Red intelligence agents. There is positive evidence of this. Nor is this uncharacteristic of the Soviets. They have, for example, according to the record, used their official 50- year- old foreign commercial organization, the Amtorg Trading Corporation, as a source for spies and recruiters of agents in the U.S.

Amtorg, created in May 1924, shortly after V. I. Lenin's death when most of the world sympathized with the millions. of starving Russians, is alive, flourishing and is being hailed as a fine contribution to international trade and understanding.

It has vast office space on the 86th floor of the World Trade Center here. According to FBI records, an Amtorg employe, Semen Semenov, recruited at least one atomic spy, the late Harry Gold, for espionage in the U.S. Years later Igor Ivanov, an Amtorg official, was charged with obtaining information from an engineer who operated computers for the Strategic Air Command. Ivanov was permitted to leave the U.S.

Now federal officials, eager to do business with the Soviets, hope that the KGB, the Soviet secret police and espionage agency, just doesn't attempt to use Amtorg again. They hope.

What disturbs American counterintelligence officers is the head- to- head dealings of Soviet commercial mission members with American corporate executives here. The Soviets' desperate need for American computer, industrial, electronic and aerospace expertise is insatiable. There is little doubt that the Soviet industrial "plant" as well as its agricultural and food distributive systems are collapsing.

The picture is not as grim today for the U.S.S.R. as it was in 1923 when Lenin mockingly began dealing with American capitalists and was supported by at least one powerful American labor chief now dead. (But there is definite word that the Soviets are urging their people to save bread crumbs to keep from going hungry.) Then, Lenin sent his commercial agents to deal with capitalist businessmen and his underground revolutionists to stir revolt against the very same commercial interests and nations from whom he sought extensive credits.

History reveals that first Lenin, and then Stalin, saved the Soviet Union with capitalist credits and then turned on international democracy and capitalism. Now history is repeating itself. With an additional starter. In the '20s America saved 11 million Russians from dying of starvation. But we sent no military equipment. Today we are.

Early this year it appeared that Boeing, Lockheed and McDonnell Douglas aerospace companies would form a consortium to accede to the Soviets' request to construct a huge aerospace factory in Russia. This would eventually whip out 100 wide- bodied commercial jets a year.

In effect, the Russians wanted the deal on long- term credits at low interest rates (6 per cent or so) which would be repaid out of sales of the jet products back to us -- or repaid by cash made by driving our aerospace industry out of some markets. The deal didn't materialize. But always the technique is the same. And always, there are American industrialists who believethey can count on the good faith of the Soviets. They'll learn.

American naivete -- which eventually will cost the U.S. considerable money and jobs -- is matched by that in Italy, Germany and Britain into which the Soviets also are pouring a goodly quota of spies. Even the Chinese Communists are outraged by Soviet espionage. The Peking publication Hsinhua in an edition I picked up in Europe recently denounced: "The Dirty and Ugly Espionage Activities of the Soviet Revisionists," and then followed with, "Soviet spies under the cloak of 'diplomats,' 'journalists,' 'merchants,' 'seamen,' and 'technicians' ran amuck everywhere, collecting intelligence and carrying out sabotage activities with most despicable means." It takes one to know one.

And should the U.S.S.R. obrain most- favored- nation low tariff status here, we will have embraced a totalitarianism which negates our national outcry for morality and justice.

There is no detente. It is only Lenin's 1923 "New Economic Policy" revisited. It's a golden shot in their shaky outstretched arm.

Washington-Merry-Go-Round
by Jack Anderson

JACK ANDERSON SAYS: The 'Hired Gun'

WASHINGTON — The Nixon tapes, which have been withheld from the public for use in the Watergate trials, portray John Ehrlichman as a patsy.

Sources who have listened to the tapes say that ex-President Richard Nixon would discuss strategy with his top aide, H. R. Haldeman. Then they would call in Ehrlichman and go through the same discussion again, thus giving him the impression that he was a full participant in the decision- making.

But invariably, they would adopt the strategy that Nixon and Haldeman had already agreed upon and the unsuspecting Ehrlichman would wind up doing the dirty work. As one source put it, "Nixon and Haldeman used Ehrlichman as their hired gun."

They sent Ehrlichman, for example, to try to persuade CIA Deputy Director Vernon Walters to head off the FBI's investigation into the plumbers' operations. Ehrlichman was also assigned to approach ex-Atty. Gen. John Mitchell and to ask the unwilling Mitchell to take the rap for the Watergate fiasco.

Sources close to Special Prosecutor Leon Jaworski say that Ehrlichman is now aware how Nixon and Haldeman used him. "That's why Ehrlichman has called the former President as a witness," said one source.

"It is clear," agreed another, "that Ehrlichman has gone off the reservation." In other words, he no longer will try to protect Nixon and Haldeman.

The view of Ehrlichman as a puppet, manipulated by Nixon and Haldeman, comes from a cumultive study of the secret tapes, say our sources.

ROCKEFELLER INVESTIGATION: A painstaking but preliminary FBI investigation of Nelson Rockefeller has produced no information that should prevent his confirmation as Vice President.

Agents are still digging, however, into rumors that a Rockefeller - financed operation in Latin America was infiltrated by Communist sympathizers.

The investigation is centering on the American Association for Economic and Social Development, which received grants for 14 years from the Rockefeller Brothers Foundation to bring rural reform and better schools to South America. "The main thing we don't know," confided an FBI source, "is how they spent the money."

Another Rockefeller enterprise under investigation by the FBI is the International Basic Economy Corporation, founded by Nelson Rockefeller to operate supermarkets, poultry firms and machinery equipment facilities in some 20 countries, mainly in Latin America.

The FBI is also examining more closely the Commission on Critical Choices, which conducted studies of world problems for Rockefeller. It has been suggested this was set up to groom him for the White House.

Our FBI sources stress that Rockefeller isn't suspected of any subversive or shady dealings. But the FBI wants to be able to answer any questions that may be raised by Rockefeller's most extreme critics.

Agents have questioned just about everyone who has had any dealings with Rockefeller from doctors and clergymen to sheriffs and political figures.

A picture has emerged of a Rockefeller who has managed to keep above the hurly- burly. He has insulated himself from any questionable activities, the FBI has found, by a layer of attorneys, financial advisers and political associates.

"The rough and- tumble stuff was handled by his associates," said a source.

FBI agents have been running up to Capitol Hill almost daily with huge Rockefeller dossiers, which they have shown to key members of Congress.

"Rocky looks awfully good," said a source with access to the dossiers.

NAVAL SUPERIORITY: Intelligence reports confirm the conclusion of the authoritative British publication, "Jane's Fighting Ships," that the Soviet Navy had surpassed the U.S. fleet in fighting power. Here's a rundown:

-- In submarines, the Soviet Union has deployed a fleet of 67 ballistic missile submarines, many of them nuclear powered. This compares to 41 American missile subs. States one NATO document: "The Soviet submarine force is now more capable and has outbuilt NATO in nuclear- powered submarines."

-- In surface ships, the newest Soviet vessels "carry more elaborate and more sophisticated electronic systems. One Soviet surface vessel, according to NATO intelligence, is "ton for ton, the most powerful warship ever built."

According to another confidential document, "the sophisticated missile systems of its advanced surface ships gives the Soviet Union a powerful ship- to- ship capability and a considerable superiority in missile units over NATO."

NATO commanders are deeply concerned over the deployment of Soviet ships in the Indian Ocean. Concludes another NATO report: Russia's "power to rapidly switch ships from the Mediterranean to the Indian Ocean, once the Suez Canal is reopened, will considerably increase her presence and influence in an area which six years ago was a Western lake."

'Little' Vanduser royalty

Carol Johnson, 4, daughter of Mr. and Mrs. Jimmie Johnson, was named Little Miss Vanduser, and Frankie Brown, 5, son of Mr. and Mrs. Robert Brown, was crowned Little Mister Vanduser Saturday during the annual Vanduser Fall Festival. Susan Shirkey, left, 4-year-old daughter of Mr. and Mrs. Harvey Shirkey, and Clay Graviett, right, 3-year-old son of Mr. and Mrs. Harold Graviett were first runners-up. (Daily Standard photo)

Delta Fair opens Tuesday

KENNETT — The annual Delta Fair will open Tuesday with several name acts as grandstand attractions.

The schedule will be as follows:

Tuesday — Stax recording star Karen Casey and her rock group, "Function." Kennett's own Karen Casey has appeared in major night clubs throughout the country and is a dynamic vocalist. Her seven-piece group, "Function", is one of the best in the business. This attraction will start at 8 p.m.

Wednesday — Jack Campbell and the Ambassadors of Gideon, the most popular gospel group in this area presenting the best in gospel music to its many fans at 8 p.m.

Thursday — For the third year in a row, the all-time record crowd pleaser, the official tractor pulling contest. Sanctioned by the Tractor Pullers of Missouri and staged by Obion County Sled Association, Inc. This event, which drew thousands last year, starts at 7 p.m.

Friday — Quarter horse racing, by popular demand, is repeated at the Delta Fair, and there will be more horses and a longer track. It will be more exciting than ever. Quarter horse racing is a new feature at the Delta Fair at 7 p.m.

Saturday at 7 p.m. — The Death Riders Motorcycle Thrill Show. For thyfirst time at the Delta Fair, direct from the Oklahoma State Fair, this sensational show features 15 daredevils on motorcycles doing all kinds of stunts. The Death Riders have played all the major fairs in the country and this is their first Delta Fair appearance at 8 p.m.

The big Delta Fair parade will be held Tuesday at 6:30 p.m. On thymidway will be the B. E. Miller Shows. Also, $100 cash will be given away each night to someone present.

Ribbon cut at treatment plant

Ribbon - cutting ceremonies were held Saturday at the open house for East Prairie's water treatement facility. Shown participating, from left, are C. R. "Bud" Waters, engineer for the project; City Manager Bob Kakac; Mayor LaWanda Douglas; Darrell Williams, plant operator; Charlie Thornton, street commissioner; City Clerk Webb DeField; and Roy Howlett, plant operator.

Well baby clinic planned

LILBOURN — A well baby clinic will be conducted from 8:30 a.m. until noon Thursday at the south Lilbourn Delmo Project by the New Madrid County Health Department.

Parents of children who need immunizations should attend the clinic. All immunizations are administered free of charge.

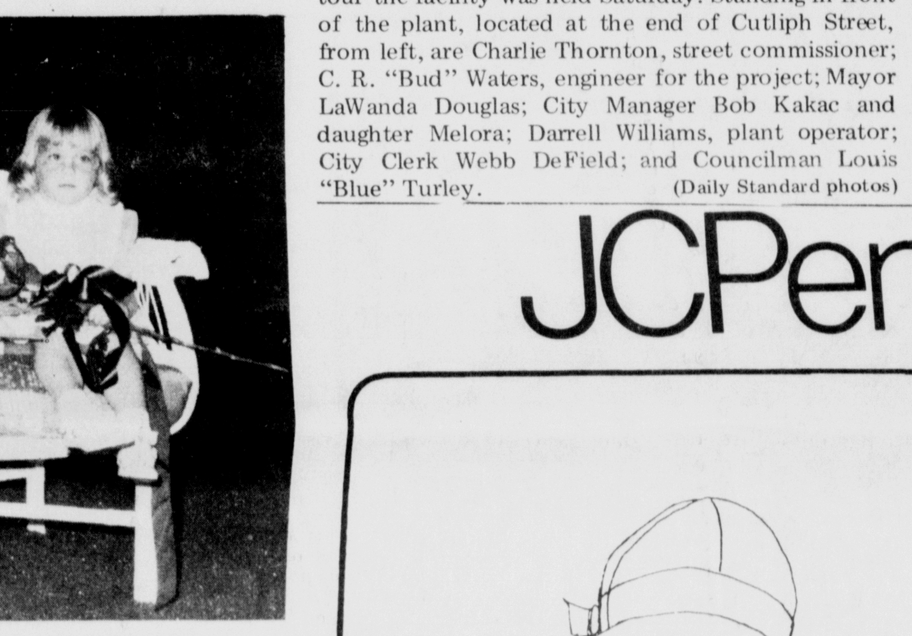
USE THE DAILY STANDARD CLASSIFIED ADS

The first stool pigeons were real pigeons — captured passenger pigeons, blinded and tied flapping to stumps to lure other birds down to feed — and be shot.

CHICAGO (AP) — Farm commodity futures prices were sharply lower in early dealings on the Chicago Board of Trade today.

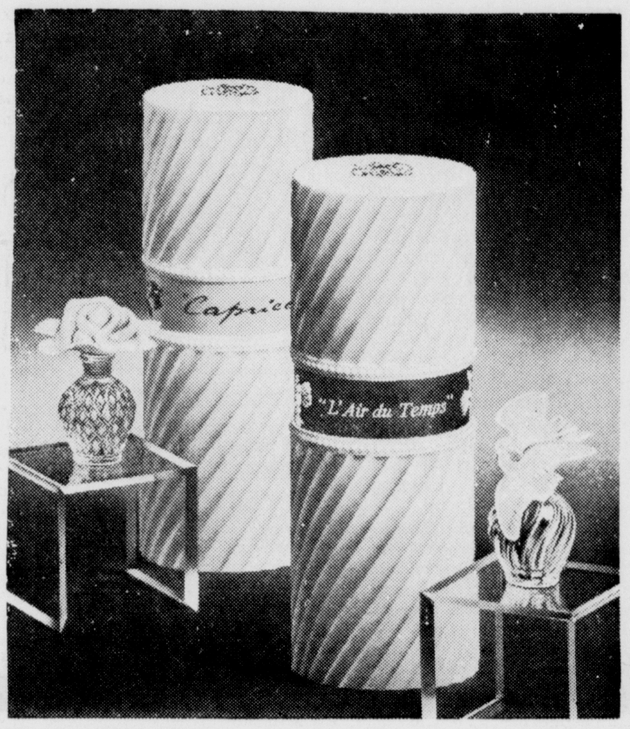
On the opening, Chicago wheat futures were 6 to 10 cents a bushel lower, September 4.26; there was no trade early in Gulf wheat; corn was 4 1/4 to 10 lower, September 3.42; oats were 3 3/4 to 6 lower, September 1.66 1/2 and soybeans were 7 to 17 lower, September 7.74.

The bugle call known today as "taps" was composed by Union Gen. Daniel Butterfield in 1862 during the Civil War.



Residents tour new facility

East Prairie's water treatment plant was completed in February and an open house for local residents to tour the facility was held Saturday. Standing in front of the plant, located at the end of Cutliph Street, from left, are Charlie Thornton, street commissioner; C. R. "Bud" Waters, engineer for the project; Mayor LaWanda Douglas; City Manager Bob Kakac and daughter Melora; Darrell Williams, plant operator; City Clerk Webb DeField; and Councilman Louis "Blue" Turley. (Daily Standard photos)



Compliments of NINA RICCI, Paris

Basic training set for new Girl Scout leaders

Basic training for new Girl Scout leaders in the Cotton Boll Girl Scout Council is planned this week at different locations.

The sessions are scheduled from 10 a.m. to 2:30 p.m. on the following days: Tuesday, at First Christian Church in Sikeston; Wednesday, First Christian Church in Kennett; and Thursday, First Christian Church in Poplar Bluff. All new leaders in the Girl Scout program are especially urged to attend one of the sessions.

Basic training for new leaders and also for experienced leaders who are changing age levels will also be held three days in three locations during the last week in September and first week in October. Session will again run from 10 a.m. to 2:30 p.m. Dates and locations are: Sept. 24, First Christian Church in Sikeston; Sept. 26, First Christian Church in Poplar Bluff; and Oct. 2, First Christian Church in Kennett.

Oct. 8 has been set aside for any leaders who would like to visit Camp Latonka and learn basic outdoor skills. A session the same day can be offered in advanced outdoor skills upon written request to the Girl Scout office in Sikeston.

All new leaders and leaders changing age levels are asked to attend at least one of the basic training sessions.

Jodi Bacher, Melms united in marriage

PORT HURON, Mich. — Jodi Bacher and Roy Melms exchanged wedding vows Aug. 17 in the Reorganized Church of Jesus Christ of the Latter Day Saints.

The bride is the daughter of Mr. and Mrs. Joe E. Bacher of Marysville, Mich. Bacher is formerly of Sikeston, Mo. Paternal grandparents of the bride are Mrs. Lynn Price of 312 Missouri St., Sikeston, Mo., and Joe Earl Bacher of Florida. Her maternal grandparents were the late Mr. and Mrs. Stewart S. Heddle of Marysville. The bride's paternal great-grandfather is William "Poppy" Hendley of Sikeston, Mo.

The groom is the son of Mr. and Mrs. William F. Melms of Marysville.

The bride chose a formal-length A-line gown of bridal satin. The gown featured a Victorian neckline accented with a cameo pin and sheer yoke, surrounded by flowered lace. The lace also adorned the cuffs and neckline. The low sheer sleeves were gathered at the wrists.

The bride carried a bouquet of miniature roses surrounded by baby's breath and greenery. Her long veil of English illusion was enhanced with lace embroidered in a tri-leaf design. It was held secure with a Camelot cap of seed pearls and lace.

Cheryl Wilson of Charlotte, N.C., was maid of honor. Bridesmaids were Betty Baker, Sharon Neumann and Sharon Morgan of Marysville and Marilyn Martin of St. Clair. Flower girl was Rebekah Heddle of Marysville. The attendants wore floor-length pastel-colored gowns.

Ronald Marks of Marysville was best man. Attendants were Rick Hillock of Marysville, Ron Lukasak of St. Clair and Gerry Sheffer and Craig Herbert of Marysville. Ushers were Brian Russell of St. Clair and Robert Henry of Marysville. Anthony Berger of Mt. Clemons was ringbearer.

Following the ceremony, a reception was held in St. Stephen's Parish Center.

The couple lives in Marysville.

Mrs. Roy Melms

At Wit's End

By Erma Bombeck

A prominent psychologist recently announced that due to the economy, the emphasis on overpopulation, and working mothers, there has been a cutback of children and we are entering the era of the Only Child.

Do you have any idea what the impact of that statement is? It means there has been a breakthrough in Sibling Rivalry. That's right. Someone has finally come up with a cure for it -- the one-child family. It don't know why our generation never thought of it.

Imagine. No more having to cut a maraschino cherry into four equal pieces. No more trying to convince your younger son that hand-me-down boots are neither male nor female. No more taking a number at mealtime to talk.

With each addition to our family, we tried to explain how wonderful a brother or sister would be, but they never bought it. Few children do. We used to have a neighbor child who treated his smaller sister like chopped spinach. His disgust for her culminated when he dragged her to school one day for Show and Tell, shoved her before his classmates and said, "This is my sister. I told you she was dumb."

All three of my children pretend to be an only child. Their hostility often isn't even subtle. One used to set the table for four and when I'd ask where the other plate was she'd say, "Is HE still here?" (referring to small brother).

"Yes, why?"

"How long is he going to stay?"

"Through dinner or until I can get his plumbing on automatic -- whichever comes first."

Somehow, I can't imagine what it would be like to sit down at the dinner table and not have the rivalry, the competition, the clashing of the three of them over what my husband and I refer to as the War of the Catsup.

"Look at him. He's using all the catsup."

"You'll have your turn, so bug off."

"Hah! There won't be a 'turn' after you're finished. Mom! He's wasting it."

"I couldn't help it. It came out all at once."

"Mom! Why do you let him pour catsup in his lap and play in it?"

"He's the baby, haven't you heard?"

"So get another bottle."

"There isn't any more. You are a hog."

"Mom! Make him put some back in the bottle."

"MOM! MOM!"

I wonder how you raise a child with his own bottle of catsup without spoiling him.

Meetings

MONDAY
Junior Woman's Club orientation is scheduled at 7 p.m. at Security National Bank.

TUESDAY
Morehouse Order of the Eastern Star Chapter No. 4050 will meet at 7:30 p.m. in the Masonic Hall.

Miss Haubold is Woman of Year

NEW MADRID — Miss Jeanette Haubold of Marston has been selected Woman of the Year by the New Madrid Business and Professional Women's Club. The citation was given in recognition of the active role that Miss Haubold has taken in her local club, community, church and professional organizations.

Miss Haubold is a member of the faculty of the New Madrid unit of New Madrid County R-1 Enlarged School District. She has worked as an elementary teacher, art teacher and special education teacher in the areas of learning disability and mental retardation.

Prior to her present position she served as educational specialist at the Title III Learning Center for the school district.

Active in numerous civic and professional organizations, Miss Haubold is currently serving as president of the New Madrid B&PW Club. She is a member of the executive committee of the Southeast Missouri District Teachers Association and is active in youth work of the New Madrid Baptist Church where she serves in many other capacities.

From time to time she has served as volunteer campaign leader for numerous fund drives.

Special interests of Miss Haubold include needlework, crocheting and other handicrafts.

Of particular note is the extensive work she has done in the field of recreation with youth. She has served as program coordinator and directed numerous schools for training recreational leaders in New Madrid County. For several years she did considerable work with youth in summer camp programs in this area.

Prior to the formation of the New Madrid B&PW Club, Miss Haubold assisted in the organization of the Portageville B&PW Club, where she served as vice president and program leader.

Miss Haubold is a graduate of the University of Missouri, where she received bachelor of science and master of education degrees. In addition, she has completed further graduate study at Southern Illinois University in Carbondale, Ill., Southeast Missouri State University at Cape Girardeau and Arkansas State University in Jonesboro, Ark.

In selecting Miss Haubold as Woman of the Year, the B&PW Club recognized her as "an involved citizen with patience and love who finds the challenges of the classroom both fascinating and rewarding."

Jeannette Haubold

COOL FOR LESS CASH

If a house is to be air conditioned, adding insulation first usually will allow smaller air-conditioning equipment to be used. The dollar savings from smaller equipment may be more than the cost of the insulation, says the NAHB Research Foundation, a subsidiary of the National Association of Home Builders.

Readers say doctors make the most passes

Dear Readers: I am back from China but my head is still in Peking. I awakened this morning, made myself a cup of tea and started to do my own laundry.

But now I must address myself to the enormous mountain of mail that has accumulated in my absence. And the first business at hand is to let you know the results of the poll: Question -- "Who make the most passes -- doctors, lawyers or clergymen?"

It all started when I printed a letter from a woman who said she had read several letters in my column over the past years from women who claimed their doctors tried to get intimate. The writer declared,"I never had trouble with a doctor, but the lawyer who handled my divorce case propositioned me and I was so eager to get out of a lousy marriage, I agreed to 'cooperate' -- right in his office, on the leather couch." She signed herself "Dumb Dora."

I told Dora: "Poor judgment and weak character don't belong exclusively to any single profession -- there are bound to be a few rotten apples in every barrel," etc.

I was promptly inundated with blasts and bouquets for both lawyers and doctors, but was astonished by the number of women who wrote to say they never had any trouble with either and that the one to keep an eye on was the clergyman.

When I printed that letter, several readers suggested I take a poll. So I asked for one- word postcards in response to the question: "Have you ever had a pass from a doctor, a lawyer or a clergyman? If so, which one?"

The results were staggering. It was a dead heat between the doctors and the clergymen, with the doctors edging out the clergymen by a small margin.

I was surprised to learn that dentists beat out lawyers by approximately 50 votes. (Many specified DIVORCE laywer.)

Here are some responses I found interesting:

From Atlanta; "Bosses are the worst. No doctor, lawyer, or clergymen ever got out of line with me but I had to quit three jobs because of lecherous bosses."

From New Orleans: "College professors lead the pack. I'm ashamed to say I gave in to two of them. It was that or flunk."

From Chicago: "You are a female chauvinist sow. I am a male who has been propositioned by four girls who work in this office and I'm not even the big enchilada. I'm only the office manager. When are you going to accept the fact that women are as aggressive, sexually, as men?"

Canton, Ohio: "I am 75 years old and have been propositioned ten times: two physicians, two bosses, one national evangelist, three traveling salesmen, one plumber and the mortician who buried my husband."

Memphis: "The most brazen proposition I ever received came from an estimator for a termite control company. Sign me -- Bugged in Tennessee."

I received hundreds of cards from women who expressed this sentiment (this one is from Davenport, Iowa): "I am 44 years old, a former beauty queen, and have been considered good- looking and well- stacked all my life. I've had seven marriage proposals (accepted a Navy officer 21 years ago) but never a single proposition. Why? Because I've always conducted myself like a lady. Whenever I saw a pass coming, I knew how to head it off in a humorous, but emphatic manner. I never lost my cool and I never lost a friend."

Don't flunk your chemistry test. Love is more than one set of glands calling to another. If you have trouble making a distinction you need Ann's booklet, "Love or Sex and How To Tell the Difference." Send a long, self- addressed, stamped envelope with your request and 35 cents in coin to Ann Landers, P. O. Box 3346, Chicago, Ill. 60654..

Renovation of home discussed

Mrs. W. W. Goodpasture, president of the Sikeston Woman's Club, explained to club members Tuesday how she had renovated and supervised an addition to her country home, known as Plumb Grove, on Route One, where the meeting was held.

The brick home was built in 1922 with handmade bricks hauled from Jackson by mules and wagons, Mrs. Goodpasture told the group.

Thirty-five members and two visitors attended the meeting, for which a noon meal was served.

Coffer family gathers

KENNETT — The Coffer family held a joint birthday - reunion celebration Sept. 8 at the Kennett City Park.

Attending were:

Mr. and Mrs. Bob Coffer and children, Mrs. Betty Austin and Jason, Mrs. Lillie Coffer, Mr. and Mrs. G. H. Coffer and children and Mr. and Mrs. Mike Coffer of Risco; Mrs. Charlene Solomon and children of St. Louis.

Mr. and Mrs. Floyd Coffer and children, Mr. and Mrs. Robert Brand and family, Mr. and Mrs. Wilburn Jackson and family and Mr. and Mrs. G. W. Brand of Kennett; Mr. and Mrs. Jim Coffer and children of Little Rock, Ark.; and Mr. and Mrs. J. W. White of Steele; and Mrs. George Sides of Gobler and daughter Alta Mae and children of Kennett.

The group visited with Mrs. Mary Coffer of Kennett during the afternoon.

Volleyball set

Women interested in playing volleyball may do so from 7 to 9 p.m. on Mondays and Thursdays at the Sikeston High School girls gymnasium.

The program was begun as part of the Sikeston High School adult education program.

For further information, phone 471-2013 or 471-4090.

94th birthday celebrated

William "Poppy" Henley observed his 94th birthday Aug. 17 at the home of his daughter and son-in-law, Mr. and Mrs. Woodrow Hawkins, 1503 Matthews Ave., with whom he lives. Seven of his 10 children, along with some grandchildren, great-grandchildren and one great- great- grandchild also attended. Cake, punch and mints were served to friends and neighbors who called with cards, gifts and best wishes.

Woman of Year banquet scheduled

CHARLESTON — The Woman of the Year banquet, sponsored by the Charleston Business and Professional Women's Club, is scheduled at 7 p.m. Oct. 10 in the National Guard Armory on South Main street.

Jack C. Taylor of Columbia, known as "Hayseed" Timothy Hays of Whoopup, Mo., while on speaking tour, will be guest speaker.

Miss McGee heads unit

HAYTI — Miss Teresa McGee, daughter of Mr. and Mrs. R. T. McGee of Risco, began work Sept. 9 as head of the obstetrics department at Pemiscot County Memorial Hospital in Hayti.

Miss McGee is a 1972 graduate of Risco High School and received her nurse's training in Springfield.

SeMo home economists install officers

Martha Steger, left, of Farmington was installed Saturday as president of District C of the Missouri Home Economics Association. Other new officers, from left, are Katherine Hill of Caruthersville, president- elect; Katherine Nebling of Farmington, vice president; Pat Renard of Cape Girardeau, treasurer; and Virginia Walker of Cape Girardeau, secretary. The Southeast Missouri district home economists gathered Saturday in the Security Federal Savings and Loan Association community room. (Daily Standard photo)

SeMo home economists meet

Communication difficult

Communicating is probably more difficult today than in the past because of many changes within the country and today's continual questioning of authority, the Rev. Richard Eissfeldt of Cape Girardeau told about 45 Southeast Missouri home economists Saturday.

The Rev. Mr. Eissfeldt, director of the Lutheran Family and Children's Services for the Southeast Missouri area, discussed family communications during a Missouri Home Economics Association District meeting held Saturday in the community room of Security Federal Savings and Loan Association.

"Communications seem to be a lot of trouble for a lot of people," the Rev. Mr. Eissfeldt told the group, adding that many problems develop because of lack of communication.

The Rev. Mr. Eissfeldt involved the group in his discussion in an effort to demonstrate first hand the problems in communication. As they paired off for the exercise, home economists were given a chance to see how a person's response to a problem can affect communication between two people.

"Most of us are programmed to do how we were done to," the Rev. Mr. Eissfeldt explained. He encouraged the home economists to analyze their methods of teaching to see that they are effective.

The Rev. Mr. Eissfeldt then discussed Thomas Gordon's three- pronged approach to communications (Gordon is author of a book, "Parent Effectiveness Training".)

The first step in this approach is active listening. The Rev. Mr. Eissfeldt explained that in active listening the receiver of a message sends back to the sender what that receiver is really feeling. "It takes work to actively listen," the Rev. Mrs. Eissfeldt said.

To get a person to assume responsibility for his behavior and problem, the other person must actively listen. If a person can express "what is going on inside himself," he is better able to solve his own problems, the Rev. Mr. Eissfeldt explained.

The second prong in this approach is the "I messages." This is another way to get people to listen to you, the director said. "Your messages are mostly putdowns," he added.

With an I message the person communicating must assume responsibility for what he is feeling. "Most people try to lay their feelings on others," the Rev. Mr. Eissfeldt explained. "Nobody has any power over you that you don't want them to have."

I messages are much more honest than you messages, he added, and "with I messages you are giving the person an opportunity to modify his behavior."

It is very important to identify who "owns" the problem, the Rev. Mr. Eissfeldt explained, because the approach to the problem will be different depending on the ownership.

The third approach is called Method Three. This includes three ways in relating to other people, especially children.

The first method is the authority approach, which works well with young children but will be questioned by older youth.

Submissive approach is the next method of relating. "People often become submissive when authority doesn't work," the Rev. Mr. Eissfeldt explained. To use this approach with a child is to say, "I don't care about you," he added.

The third approach is the "no- lose relationship".

"In the other two, someone always loses, he said. With this method mutual respect between two people develops and active listening plays an important part, as the two people solve the problem together.

Solving problems effectively requires six steps, according to the Rev. Mr. Eissfeldt. They are: defining the problem, generating possible solutions, evaluating each solution, deciding on mutually acceptable solution or solutions, implementing the solution specifically and evaluating whether the solution is working.

The main emphasis in parent effectiveness training, the Rev. Mr. Eissfeldt explained, is to "assist people in becoming responsible for themselves "because a person will have a lot fewer problems than if he expects other people to solve his problems or if he blames others for a problem."

The Rev. Mr. Eissfeldt also discussed stroking, which can be complimenting people or putting down people. "No body likes not to be acknowledged," he said. Stroking is very important, he added, because of that fact.

During the business portion of the meeting, Martha Steger of Farmington was installed as president of the district. Other new officers are Katherine Hill of Caruthersville, president-elect; Katherine Nebling of Farmington, vice president; Pat Renard of Cape Girardeau, treasurer, and Virginia Walker of Cape Girardeau, secretary.

Edith Lusk of Perryville, retiring president of the district, presided over the meeting.

Dorothy James of Sikeston was chairman of the local arrangements committee for the meeting.

District C of the MHEA includes the counties of Washington, St. Francois, Ste. Genevieve, Perry, Reynolds, Madison, Bollinger, Cape Girardeau, Carter, Scott, Stoddard, Ripley, Butler, Mississippi, Wayne, Iron, New Madrid Pemiscot and Dunklin.

Responsibility stressed

People must become responsible for their own problems and behavior, the Rev. Richard Eissfeldt of Cape Girardeau stressed as he spoke to 45 Southeast Missouri home economists Saturday during a Missouri Home Economics Association district meeting. The Rev. Mr. Eissfeldt explained that people will have fewer problems if they learn not to expect other people to solve their problems for them and if they can stop blaming others for their problems. (Daily Standard photo)

Births

BYRUM — Mr. and Mrs. Joseph R. Byrum, 833 Stanford Drive, are parents of their second child, first daughter, who was born at 6:50 a.m. Sept. 1 in Southeast Missouri Hospital. The girl weighed eight pounds 12½ ounces and has been named Susan Amy.

Mrs. Byrum is the former Barbara Marshall, daughter of Robert Marshall of East Prairie and the late Mrs. Marshall. Byrum, a switchman for Southwestern Bell Telephone Co., is the son of Mr. and Mrs. E. R. Byrum of Bertrand.

HITTING—Jimmy Wynn, Dodgers, belted a grand-slam homer in the seventh inning to lead Los Angeles to a 7-1 victory over Cincinnati.

1- point losses mount for SHS Bulldogs

The Sikeston Bulldogs, who have had much more than their share of bad luck the last two years, dropped their third consecutive one- point decision Saturday night, 14-13, to the Irish of Lillis High School. The loss, coming in the 1974 season's first home game, dropped the SHS season record to 0-2 with the Dogs first conference contest coming up Friday evening at Perryville.

All week the Bulldog coaches had stressed the David and Goliath theme to their players, emphasizing the need of hard work and execution to overcome a big size deficit. And, when you sum up the night's work, head coach Terry Smith and his staff got the former (the work), but were beaten in the end by the latter. Six turnovers by the Bulldogs set the tempo for the error-plagued game and overshadowed some excellent defensive work by the Sikeston line.

While the contest was not basically good, it was ex citing. Both teams threw a bit and all four scores came through the air routes. As a matter of a fact, an errant handoff on a 2-point conversion try was all that cost SHS the victory. However, the visitors, themselves, had a 25-yard aerial strike called back in the fourth period.

With a good defensive charge, especially in the second half when Lillis was held to a minus- five rushing yardage, Sikeston was able to halt the Irish ground game. But , a 6-foot-8 inch receiver wearing a big numeral 89 on his jersey, proved to have too much reach for the SHS defensive backs. Michael Trigg caught only three balls on the night, but two went for scoring strikes of 54 and 44 yards from his quarterback Mike Friday.

On the other hand the Sikeston ground game was a bit more successful, but not much more consistent. Led by tailback Tom DeRoush's 73 yards, Sikeston ran for 156, but lost the pigskin four times on fumbles. And, for Sikeston as well, it was the passing game that provided the scores. Second- string (at least before the game) quarterback Ron Friday found split- end Joey Williams for t-d's of 18 and 14 yards, despite the fact that the Bulldog split end is a foot shorter and some 60 pounds lighter than Trigg.

A sadly disappointed coach Smith after the contest shook his head and said his team needed a winning attitude.

"We've got to regroup," he remarked, "... get our pride built up."

The three consecutive loss included a season- ending 27-26 loss to Union City, Tennessee last year and a 7-6 loss in the opener to Farmington this year. It's a trend that the Sikeston faithful hope doesn't continue.

There were some bright spots in the loss ...

"I thought Joey Williams caught the ball well, and Ron Friday threw the ball well. Friday played a good game at Quarterback" Coach Smith said.

Realizing that he was sounding depressed, the coach changed his tone, but not just for the reporter. There was undercurrent of determination in his voice when he said, "... but we're going to improve ... we're going to improve."

With added emphasis — "They're Sikeston Bulldogs and I'm a Sikeston Bulldog and we're gonna go out next week and try to beat Perryville!"

If, in the next five days, coach Smith does get through to his underexperienced, but plenty enthusiastic, players and they can eliminate the mental blunders, they could give a very tough Perryville Pirate team a good a game --- a real good game.

New Way Found To Stop Hair Loss, Grow More Hair

HOUSTON, Texas — If you don't suffer from male pattern baldness, you can now stop your hair loss . . . and grow more hair.

For years "they said it couldn't be done". But now a firm of laboratory consultants has developed a treatment for both men and women, that is not only stopping hair loss . . . but is really growing hair!

They don't even ask you to take their word for it. They invite you to try the treatment for 32 days, at their risk, and see for yourself!

Naturally, they would not offer this opportunity unless the treatment worked. However, it is impossible to help everyone.

The great majority of cases of excessive hair fall and baldness are the beginning and more fully developed stages of male pattern baldness and cannot be helped.

But, if you are not already slick bald, how can you be sure what is actually causing your hair loss? Even if baldness may seem to "run in your family," this is certainly no proof of the cause of YOUR hair loss.

Hair loss caused by sebum can also run in your family, and many other conditions can cause hair loss. No matter which one is causing your hair loss, if you wait until you are slick bald and your hair roots are dead, you are beyond help. So, if you still have any hair on top of your head, and would like to stop your hair loss and grow more hair . . . now is the time to do something about it before it's too late.

Loesch Laboratory Consultants, Inc., will supply you with treatment for 32 days, at their risk, if they believe the treatment will help you. Just send them the information listed below. All inquiries are answered confidentially, by mail and without obligation. Adv.

NO OBLIGATION COUPON

Cards increase lead

PHILADELPHIA (AP) — The National League East Championship apparently is going to be decided in the bullpen where the leading St. Louis Cardinals have a decided advantage over the runnerup Pittsburgh Pirates.

The point was driven home again Sunday as the Cardinals, with reliever Al Hrabosky rescuing them in the ninth, beat the Philadelphia Phillies 3-1. The Pirates, without the services of ace saver Dave Giusti, lost to Montreal 5-4.

The 25-year-old Hrabosky got the call with none out, Phillies at first and third, one run home and the Cards holding a precarious 3-1 lead. He bailed the Cards out by striking out Willie Montanez, Greg Luzinski and pinch-hitter Tony Taylor.

As a result, the Cardinals headed for Pittsburgh for a three-game series, 1 1/2 games ahead of the fading Pirates and six games in front of the allbut-mathematically dead Phillies.

Hrabosky was asked what he was thinking about when he replaced Mike Garman in the sticky ninth-inning situation.

"I thought to myself, 'I've got to get them out,'" Hrabosky recalled in the hilarity of the St. Louis dressing room. "If I blow it we're back in second. If I get 'em out the pressure is on them (the Pirates)."

Hrabosky had read the scoreboard, noting that Pittsburgh was leading Montreal at the time.

Pirates romp, 19- 7

STE. GENEVIEVE

Perryville traveled to Ste. Genevieve and came home a victor by the 19-7 winner over the weekend. The Pirates scored twice in the first quarter and once in the fourth. Darrell Niswonger scored on a six yard run in the first quarter and Bob Cissell scored on an 80 yard run. Perryville led 13-0 at the half.

Ste. Genevieve's Dave Armbuster scored on a one yard plunge in the fourth and Niswonger again scored for Perryville on a one yard play.

Mules kick hosts, 20-15

SPRINGFIELD — Coach Bob Price's Springfield-Glendale Falcons fell to the Poplar Bluff Mules 20-15 Friday night in their opening game of the season.

The Falcons Butch Caldwell busted over the one yard line early in the first qaurter for a six point lead. David Nevill kicked the extra point for a first quarter score of 7-0.

The only action in the second quarter was a fumble by Mike Moss for Poplar Bluff on the one yard line.

The Mule's Moss redeemed himself in the top of the third quarter with a one yard plunge. The kick following was missed. Springfield followed with a 22 yard run by Caldwell for a touchdown. Bob Talgge ran off tackle for the two point conversion.

Bluff quarterback John Casey shot for one yard and the third Mule touchdown during the second half. Casey passed to Jeff Jones for the two point conversion. With 15 seconds left in the fourth quarter Casey ran a one yard off-tackle play for a 20-15 win for thee Mules.

The Mules are now 1-1 for the season with a loss going to Fox of Arnold last week.

Rebels blank Mizzou

JACKSON, Miss. (AP) — The Mississippi Rebels made southern hospitality a lethan weapon when they staged "Show Me" night for the Missouri football team.

The Rebels revealed almost everything a coach could want as they upset 18th-ranked Missouri 10-0 Saturday night.

Oft-injured quarterback Kenny Lyons was in his best form since 1971 as Ole Miss struck for a third period touchdown and a fourth period field goal.

Punter Greg Breland boomed them out at will, giving the Rebels a monopoly on field position and his mates showed aggressive play which produced two scoring pushes while throttling the Tiger offense.

"That was the cleanest opening game I have ever been associated with," said Ole Miss Coach Ken Cooper, frankly jubilant about winning in his debut as a head coach. "The entire team played super football."

The first half was a battle of defenses, with Ole Miss getting to the Missouri 30 in its deepest penetration and Missouri got to the Reb 39.

"I was a little concerned at the half that we kept on having good field position, but couldn't do anything about it," Cooper said. "Our halftime adjustments enabled us to have a more effective offense. That's the name of the game: being able to adjust."

"There's no question that we played against a fired-up Mississippi team," said Missouri Coach Al Onofrio. "Their kicking game kept us pretty well backed up all night."

Cooper agreed, "Greg Breland saved us. His punting was just a tremendous factor."

When the offense began clicking, it made up for lost time.

Lyons marched the Rebs 71 yards in 18 plays to score just before the final quarter bagan. He hit on four passes for 28 yards, including a fourth-andthree toss to flanker Rick Kimbrough on the Tiger 28. Lyons added three yards on three runs, one of them for a first down, and one for the touchdown.

The field goal came on a 21yard boot by Steve Lavinghouze after Ole Miss marched 45 yards to the Missouri 4. Lyons ran three times for 17 yards during the drive.

The Tigers kept the ball only six minutes 17 seconds in the second half and made only two first downs. Over-all, Ole Miss led 17-7 in first downs and 199118 in rushing yardage. In passing, Missouri completed four of 12 for 58 yards, with two interceptions, and Ole Miss completed six of 13 for 44 yards, with one interception.

Tiger tailback Bill Zeigler led runners with 76 yards on 15 tries while fullback Paul Hofer got 64 on 15 for Ole Miss.

Lyons did all the Rebel passing while Ray Smith and Steve Pisarkiewicz handled the chore for Missouri. Smith completed three of six for 49 yards with one interception.

Surprises in NFL

By THE ASSOCIATED PRESS

You can grade the National Football League's opening day D for defense.

Don't feel too sorry for the Miami Dolphins, 34-24 upset losers to the New England Patriots in their NFL opener Sunday. After all, the defending world champions did score three touchdowns and a field goal, and that's considerable more than some clubs managed on a day of defense-dominated openers.

Baltimore was shut out by Pittsburgh 30-0 and Atlanta was blanked by Dallas 24-0. St. Louis managed only one touchdown, but that was enough to whip Philadelphia, which managed only one field goal, 7-3. Four other clubs scored 10 points or less.

Cincinnati ripped Cleveland 33-7, Washington tagged the New York Giants 13-10, Chicago topped Detroit 17-9, Los Angeles beat Denver 17-10, Minnesota whipped Green Bay 3217, Houston downed San Diego 21-14, San Francisco shaded New Orleans 17-13 and Kansas City stopped the New York Jets 24-16.

The NFL's opening weekend concludes tonight with Buffalo facing Oakland in a nationallytelevised game.

Patriots 34, Dolphins 24

While the defenses ruled other games, Miami's didn't seem ready. Jim Plunkett picked the Dolphins apart for 177 yards and running backs Mack Herron and Sam Cunningham gained 88 and 87 respectively as the Patriots sprung their surprise on the Super Bowl champs. The 34 points were the most allowed by the Dolphins since 1971.

New England ran up a 31-10 margin and then held off a late Miami comeback. Larry Csonka scored two TDs for the Dolphins.

Cardinals 7, Eagles 3

Jim Hart's four-yard scoring pitch to Donny Anderson produced the game's lone touchdown as St. Louis defeated Philadelphia.

Redskins 13, Giants 10

Mike Bass returned an interception for one touchdown and then recovered a fumble to set up another in Washington's victory over the New York Giants.

49ers 17, Saints 13

New Orleans was leading 1310 with less than two minutes to play but punter Donnie Gibbs fumbled a snap and was swarmed under by five San Francisco defenders, turning the ball over to the 49ers.

On the next play, Sammy Johnson went nine yards for the winning touchdown.

Steelers 30, Colts 0

Pittsburgh fans were hooting quarterback Joe Gilliam during the first period when the Steelers' new signal caller managed only two completions for 12 yards.

But Gilliam erased the boos with two touchdown passes, gaining 257 yards through the air to lead Pittsburgh to its romp over Baltimore.

Cowboys 24, Falcons 0

Roger Staubach, returning to action from cracked ribs, passed for one touchdown and ran for another in Dallas' victory over Atlanta.

Chiefs 24, Jets 16

Kansas City intercepted Joe Namath four times with Marvin Upshaw and Emmett Thomas returning two of the thefts for touchdowns.

Rams 17, Broncos 10

Cullen Bryant returned a Denver kickoff 84 yards for a rally-killing touchdown that helped Los Angeles past the Broncos.

Oilers 21, Chargers 14

Houston won its first opener since 1970 and its first home game since 1972, beating San Diego on three touchdowns by George Amundson.

Vikings 32, Packers 17

Green Bay stayed with Minnesota for a while but turnovers eventually caught up with the Packers. The Vikings forced Green Bay to cough up the football four times and scored after three of the turnovers.

Charleston forms Little League

The Charleston Little League Football Program is currently engaged in a fund-raising drive to raise money for equipment and uniforms.

Boys participating in the program are selling decorative candles door to door in an attempt to raise $1,800 to cover the rest of the cost of the equipment.

The four team sponsors; Jaycees, VFW, French Implement Co., and State Farm Insurance have each donated $300 dollars. The total cost of the equipment is $3000. The VFW has announced plans for a benefit Fish Fry to be at the Post home on Friday, Sept. 20.

Enough equipment has been purchased to equip 100 boys. At present 84 boys have signed up leaving space for another 16. If parents are interested in having their fifth and sixth graders participate in the program, they should call Herbert Marshall. Boys over 12 years of age are not eligible to join, redardless of their grade in school.

The league will start action Sept. 28 with two games each weekend. The first game will begin at 9 a.m. Saturday.

The second game will follow the first at 10:30 a.m.

Admission will be 50 cents for adults and 25 cents for children.

Central upended in opener

ST. LOUIS — Parkway West broke open a 7-7 deadlock with a pair of third quarter touchdowns and defeated Cape Girardeau Central 21-13 Saturday night.

Jim Heineman put the ST. Louis power on the board in the first quarter with a two yard plunge and Bob Schlegge kicked the extra point for a 7-0 lead.

The Southeast Missouri Tigers charged back with a second quarter seven point performance to send the game into a tie at half. David Gross hauled in a Eric Lee pass and sprinted 50 yeads for the score with Bob Gessert kicking the extra point.

Larry Doehle put Parkway West in the lead when he picked up a fumble and returned it 35 yards for a TD. Schlegge kicked the extra point for a 14-7 advantage. Ted Burns put the game out of reach with a 29 yard pass combination with Matt Harloe. Schlegge kicked the extra point.

Cape's final score came in the fourth period when Gross carried a Lee pass six yards. A two point conversion run failed.

Razorbacks shock Southern Cal.

It was just like 1971, "fullback John Moran crowed after the seventh-ranked Nebraska Cornhuskers flattened Oregon 61-7 Saturday.

FALKOFF'S

WILL BE CLOED
ALL DAY TUESDAY
SEPT. 17
IN OBSERVANCE OF
RELIGIOUS HOLIDAY
OPEN WEDNESDAY

"I'd like to think we could have a chance to be No. 1 just like Southern Cal did after they beat us in 1972," said Arkansas Coach Frank Broyles after his young Razorbacks shocked Southern Cal 22-7.

For those with short memories, Nebraska stomped Oregon 34-7 to start the 1971 campaign and went on to a second consecutive national championship. In the 1972 opener, Southern Cal trimmed Arkansas 31-10 and went on to win national honors. But for the Trojans, No. 5 in the latest Associated Press poll, the first weekend of 1974 was anything but similar to 1972.

Oregon boasted eight returning starters from the No. 2 defense in the Pacific 8 Conference last fall, but Nebraska exploded for 333 yards on the ground and 139 more through the air. Dave Humm accounted for all the passing yardage by completing eight of 12.

Meanwhile, Nebraska's famed "Black Shirt" defense limited Oregon to 191 yards over-all, held the Ducks without a first down until late in the second period and shut them out until the game's final four minutes.

The rest of the Top Ten teams all survived their openers, but for some it was rather hairy.

No. 1-ranked Oklahoma needed three touchdowns in the fourth quarter to dispose of Baylor 28-11, third-ranked Alabama stormed to a 14-0 lead and held off No. 14 Maryland 21-16, fourth-ranked Ohio State turned back Minnesota 34-19, No. 6 Michigan defeated Iowa 24-7 without quarterback Dennis Franklin, No. 8 Penn State used a late touchdown to beat Stanford 24-20, No. 9 Louisiana State crushed Colorado 42-14 and 10th-ranked Texas buried gBoston College 42-19.

Second-ranked Notre Dame opened last Monday night with a 31—triumph over Georgia Tech.

It was the first time the Trojans' offense had failed to score since 1967. Anthony Davis got their touchdown—and a temporary 7-7 deadlock in the first period—with a 100-yard kickoff return.

Arkansas' defense, led by linebacker Dennis Winston and safety Floyd Hogan, stifled Southern Cal's high-powered offense. Hogan set up 10 points with two interceptions and Winston dogged Davis' footsteps as the flashy tailback was held to 74 yards in 20 carries.

Oklahoma needed a 438-yard rushing effort, 156 in 17 carries by Joe Washington, to overcome four lost fumbles and eight penalties against stubborn Baylor.

Scoring jaunts of seven and 73 yards by Calvin Culliver gave Alabama its two-touchdown lead over Maryland but the Crimson Tide needed a fake punt and two fourth-period turnovers—a fumbled punt and a deflected interception—to hold off rugged Maryland.

Ohio State's Archie Griffin rushed for 133 yards against Minnesota and set a school record of 2,577. Quarterback Cornelius Greene, who ran and passed for 213 yards, sealed the triumph with a 57-yard gallop in the fourth quarter.

With Michigan's Franklin out with a virus, untested Mark Elzinga scored one touchdown and passed to Gil Chapman for another.

Heisman Trophy winner John Cappelletti wasn't around to barrel through opposing defenses, Penn State turned to new formations—Wing-T, Double Wing and a bunch of flanker reverses—to go with Coach Joe Patrno's standard I.

The Nittany Lions, however, did not overtake Stanford until a late 80-yard drive, climaxed by Woody Petchel's one-yard plunge with 2:19 left.

Texas quarterback Marty Akins was shaken up early against Boston College but Mike Presley stepped in and led the Longhorns to a 21-3 halftime lead by scoring at the end of a 95-yard march and setting up two other touchdowns.

Big Red defense shines

ST. LOUIS (AP) — The St. Louis Cardinals thought they'd seen the script before, but it had a different ending Sunday.

The National Football League club, beaten at the final gun by the Philadelphia Eagles in a 1973 meeting, turned the tables and held on to beat them 7-3.

"I don't how many times we've come down to the final minutes and wound up with nothing," remarked Cardinals quarterback Jim Hart, who threw a four-yard touchdown pass.

"It's good to do it to somebody else for a change," he noted. "We have to give all the credit today to the defense."

Penned up for three quarters, the favored Eagles set out as if to make final amends on a drive from their own 21 in the game'sfinal two minutes.

And, with Roman Gabriel's passes and Po James' runs heading the attack, they glided quickly to a first down at the St. Louis 9.

There, however, a Gabriel pass sailed into the hands of wide receiver Harold Carmichael in the corner of the end zone ly to be ruled out of bounds.

Gabiel on second down missed an aerial intended for Tom Sullivan and on third down was unable to hit Don Zimmerman beyond the goal.

On fourth down Gabriel again went to the 6-foot-8 Carmichael for what looked like the winning score, but cornberback Norm Thompson reached in to bat the ball away.

"Those passes drove me nuts," acknowledged Cardinals Coach Don Coryell, who had watched a final-second Gabriel peg to Zimmerman beat his team 27-24 last year.

'And we'd just missed a touchdown and a field goal," Coryell added. "Then they darn near drove all the way."

Manufacturing the Cardinal triumph was an 80-yard surge in the second quarter ignited by Hart after Tom Dempsey's early 44-yard field goal lifted the Eagles on top 3-0.

Hart whipped a 20-yard pass to fleet Mel Gray, Ken Willard twice ran for 11-yard gains and Donny Anderson hauled in a flat pass to cap an 80-yard drive.

Hart completed 13 of 27 passes for 192 yards.

The Cardinal defense nullified Gabriel's 23-for-39 passing by sacking him five times.

'Any time you can keep an NFL team from scoring a touchdown it's something," Hart noted appreciatively, "But when it's against someone like Gabriel it's extra."

"The game ball goes to the defense as a whole," Coryell said. "we're going to buy a trophy case somewhere and put it in there."

PHILADELPHIA (AP) — The Philadelphia 76ers announced Sunday they signed Walt Wesley, an eight-year veteran of the National Basketball Association who played last season with the Capital Bullets of Washington.

With the 29-year-old Wesley aboard, the 76ers now have 28 players on their roster. Seventeen will report to camp Monday for the season's opening training session at Ursinus College, with veterans coming Thursday.

Wesley, 6-foot-11, has a career total of 4,898 points in the NBA.

Today in U. S. History

By THE ASSOCIATED PRESS

By The Associated Press Today is Monday, Sept. 16, the 259th day of 1974. There are 106 days left in the year.

Today's highlight in history:

On this date in 1940, President Franklin Roosevelt signed the Selective Service Act, setting up the first peacetime military draft in U.S. history.

On this date —

In 1630, the village of Shawmut, Mass., changed its name to Boston.

In 1638, the future French king, Louis XIV, was born.

In 1850, slave trading was forbidden in the District of Columbia.

In 1862, the Civil War Battle of Antietam began in Maryland.

In 1945, after World War II, Japan surrendered Hong Kong to the British, and the Union Jack was raised over Government House in the crown colony.

Ten years ago: It was announced that a cease-fire had gone into effect in Yemen, endin a two-year civil war that had involved opposing forces from the United Arab Republic and Saudi Arabia.

Five years ago: Miss Angie Brooks of Liberia was overwhelmingly elected president of the 24th General Assembly of the United Nations.

One year ago: Democratic Senator William Mondale of Minnesota urged Congress to create a study commission to recommend methods to insure that the White House would be accountable to the American people and the Congress.

Today's birthdays: Actor Peter Falk is 47. Guitarist Charlie Byrd is 49.

Thought for today: Think wrongly, if you please; but in all cases think for yourself — Gotthold Lessing, German dramatist and critic, 1729-1781.

CAPE GIRARDEAU — The President of the Missouri School Board Association and a prominent professor of education at St. Louis University will speak Wednesday at the ninth annual fall conference of the Southeast Missouri Secondary School Principal's Association at the Holiday Inn here.

Theme of the conference will be "Bridging the Communication Gap in the School Community."

Both the school board association president, Norman E. Wolff of Florissant, and the professor, Dr. Adolph Unruh, will focus on the relationship between the secondary school principal and the school board.

The meeting is jointly sponsored by the principals' group and the Division of Education and Psychology at Southeast Missouri State University. About 125 principals, supervisors, and directors of secondary education usually attend the conference, according to Dr. Willard J. Morgan, professor of education at Southeast Missouri State and advisor to the principals association.

Attendance could be larger this fall, however, because members of the association have been asked to invite their superintendents and school board members to the meeting.

The conference will begin with registration and a coffee hour from 9-10 a.m. At 10 Dr. Bill W. Stacy, associate professor of speech at Southeast Missouri State, will extend greetings from the university. A short business meeting will follow.

Wolff and Dr. Unruh will speak between 10:40 and 11:40 a.m. Following a luncheon, there will be small group discussions. Adjournment is expected about 2:15 p.m.

Richard A. Simpson, principal of Fox C-6 High School in Arnold, is president of the principal's association. Other officers are Clarence Wessel, principal of R-II Chaffee High School, vice president, and Lanny W. Barnes, principal of Central Junior High School in Cape Girardeau, secretary- treasurer.

Apples, Apples

In late April and early May a large, mature apple tree will produce between 50,000 and 100,000 blossoms, in clusters of five or six. If all the blossoms were to set fruit, the tree would produce as many as 800 bushels of small apples. Usually a mere 2 to 5 per cent of the apple blossoms set fruit that develops into maturity, yielding 15 to 30 bushels of apples.

Club members work for community

Members of the Marston Civic Improvement Club and Senior Citizens Club, who worked to secure funds for carpeting of the newly completed annex to the C. M. Barnes Community Center by cooking and selling tickets for a ham and bean dinner and supper served to 225 persons Thursday, from left, are Mrs. Mabel Denison, cook; Mrs. Rosa Fausett, second highest ticket seller; and Mrs. Gena Lee Tims and Mrs. Alma Mahar, cooks. Mrs. Inez Baldwin sold the most tickets, 47, and Mrs. Bobbie Williams also was a cook.

Barnes Community Center open house, dedication set

MARSTON — Dedication and open house programs Oct. 13 for the C. M. Barnes Community Center will highlight a successful cooperative improvement and expansion project spearheaded by the Marston Civic Improvement Club, Senior Citizens Club and city officials.

The newly completed expansion is an annex connecting the city hall and the community building. Both buildings were given to the city by the late C. M. Barnes, a prominent landowner whose family was among the early settlers in the city.

The city hall building has been in use for several years, but until city officials agreed to let the Civic Improvement Club use the community building, it had remained vacant and in disrepair.

A clean-up, fix-up campaign was initiated by the CIC. About that time the Senior Citizens Club was formed, and since many of the women are members in both organizations, the groups joined forces to renovate the buildings.

Walls were painted, kitchen facilities were installed and lineoleum floor covering laid. Increased membership and activities in both groups prompted action to enlarge and improve the facilities.

Funding of the expansion project has been 50 per cent by the city and 25 per cent by the CIC and Senior Citizens Club.

The new 60- foot by 20-foot air conditioned annex, which will be used as a meeting room for service clubs and organizations and the city council, features paneled walls, red velveteen draperies and will soon be fully carpeted.

A ham and bean dinner and supper Thursday sponsored by the CIC and Senior Citizens Club assured funds for this finishing touch.

The dedication program and open house for the public to view the new facility will follow a noon carry-in covered-dish dinner.

Madrid floodway report expected within a month

WASHINGTON, D. C. — A review of plans for the St. John's Bayou- New Madrid Floodway project is expected to be completed within a month.

Sen. Stuart Symington (D-MO) was advised of the decision by the Office of the Chief of Army Engineers, which is currently reviewing a district report on the project.

The plan, recommended by the district and division offices of the U. S. Army Corps of Engineers at Memphis and Vicksburg would include channel improvements, pumping stations and water control structures in Scott, Mississippi and New Madrid counties to provide needed flood control for 124,400 acres and fish and wildlife protection. The area that would be protected is some of the most productive farmland in America.

The total estimated cost of this project is $21,966,000 and is anticipated to return $2.20 in benefits for each dollar invested.

After review by the chief of engineers, the plan would be sent to the Secretary of the Army and the Office of Management and Budget for approval before being forwarded to the Congress for authorization and funding.

The study of the problems in the St. John's Bayou- New Madrid Floodway area was authorized by a resolution sponsored by Senator Symington and approved by the Senate Public Works Committee. The original report was prepared by the Memphis District office of the Corps of Engineers.

Car stolen; suspect held

NEW MADRID — A car belonging to City Marshal Virgil "Flip" Dees, which was stolen early Sunday morning from the driveway at his home on Highway 61 South, has been recovered and a 15- year-old Marston boy suspected of the theft is in custody.

Recovery of the car and the arrest by the highway patrol followed a high speed chase reportedly nearing 100 miles per hour on Interstate 55 in Pemiscot County. The driver lost control of the vehicle which ran off the road, across a ditch and stopped in a field.

Dees said the car was not damaged and that he was unaware that it had been stolen until he was notified by the patrol.

Some African tribes believe that magic can be worked against them if their footprints fall into the wrong hands.

Water tower to be torn down

50 years ago
September 16, 1924

Mr. and Mrs. John Davis and son, Paul, of East St. Louis, arrived Saturday for a visit with the E. J. Malone family.

Mr. and Mrs. C. L. Malone were visitors in St. Louis several days of last week.

The following enjoyed the weekend camping at Wahite: Misses Myra and Burnice Tanner, Ruby Evans, Marjorie Smith, Shy, Helen Grojean, Caldwell, Lois McCord, and Coach Lingle, A. C. Barrett, Jean Hirschberg, Dr. McClure, Butler, Harmon, Byron Bowman, Roger Bailey, Mr. and Mrs. Ernest Arterburn, and Dr. and Mrs. W. A. Anthony.

Mr. and Mrs. Scott Alexander of Charleston were over Saturday and Sunday for a visit with their daughter, Mrs. Jos. L. Matthews, and family.

40 years ago
September 16, 1934

P. D. Malone left Monday and David Keasler on Sunday, both for Cape Girardeau, where they enrolled as students at Southeast Missouri State Teachers College.

Mrs. Elodie Sheppard entertained with a dinner Sunday complimenting Miss Lavinia Moll, who on Monday celebrated her birth anniversary.

Z. W. Killgore and Charles Allen Cook left Saturday for Fayette, where they will attend Central College this winter

Ed Grooms of Bertrand died Sunday of injuries which he sustained when the Ford roadster he was driving ran into a small concrete bridge, three miles west of Charleston late that same afternoon.

30 years ago
September 16, 1944

Lt. Allan L. Swaim, after 22 months of overseas duty in North Africa and Italy, is back home on leave. He is the son of A. L. Swaim of Sikeston.

Miss Betty Ann Northington, daughter of Mr. and Mrs. Wm. Northington, left Wednesday for Athens, Ga., where she will stay with her aunt, Mrs. Ruth Welman, and attend school.

Bill Wagner, son of Mr. and Mrs. R. H. Wagner, left Monday for St. Louis, where he will take his physical examination for the Navy.

Mrs. Oren Nix and daughter, Jane, left Tuesday for Brady, Tex., where they will join their husband and father, Capt. Oren Nix, who was transferred there several months ago.

20 years ago
September 16, 1954

Word has been received here from the University of Missouri, that Fielding Potashnick, son of Mr. and Mrs. Gene Potashnick, 107 W. Gladys street, has assumed the duties of president of the Student Government Association at the University, succeeding Jerald Lee "Jerry" Reeves, the elected president, who has been called for induction into the armed forces this fall.

Charleston -- James H. Cogdill, 68, of Deventer, died at his home Tuesday, following an illness of a few days caused by a stroke and heart ailment.

Charleston-- James Hardin Hill, 85, a resident of Hornersville since 1938, died Monday in St. Mary's Hospital, Cairo, where he had been a patient for more than three years. His death was caused by a stroke.

Another link with the past and days when trains belched dense clouds of smoke as the straining engines hauled their long lines of cars through the city is giving way to progress. The watertank that was erected way back in the days when the old Cairo, Arkansas and Texas Railroad came through town to later become the Missouri Pacific Lines, is being torn down. For years it has been standing at the edge of Malone avenue, across from the present Kroger store, but of late months its only usefulness seems to have been to drip water onto the pavement and serve as a reminder of days that have gone. It was built immediately after the Civil War, almost 90 years ago.

Mrs. Frank Miller has assumed duties as a member of the faculty of the Jackson schools, which her son, Bryan, will also attend. Mrs. Miller plans to keep her residence in Sikeston however, and will spend weekends here.

We wish to announce that Mr. P. J. Ponder, jr., who for the past nine years was manager of the J. F. Cox Motor Co., is now associated with our company in the new and used car and truck sales department. Mitchell- Sharp Chevrolet Co.

MINEOLA, N.Y. (AP) — A study by the Nassau County Department of Public Works indicates that traffic lights are no guarantee against accidents.

Comparing accident rates at 26 intersections before and after installation of traffic lights, the researchers discovered there had been 154 accidents in a two to three year period before, and 157 after. Injuries increased from 83 to 95 and fatalities dropped from three to two.

In pursuant of the provisions of Ordinance No. 2031 of the City of Sikeston, public notice is hereby given that the following named individuals have filed application in the Office of the City Clerk for license to sell intoxicating liquor or beer at retail as indicated at the location in said City herein after set after their respective names to wit:

Shirley J. Keegan to sell 5% beer at 1201 E. Malone Ave.

These applications will be considered at the next meeting of the City Council to be held at the City Hall in the City of Sikeston, Missouri. Any person or persons who may have lawful objections to the issuance of licenses to the above named individuals for the operation of the establishment named, or the location indicated, may file their objections with the City Clerk.

John W. Vaughn
City Clerk

Deaths

EURTLE RALPH DUKE

BLOOMFIELD — Services for Eurtle Ralph Duke, 60, who was accidentally killed Friday at the Swift and Co. processing plant in Dexter, were conducted at 2 p.m. Sunday in Chiles- Cooper Funeral Home by the Rev. Elmer Cates.

Burial was in Bernie Cemetery.

He is survived by his widow, Roma White Duke; two sons, Dennis Duke of Torrance, Calif., and John Duke of the home; one daughter, Denola Duke of the home; his mother, Artie Duke of Wichita, Kan.; one brother, Leonard Duke of Clarksville, Ark.; three sisters, Inice Broomfield of Clarksville, Ark., Jean Hunt of Wichita and Pat MacElroy of San Antonio, Tex.; and two grandchildren.

FRANCES M. SLATEN

CAPE GIRARDEAU — Mrs. Frances Marie Slaten, 56, formerly of Sikeston, died at 3 p.m. Sunday in Lucy Lee Hospital at Poplar Bluff.

Born June 26, 1918 at Blytheville, Ark., she was the daughter of the late Vernon and Dora Mullis.

On Oct. 27, 1939, she married Ben Slaten, who survives.

Also surviving are two sons, Max Slaten of Sikeston and Danny Slaten of the home; two daughters, Mrs. Benna Kay Johnson of Caruthersville, Mrs. Jennifer Leah Moseley of Sikeston; one sister, Mrs. Dorothy Gentry of Sikeston; one brother, Juliah Mullis of Caruthersville; and five grandchildren.

Friends may call at Nunnelee Funeral Chapel in Sikeston, where services are scheduled at 2 p.m. Tuesday. Manly Luscombe, minister of Shady Acres Church of Christ, will officiate.

Burial will be in Memorial Park Cemetery.

ARTHUR KNIGHT

ESSEX — Arthur Knight, 70, a retired farmer, died Sunday at Dexter Memorial Hospital.

He was born Aug. 15, 1904 at Gray Ridge to the late Andy and Katherine Knight.

On May 23, 1941, he married Laura Ellen Niederstadt, who preceded him in death Feb. 12, 1962.

Other survivors include one son, Bill Knight of Chester, Ill.; one daughter, Vickie McCollum of Bloomfield, one stepdaughter, Sue Wisemore of Gary, Ind.; two stepsons, Holland Niederstadt of Buckeye, Ark., and Chester Niederstadt of Essex; and nine grandchildren and six great-grandchildren.

Services are scheduled at 1 p.m. Tuesday in Watkins and Sons Funeral Home at Dexter with the Rev. Ray Duffey officiating.

Burial will be in Essex Cemetery.

CHESTER CLARK

ESSEX — Chester Clark, 78, died at 3:40 a.m. Saturday in Missouri Delta Community Hospital at Sikeston.

He was born Dec. 4, 1895 in Greensboro, Ill., to the late Andy and Harriet Wheeler Clark and was a member of the General Baptist Church.

On Sept. 9, 1916, he married Ann Tucker, who survives.

Other survivors include one stepdaughter, Wilma Lemons of Dexter; one half brother, Ernest Wheeler of Gray Ridge; one sister, Mary Clark of Peoria, Ill.; and four grandchildren and 10 great-grandchildren.

Services were conducted at 2 p.m. today in Watkins and Sons Funeral Home in Dexter by the Rev. W. R. Elledge.

Burial was in Essex Cemetery.

JOHN A. HILL

John A. Hill, 89, of 615 Daniel St. died at 6:45 p.m. Saturday at his home.

Born Feb. 15, 1885 in St. Joseph, Tenn., he was the son of the late William and Sally Hill.

On May 6, 1909, he married Etta Wiley, who survives.

Also surviving are two sons, Ira Hill of Sikeston and Jim Hill of Louisville, Ky.; five daughters, Mrs. Amy Vest of New Albany, Miss., Mrs. Wilma Kelley of Jerusalem, Ark., Mrs. Imo Throop and Mrs. Emogene Dollar of Sikeston; and Mrs. Ola Kelley of Gray Ridge; one brother, Luther Hill of Sand Springs, Okla.; one sister, Mrs. Ada Thompson of Weatherford, Okla.; and 26 grandchildren and 25 great-grandchildren.

Services were conducted at 2 p.m. today in Nunnelee Funeral Chapel with Manly Luscombe, minister of Shady Acres Church of Christ, officiating.

Burial was in Memorial Park Cemetery.

Pallbearers were Paul Dollar, David Dollar, Eddie Throop, Mark Throop, John Vest and Jimmy Vest.

ED BRANUM

Ed Branum, 66, of 410 E. Gladys St. died Saturday at 1:30 a.m. in Missouri Delta Community Hospital.

Born Feb. 16, 1908 in the Farrenburg community, he was the son of the late John and Clara Branum and was a retired employe of the Sikeston Board of Municipal Utilities.

He is survived by his widow, Willie Irene Branum; one son, Howard Branum of Jonesboro, Ga.; two daughters, Mrs. Laquitta Denton of Crystal Lake, Ill., and Mrs. Patricia Kelly of Goetpingen, Germany; two sisters, Mrs. Izetta Weeks of Bell City and Mrs. Virginia Ragland of Detroit, Mich.; and five grandchildren.

Services were conducted at 2 p.m. today in First Church of the Nazarene by the Rev. Eldon Russell.

Burial was in the Sikeston City Cemetery with Nunnelee Funeral Chapel in charge of arrangements.

Pallbearers were Eural Hinton, Curtis Cline, Luther Campbell, Bill Blackburn, John Scarbrough and Clyde Launius.

NATHAN BELL

DORENA -- Services for Nathan "Love" Bell, 75, who died Thursday at his home, are scheduled at 1 p.m. Tuesday in Macedonia Baptist Church with the Rev. James Crook, pastor, officiating.

Burial will follow in Oak Grove Cemetery near Charleston.

Friends may call tonight at Sparks Funeral Home in Charleston.

WILLIE KINCADE

CHARLESTON (Special) — Services were conducted at 10 a.m. Friday for Willie Kincade, 39, who died Sept. 9 at Chapel Hill, N.C.

Burial was in Oak Grove Cemetery near Charleston.

CORA BENTHOL

PORTAGEVILLE — Mrs. Cora Benthol, 73, died Sunday in Pemiscot County Memorial Hospital in Hayti.

She was born Feb. 14, 1901 in Leeper, to the late George and Cora Hooten Hesley. In 1945 she was married to Enis Benthol, who died Dec. 5, 1962.

Survivors include two sons, John Driver of St. Joseph, Mich., and Edward Mitchell of Elkhart, Ind.; two daughters, Violet McBride of Flint, Mich., and Mary Blair of Houston, Tex.; two sisters, Viola Beard and Jewell McFaden of Leeper and 22 grandchildren and 13 great grandchildren.

Services are scheduled at 2 p.m. Tuesday in DeLisle Funeral Home with the Reverend Royal Roberts officiating. Burial will be in Portageville Cemetery.

50 injuries treated

Fifty accident patients were treated and released over the weekend in the emergency room at Missouri Delta Community Hospital.

Thirteen treated Friday were: Gary L. Adkisson, 29, Charleston, bruised right wrist, kicked in hand by calf; James M. Arnold, 9, Sikeston, injured left ankle, twisted foot; Roy Bonner, 22, Sikeston, injured right shoulder in fall; Orne L. Finley, 54, Sikeston, stuck needle in finger of right hand while sorting linen.

Jerry R. Grover, 15, Sikeston, bruised right big toe when weight dropped on foot; Rilley E. Hampton, 14, Sikeston, injured left hand on latch to gymnasium door Kimberly J. McFarlan, 13, Sikeston, sprained right ring finger at school.

Nora Northern, 44, Sikeston, injured left ankle in fall on step; E. R. Pulliam, 77, Bertrand, stuck steak knife in right hand; Walter Richards, 18, Sikeston, bruised left side of neck while playing football; Linda K. Stephens, 25, Bernie, cut left index finger with knife; Norman Tucker, 36, Sikeston, cut scalp in fall down stairs; and John H. Works, 17, Sikeston, strained back at work.

Twenty- one treated Saturday were Murlean Eckles, 38, Sikeston, fractured left knee in fall; Joseph Rennier, 50, Sikeston, mashed middle finger of left hand; Pamela Smith, 9, Bertrand, puncture wound to right leg, bitten by dog; Cathy Whitehead, 20, Cape Girardeau, treated but not injured in car accident.

Receiving minor injuries in a car accident were Johnathan Whitehead, 4, Natalie Whitehead, 6, Virgle Whitehead, 13, Nancy Whitehead, 15, and David Whitehead, 8, of Bernie and Deanna Whitehead, 11, Bertrand.

Howard Carden, 10, East Prairie, fractured right forearm while playing ball; Lula Williamss, 51, Charleston, injured in car accident; Billy Outland, 37, Sikeston, injured back at fair; Audrey Cantrell, 7, Sikeston, bruised in fall; Melisia Barnes, 7, Morehouse, cut left foot on glass; Linda Rogers, 17, Sikeston, bruised when hit by car; Sonja Dixon, 9, Sikeston multiple scratches in motorcycle accident.

Thomas Sutton, 12, Morehouse, sprained right wrist while playing ball; Rosa Cotton, 54, Charleston, injured left leg in fall; Michael Roberts, 2, Sikeston, cut left eyebrow in fall against coffee table; and Paul Pullen 4, Charleston, bruised neck in fall from tricycle.

Sixteen treated Sunday were Randall D. Laster, 43, Bertrand, bruised right big toe with lawn mower; Murril J. Garrett, 21, Bell City, cut right knee in fall; George T. Oliver, 20, Granite City, Ill., fractured second and third finger of left hand when car rolled over on left hand; Shane S. Triplett, 15 months, Sikeston, bruised left ankle, car door slammed on left foot.

Jane P. Whitaker, 20 months, Florissant, strained left shoulder; Charles J. McKinley, 13, Bertrand, bruised right thumb while playing football; Michael A. Moyers, 12, Sikeston, sprained left foot in fall; Randy N. Eskew, 18, Sikeston, small cut to left index finger; Lizzie Freeman, 63, catron, bruised chest in car accident.

Bessie M. Jones, 60, Catron, bruised head and right arm in car accident; Otis R. Hise, 8, Matthews, cut right ankle on mirror; Bill Britton, 23, Bell City, scratched, cut and bruised right foot in motorcycle accident.

Allen Lynch, 4, Sikeston, fractured left wrist in fall; Tammy Hughes, 12, Benton, fractureed left foot, second toe; Ricky Rogers, 18, Morehouse, bruised index finger at work; and Sherry Leonard, 10, Sikeston, bruised left elbow in fall.

by residents in March 1971, with the remaining cost being funded through the environmental development agency.

In addition to the treatment plant, a 200,000-gallon elevated storage tank was constructed at a cost of $112,800, and $231,083 was spent on the water distribution system.

As part of the distribution system, 2.8 miles of 12, 10, 6 and 4 3/4 inch pipes were laid, along with the installation of 1,177 water meters, additional fire hydrants and other miscellaneous items.

A 500- gallon per minute water supply was driven, to be used with the existing 800- gallon per minute well, at a cost of $13,788.

In the sanitary sewer program, 1.4 miles of eight and six- inch pipes have been installed, along with two lift stations, manholes and service wyes at a cost of $129,218. Also, 1.2 miles of 24, 30 and 36- inch concrete pipes were installed along Shannon, Folk, Ramsey and South Martin streets in the storm sewer project. This cost $65,531, with 50 per cent of the installation being done by the city and the remaining work being contracted.

The City Council has indicated that $27,255 of interest earned on bond issue money will be used to correct problems with the main lift station at the intersection of North and Williams streets.

See pictures on page 3 of today's Daily Standard.

Rock thrown at police car

PORTAGEVILLE — Police officer Roy Hurley reported someone hurled a three- pound rock through the back glass of a police car at 3:40 a.m. Sunday while he was driving south on Interstate 55 just off Highway 162 East. Hurley was not injured.

2 fined $100

EAST PRAIRIE — Two persons were arrested over the weekend on driving while intoxicated charges. Paying fines of $100 each were Virgil Coke of St. Louis and Roy Patrick of East Prairie.

A charge of careless and heedless driving brought a $25 fine to Ernest Christian. Paying $15 fines each on speeding charges were N. B. Key and Dennis Humes. Fines of $10 each were paid by John Ruper, Joe Sorrells, Roger Brooks and Lepha Roberts on speeding charges.

Illegal parking charges brought $2 fines each to H. L. Lewis, J. L. Emory and Herbert Chappell.

Con't from page 1

and Griffin acknowledged that some congressional leaders at the meeting voiced opposition to Ford's action.

The President also provided for a new type of military discharge, a clemency discharge, that would go to military personnel who satisfactorily participated in the clemency plan.

In a proclamation and accompanying the executive order establishing the program, Ford did not specify the precise kinds of alternate service that would be required.

But the White House press office said there would be a ban on jobs "for which there are more numerous qualified applicants than jobs available." The press office also said pay would compare reasonably with that of men or women entering military service.

Young Americans who fled to other countries to avoid military service would be granted a 15-day grace period after re-entering the country before they would have to report appropriate authorities.

All participants in the program would have to acknowledge allegiance to the United States.

Those who shun the program or do not satisfactorily complete their part of the clemency offer would be subject to prosecution.

Ford, in explaining his move, said in the proclamation:

"In furtherance of our national commitment to justice and mercy these young Americans should have the chance to contribute a share to the rebuilding of peace among ourselves and with all nations. They should be allowed the opportunity to earn return to their country, their communities and their families, upon their agreement to a period of alternate service in the national interest, together with an acknowledgement of their allegiance to the country and its Constitution."

Ford described desertion in wartime as a "major, serious offense" and draft evasion as "a serious offense."

"Reconciliation among our people does not require that these acts be condoned," he added. "Yet, reconciliation calls for an act of mercy to bind the nation's wounds and to heal the scars of devisiveness."

Officials said approximately 15,500 draft evaders are potentially eligible for clemency. Of these about 8,700 already have been convicted, an additional 4,350 are under indictment and 2,250 are under investigation.

Of those under indictment, 4,060 are listed as fugitives and an estimated 3,000 of them are in Canada.

Officials said 130 persons are presently serving prison sentences for draft evasion and presumably are eligible for release pending reviews of their cases by the clemency board.

The officials said some 500,000 incidents of desertion falling within the scope of the clemency program were recorded during the Vietnam war. They said approximately 12,500 deserters are still at large with about 1,500 of them in Canada.

About 660 deserters are now serving sentences or are awaiting trial.

The President's proclamation specified that evaders or deserters wanted on charges other than those associated with avoidance of military service might be forced to have the other charges disposed of before clemency would be considered.

For draft evaders, Ford said the 24-month service period "may be reduced by the attorney general because of mitigating circumstances."

Con't from page 1

unable to run tests on the youth, Coach Vickers said.

He was born Aug. 5, 1958 at Albuquerque, N. M.

He was a member of First United Methodist Church and a president of the Junior class at Chaffee High School.

A member of the Varsity Club, he lettered in football and basketball during 1973. He was also a member of the Order of the Arrow in Boy Scouts, the high school French Club and the 1974 Junior Babe Ruth League state championship team in baseball.

In addition to his parents, he is survived by one brother, Steven Anthony Whitaker of the home; paternal grandmother, Mrs. Mary Whitaker of Chaffee; and maternal grandparents, Mr. and Mrs. I. W. Fuge of Hartville.

Friends may call after 6:30 p.m. today at Amick-Burnett Burnett Funeral Chapel.

Services are scheduled at 10 a.m. Wednesday in First United Methodist Church with the Rev. Richard Combs, pastor, officiating.

Burial will be in the Hartville Cemetery.
